On Tuesday afternoon each team will receive a packet with individual race numbers with disposable chips, a team roster, and a course map. The race numbers are set for individuals so please make sure the correct runner has their number. Please return any unused bibs to the blue bin on the table by the concessions tent.

***Changes to your lineups can be made by the “Trackside Timing Van” at the finish line any time before the race begins.***

### **The Sheboygan County Cross Country Classic Course - The SCCCCC**

The 3.1 miles / 5000 meter course is a grass path, a woods loop, an uphill, a woods meadow, a down hill, the woods loop reversed, grass along a river, the path loop, and an exciting open field finish. The same as last year but a little different 🤔.

A bicycle will lead the runners on the course, which is flagged, cut, marked with paint, has directional signs, with mile and meter markers.
