Virtual Care Just Got Personal

Getting quality medical care is simple with Antidote Health. We provide health plans designed for real life, prioritizing convenience and affordability.

Now, you can take control of your health without changing your schedule or emptying your wallet. Take care of yourself and your family with a health plan that puts you first.

A Health Plan That Makes Sense

With an Antidote Health Plan, you can get the care you need, when you need it, without the stress.

See a Provider for \$0*

Talk with your own dedicated Antidote Primary Care Provider (PCP) from home, work, or anywhere. There is a \$0 copay for every virtual visit with your Antidote provider.*

Care On Your Time

Book online visits when it works for you, day or night. Our providers are available 24/7 through the Antidote App, so you get care right when you need it.

Care That Costs Less

Our goal is to provide quality healthcare with true affordability. If your Antidote primary care provider refers you to an in-person provider or to a specialist, you'll see discounted copays for those visits.**

A Provider Who Knows You

Our Antidote virtual PCPs get to know you and your healthcare needs. This helps you get better, more personal care every time.

It's time to stop putting your health on hold. Get a health plan that helps make feeling your best easy and affordable.

Take the first step to better health. Ask your broker how to sign up for Antidote Health today.

Broker Info: _____

Care Solutions Sooner, Not Later

Antidote Health is your healthcare team, ready to help with your health questions and concerns. You can get treatment and prescriptions for many issues without leaving your home.

Common Sickness

We handle small health concerns before they can grow worse:

- Cold, flu, cough, and sore throat
- Headaches, sinus or ear pain
- Asthma and allergies
- Urinary tract and yeast infections
- Rashes or skin problems
- Nausea, vomiting, and diarrhea
- Muscle sprains and strains

Mental Health

Your mental wellness is a key part of your overall health. Our providers can help with:

- Generalized anxiety, social anxiety, and panic disorders (including panic attacks)
- Obsessive Compulsive Disorder (OCD)
- Sleeping problems (Insomnia)
- Post-Traumatic Stress Disorder (PTSD)

Managing a Condition?

Our team can help you live well with ongoing health needs. We specialize in creating custom care plans for:

- Hypertension (high blood pressure)
- Diabetes

We provide consistent support and manage your medicine to ensure your treatment is working.

It's healthcare done right. Finally, there's Antidote.

For more information, contact your broker or visit antidotehealth.com.

*\$0 virtual care benefit applies only to virtual visits with an Antidote Health clinician for Complete and Elite plans. Antidote's clinicians are available in select states. If you are traveling outside your plan's service area and have not previously established care, please contact Member Services to confirm virtual care availability. Prescriptions, visits, and services may be limited at the clinician's discretion or under plan terms.

**0 copay applies to Tier-1 primary care provider (PCP) visits, up to 4 visits/plan year. When referred by an Antidote Health clinician, PCP visits are \$0 regardless of Tier designation. Without a referral, the standard PCP copay applies. Referrals may be limited if the Antidote clinician can provide the service directly. Specialist referrals are discounted based on Tier designation. See plan details for more information.

Plans are offered or insured by Antidote Health Plan of Arizona, Inc. and Antidote Health Plan of Ohio, Inc.
