

Information on team camps, bus parking, spectator parking, and t-shirt pricing.

**Team Camps:** Typically, teams set up their camps in the area just north of the finish line area near the playground equipment.

**Team Buses:** Busses will be parked in the parking lots in the northern most parts of the park. (These lots are part of the course, so traffic needs to be limited)

**Spectator Parking:** Most spectators will be asked to park on the east side of the park in a paved/grass area. (Limited parking near the start/finish is reserved for those with disabilities and elderly spectators)

**T-shirts:** Invite shirts will be sold on site. Short sleeves \$20
