

Avante SLS 2500

LED Surgical Light

Provides a shadowless, natural color temperature

The Avante SLS 2500 LED Mobile Lighting System is a compact system.

FEATURES

- › Dimming knob located on the side of the lighthead for quick and easy adjustments.
- › Multipath light ensures that a single damaged LED in one path will not affect operation.
- › The SLS 2500 is available as a ceiling mount! Ask your representative for details.
- › Universal appending system provides maximal adjusting range, suitable for any operating room. Appending arm is made of nova alloy, with light-strong structure, convenient operation and accurate positioning.
- › Lamp cap is totally enclosed with a streamlined design, complying with requirements of sterilizing and laminar flow cleaning in all kinds of operating rooms.
