

# Hartford Cross Country Invitational

Mile 1, Mile 2 and Mile 3.1 all occur at same location in front of grandstand.  
Spectators in the grandstand will see runners pass by four times.

 Mile 1 - Across the field, around the pond, pass by the grandstand, loop round the inside of the race track, out through the barn, back around to the grandstand again.

 Mile 2&3 - From the grandstand, outside the race track, back by barns, around the camping area, back to the grandstand to finish (second pass adds 0.1 extension for final 1.1 miles).

Please set up team tents in the designated "tent area". No tents inside the race track.
