A detailed historical world map, likely from the 17th or 18th century, showing the continents and oceans with Latin labels. The map is oriented with North at the top. A large, dark circular overlay with a white border is positioned in the lower-left quadrant, containing the word 'GLOBAL' in white, bold, sans-serif capital letters. The map includes labels for major landmasses like 'AMERICA SEPTENTRIONALIS', 'AFRICA', 'ASIA', and 'TERRA AUSTRALIS INCOGNITA'. It also features a grid of latitude and longitude lines and decorative compass roses at the top and bottom centers.
