

## Easily manage your health.

It's simple with the Antidote App.

At Antidote Health, we believe in simplicity and giving you control of your healthcare journey. That's why we created the easy-to-use Antidote Member Portal. Manage all aspects of your health plan from one convenient location. Best of all, you can access it on the go with the Antidote App.<sup>1</sup>

### See all the things you can do in the Antidote App:

- ✓ **Get care:** instantly make an appointment and see an Antidote virtual provider for \$0.<sup>2</sup>
- ✓ **Search for care:** easily find an in-network provider, hospital or urgent care center.
- ✓ **Manage prescriptions:** seamlessly connect to our pharmacy provider to refill prescriptions.
- ✓ **View claims and records:** review recent claims, download your medical records and virtual visit summaries.
- ✓ **Access ID card:** quickly view your ID card. If you're the primary subscriber, access ID cards for your family members.
- ✓ **Review benefits:** see coverage details for your health plan, including deductible amounts, copays, coinsurance, and more.
- ✓ **Connect with us:** get your questions answered quickly by chatting with our Member Services team.

The Antidote App is **the only app you** need to **manage your health plan and have video visits** with your Antidote virtual provider. No need to download a separate app or complex plug-ins. You're all set.
