

Pawling Cross Country Invitational: Dan Purdy Memorial Invitational Classic

Pawling, New York

Sat. September 21, 2024

You are invited to enter the 15th Annual Pawling Invitational. The meet will be run in honor of Dan Purdy who ran for Pawling from 1998 to 2001. For over 20 years, Pawling did not even have a cross country program. It was Dan's spirit and courage that helped re-establish running at Pawling High school. Never one to quit or give up in anything he attempted, Dan courageously battled a terminal illness, finally succumbing in 2015. According to family and friends Dan's last words were, "I think I'll go for a run." So, for Dan, his family, and for all those whose lives he touched, we the staff at Pawling High School dedicate this event in his honor.

Come and join us and take the opportunity of running on Pawling's scenic 5,000 meter championship course located on the high school campus. The course offers a variety of running terrain, with most of the grass covered course winding through trails. The first mile is in the primary campus area and is flat, and the 2nd half of the course offers scenic trails. Although there are no long difficult hills, the course still has a number of short steep inclines. This is a runner's course, which is challenging but fair to athletes of all ability levels.

AWARDS: The awards include a trophy to the team winner and runner-up in each VARSITY & JV race. Medals will be given out to the top 30 in the Varsity/JV races and top 10 receive medals in Frosh/Soph races. **No team awards will be given for Frosh/Soph races. Note that these races are for developmental runners. If you have novice runners who have difficulty running the 5k distance (over 35min) you should put them in this race regardless of their grade level.**
