Bathrooms

Bloomer Park winterizes and closes the bathrooms in late October each season. We request that it happens after our meet, but the City of Rochester does not always work with us. More information to come.

Admission (new in 2026 with new park management):

Parking is no longer free for any cross country events. It is our understanding that payment will be made at kiosks around the parking lot and that cars can pay by the hour or for an annual pass. This fee does not go to the cross country programs.

Medical:

Ice, bags, basic first aid, and an AED will be available at the finish line for the entire meet. Unfortunately, due to football conflicts, it has always been difficult to get an Athletic Trainer for this event.

Weather Policy:

There are only open-air pavilions. Shelter should be taken in team buses, vans, and cars.
