**Athlete of the Week: Zak Njos**

Love the way you have stepped up this week. In the face of adversity, where you could have used it as a crutch.. You prevailed!! You rose above!! At the end of the week put together a great race, closing our gap from 1 to 6 and showing a level of grit and determination that we are all proud of.

**Athlete of the Week: Emersyn Hlebechuk**

The care, love, and support that you have shown to your teammates is remarkable. You have given your time for the development of others, making all of our teammates/schoolmates better. You culminated your actions with a phenomenal race this weekend! Great Job!
