

2021 6A Track and Field Showcase

On Friday, May 21st and Saturday, May 22nd Oregon City's Pioneer Memorial Stadium will be hosting the top 6A track and field athletes in a state championship style event. Please read through the information below that will hopefully address most questions.

General Information

Apparel:

There is an [online apparel shop](#) where you can pre-order merchandise. Orders placed by 5/10/21 are guaranteed to be available for pick-up in Tualatin or shipped for delivery by May 18th. We will have a vendor on-site at the meet selling merchandise as well.

Awards:

We will be awarding team trophies to the top 4 boys and girls teams, and top 8 finisher medals in each event. We are planning on recognizing the athletes and awarding placer medals immediately following the conclusion of each event.

Entries:

All schools will be able to submit up to three athletes per individual event, and one entry for each relay. From those submitted entries, **only the top 16** will be accepted; there will be no league auto-qualifiers, just the best of the best based on official marks from Athletic.net.

Entries must be posted by 8:00 PM on Monday, 5/17/21, and accepted entries will be available Tuesday morning. No overrides or unofficial marks will be accepted. **Entries must be from high school competition only**, no club times allowed. For races 800m and below, only FAT times will be accepted.

We will be including paralympic competition in the 100m, 400m, 1500m, and the shot put, on Saturday.

Entry Fees:

In order to cover the costs of Athletic Timing, awards, officials, etc., we need to charge team entry fees. We have come up with the following tiered system based on your school's number of entries. **Entry fees must be paid by Wednesday (5/19/21) at noon, or your athletes will be scratched from the meet and replaced by the next best submitted entries.**

Number of Entries (boys and girls combined)	Team Total Amount Due*
1-2	\$50
3-5	\$100
6-8	\$150
9-11	\$200
12-14	\$250
15-17	\$300
18+	\$350

*Fees will be collected through the Athletic.net online payment feature, and a small charge will be added to your total.

Facility:

We are still working out logistics in terms of team seating areas. At this point it is still **very unlikely** that non-athlete/coach spectators will be allowed into the stadium during the meet. A detailed map will be shared once we have completed our planning, and consultation, with the powers-that-be to finalize our capacity limits. Javelin will be thrown onto grass, so rubber tipped javelins are not required, but are of course allowed.

Athletes and coaches are allowed to enter and exit the stadium as needed, but will have specific gates to use to follow state protocols. **MASKS ARE TO BE WORN AT ALL TIMES BY ATHLETES AND COACHES while inside Pioneer Memorial Stadium.** The only exception to this is for athletes who are actively participating in select events. At this time, athletes in the 100m dash, and the high hurdles should expect to be required to wear their masks while competing based on the state's current guidelines.

Porta-potties will be located in different locations in and around the stadium, guidelines will be given for which ones teams are expected to use, after we finalize our capacity plan.

Food and beverage:

We are hoping to have a few food carts on site to provide participants with a chance to purchase food without having to go too far. There is also a food cart pod 7 blocks down the hill from the stadium, as well as all of your typical assortment of restaurants within a few minutes drive from the stadium. We are working to provide a way for athletes to fill personal water bottles while at the stadium, but no other food or beverages will be available to purchase inside the facility..

Officials:

To provide for a more official experience we are bringing in USATF officials to run the field events, and they will be assisted by volunteers. We will be utilizing weights and measures officials for throwing implement check-in, and pole vault weigh-ins. Weights and measures will be available from 9:00 AM to 12:30 PM on Friday, and 8:00 AM to 12:30 PM on Saturday.

Keep scrolling...

Meet Schedule:

The move down from Extreme Risk to High Risk allowed us to revamp the schedule so it more closely mirrors a traditional state meet timeline. It is formatted to give athletes in multiple events recovery time that is right about the same length as the 2019 State Meet gave. Due to the capacity restrictions, access to the turf field will be severely regulated, and athletes will only be allowed on to the turf one hour prior to their event, and a few minutes afterward for a quick cool down. The only event that will have less than one hour on the turf will be the 1500m which will have 30 minutes of turf time, but they are free to warm-up outside the stadium, which they always seem to do anyway.

Friday 5/21/21 Schedule

Running Event	Heat 1	Heat 2		Field Event	Flight 1
Girls 100m Prelims	3:00 PM	3:07 PM		Girls Long Jump	11:45 AM
