Athletes must report to the bullpen, (located near the north end of the bleachers) and obtain a hip number prior to the second call of their race. That hip number must be placed on their left hip and be visible when the athlete crosses the finish line. Only the 4<sup>th</sup> runner in the relay race must have this number. All runners must report to the clerk of course by the 2<sup>nd</sup> call of their race. He will be located near the start line of each race.

**Running Events:**

All running events will be finals only. 400m Dash and 1600m Relay will be run in alleys. Blocks will not be used and each heat will have 6 competitors.

We will need lap counters for the 1600. The Event will not start without a lap counter per athlete.

**Field Events:**

Due to number of competitors, all field events will be 3 attempts with no Finals

**Starting Heights:**

Starting heights will be determined in the coaches meeting. The below are tentative heights.

Tentative thoughts about Heights

Girls PV 5', 6', then 6" increments

Boys PV 7', 8', then 6" increments

Girls HJ 3'6"

Boys HJ 4'6"

Final heights will be determined at the coaches meeting. We will look at the total number of competitors, and we will try to provide heights that will allow for every competitor to get a mark, but not extend the meet to an obnoxious length.

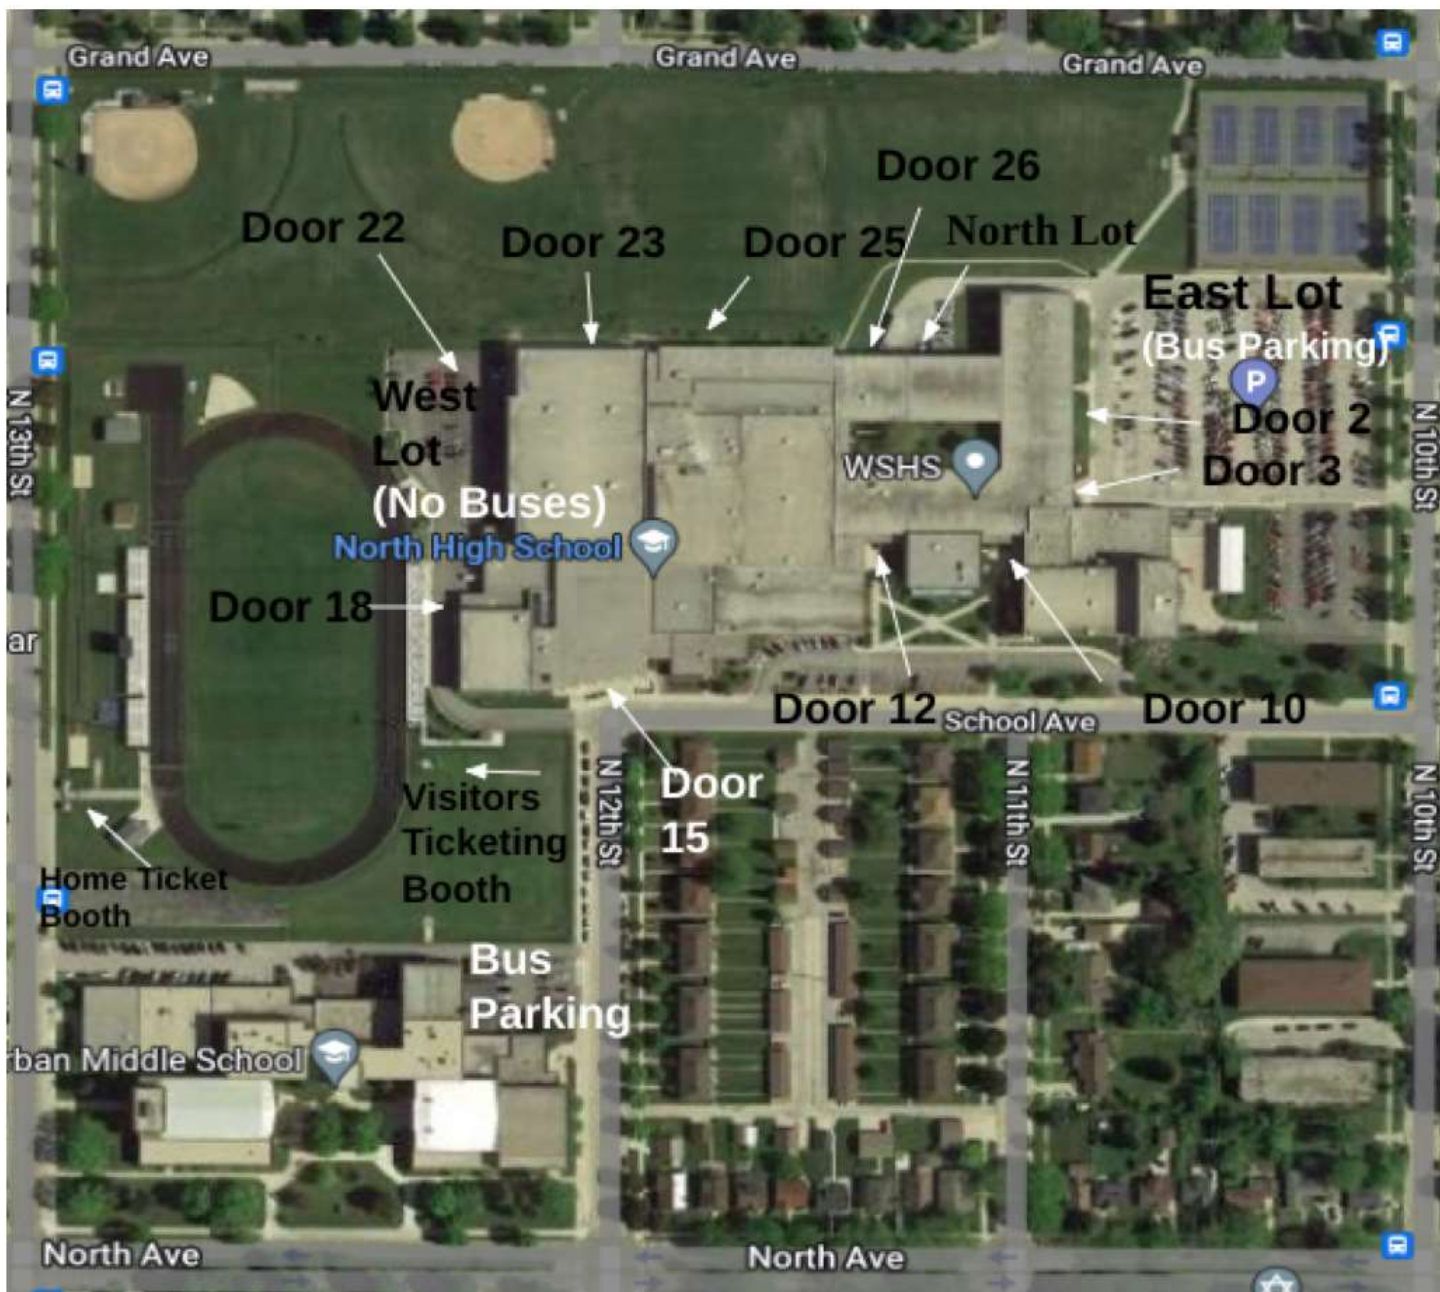

**Pits:**

Long jump will occur first. Only 1 board will be used for 3 jumps with no finals.. Athletes will be able to piggyback on their first 2 attempts. Make sure athletes measure steps off the proper Board. At the conclusion of Long Jump there will be a short break for Triple Jump run throughs. Triple jump will operate from 3 boards and operate in the same manner.

**Concessions:** The Sheboygan north booster club will provide concessions, please remind your athletes that only water is allowed in the field house area.

**Admission:** Students 10 yrs & up \$5.00; Adults \$5.00, Sr. Citizens \$5.00; Children 9 yrs and under \$3.00,  
**Passes will not be honored.**

**Bus Parking:** (see below diagram) Buses should Drop off at Door 15. The best way to accomplish this is to travel North on 11th Street, turn left on to School Avenue. Once athletes are dropped off buses should leave the area and park in Lot 2. This area is likely to be congested at the time of drop off. Buses may want to park on surrounding streets until both North high school and Urban Middle school traffic dissipates
