Chico Invitational Event Schedule

Field Events 9:30 AM

Field event athletes should report directly to their event upon first call.

The field events will be organized in medaling flights; Long Jump, Triple Jump, Shot Put and Discus participants will get four attempts. High Jump heights will start at 2 inches below the lowest athletic.net entry mark. **We will have a minimum mark line after the first legal marks in the shot, disc, long and triple jumps.** Despite making every effort to offer it, our administration will not yet allow us to contest the Pole Vault. We are working to change that, but we have not yet gotten approval or equipment.
