

# 2020 Dan Christie Relays

Thank you for attending our **2020 Dan Christie Relays**. We are looking forward to a great meet! We wanted to get some information out regarding our meet.

## **Entry Deadline and Coaches Meeting:**

The entry deadline is Wednesday at 10:00PM. We have 19 teams coming and we have to stick to our 3 entries per event and 1 relay team. We will only have scratches at the coaches meeting. We will have the coaches meeting at 9:00AM in the MPF (Multi-Purpose Facility). In that meeting room will also be the hospitality room. We will be serving breakfast and lunch in that room. The meeting room is the 1st meeting room on the left as you enter the MPF.

**10:00AM      3200M - JV / Varsity Girls, JV / Varsity Boys**

### **Boys:**

Long Jump

High Jump

Discus

Shot Put

Pole Vault

**11:00AM      Start of Girls Running 4x1; followed by the rest of the girls running events**

## **Team Camp Area:**

We have attached maps so that you will be familiar with the area. We ask that you set up camps in the designated area. It is an open field so there will not be any trees to hang up ENOS.

Please no ENOS hanging on fences. Last year we had some athletes break a gate during the meet. We will lock several gates and will have the athletes enter the track by the shot put and discus ring. Please do not camp out on the turf field inside the track or bring lawn chairs on the turf. No eating on the turf. Please tell your athletes that they are not to go into the MPF or the school building since we have classes still in session.

# 2020 Dan Christie Relays

## **Check in and Warm Ups:**

All warm ups will be done on the big field next to team camps. Some gates will be locked around the track. The athletes will need to get their hip number by the entrance near the warm up area and then will be escorted to the start area. When they are finished they are to exit the track the same way they entered. We only want coaches on the infield (**no chairs on the turf**).

## **Admission Fee:**

We will have an entry fee of \$5 for adults and \$2 for kids and students. Also, please tell your parents to bring folding chairs to watch field events as we will not have bleachers around those areas.

## **Bus Parking:**

We have provided a map that shows where you will need to park your bus. Since school is in session we have very limited parking spots available. We ask that you drop off your team at the entrance of the track and then take your bus and park it across the street at Frontier Park. We will have a bus shuttle you back to the track. At 4:30 we will take your coach over to Children's Health Stadium to pick up their bus and park it back at the school. At that time the parking lot will be cleared and we will have plenty of parking for everyone.

## **Spectator Parking:**

(Please send this information to your parents)

Spectators need to park at Children's Health Stadium and take the shuttle to the track. Buses will run continuously throughout the track meet. After 4:15 the school parking lot will be open to spectators.

## **Meet Shirts for sale:**

We will have meet shirts for sale for \$10. They will have all teams attending listed on the back of the shirt.

## **Concessions:**

We will have a concession stand as well as several food trucks available at the meet.
