

Ritter M11 Steam Sterilizer

Tabletop Sterilizer

Reliable • Simple • Convenient

The **Ritter M11 Steam Sterilizer** is designed to optimize sterilization output by reducing time and effort, but not effectiveness.

The M11 11" x 18" chamber gives it a distinction of being one of the largest of any standard countertop sterilizer on the market, making it perfect for larger pack and instruments.

Features:

- **Reliable:** Steam Flush Pressure Pulse Air Removal System ensures proper steam penetration
- **Simple:** load it, set it, and forget it
