Three Simple Ways to Get Care

With Antidote Health, you choose how you want to receive care. Your plan is flexible to fit your needs, whether you prefer seeing a doctor online, in an office, or both.

1

Virtual Care

You get your own Antidote Primary Care Provider (PCP) who you can see by video. Use them when you feel sick, for check-ups, or to manage a health condition.

- \$0 copay for virtual visits.*

2

In-Person Care

You can choose a primary care provider from our large network of quality providers and see them in their office, just like other insurance plans.

- \$0 copay for these visits, too.**

3

Blended Care

See your in-person provider for your yearly physical, and talk to your Antidote provider online when you get sick. They can work together for your health.

- When your Antidote provider refers you to an in-person provider, both visits can have a \$0 copay.***

Meeting Your Health Needs

- **Find a Doctor:** Search our provider directory for doctors, specialists, and hospitals near you.
- **Find Your Medicine:** Look up which drugs are covered for \$0 on our drug list.****

It's healthcare done right. Finally, there's Antidote.

For more information, contact your broker or visit antidotehealth.com.

*\$0 virtual care benefit applies only to virtual visits with an Antidote Health clinician for Complete and Elite plans. Antidote's clinicians are available in select states. If you are traveling outside your plan's service area and have not previously established care, please contact Member Services to confirm virtual care availability. Prescriptions, visits, and services may be limited at the clinician's discretion or under plan terms.

**\$0 copay applies to designated Tier-1 primary care providers, up to 4 visits/plan year. Refer to the Antidote Provider Directory to confirm Tier-1 designation.

***\$0 copay applies to primary care provider (PCP) visits, regardless of Tier designation, when referred by an Antidote Health clinician. Without a referral, the standard PCP copay applies. Referrals may be limited if the Antidote clinician can provide the service directly. See plan details for more information.

****\$0 copay applies to all medications on the \$0 Core Rx Drug List when prescribed by an Antidote Health clinician, and to all medications on the \$0 Advanced Rx Drug List regardless of the prescribing clinician. Refer to the applicable drug list for the most current information and pricing.
