Terms and Conditions

If I have an adjustable rate mortgage (ARM) loan, my principal and interest may vary with changes to my interest rate. Additionally, if I have a loan that is escrowed for taxes and/or insurance, my total monthly payment amount may vary with changes to my escrow payments. I understand that UWM will send me a written notice that reflects my changed payment amount at least 10 days before my next scheduled due date. This authority is voluntary and will remain in effect until I notify UWM of my desire to cancel at least 3 business days prior to the next payment draft date or until I receive written notification from UWM. I also have the right to stop payment by notifying my financial institution either verbally or in writing at least 3 business days before the next payment draft date. I understand that if I stop a payment, I am terminating Autopay and my monthly loan payments will no longer be debited from my account. I understand I may be assessed a fee for a payment returned unpaid. If your payment is returned unpaid, we may choose to collect such fee electronically, and if we choose to do so, you authorize us to make a one-time electronic fund transfer from your account to collect a fee of up to \$50.00. I also understand I may be assessed a late charge for a missed payment or a payment that is paid after the date it is due (including after any grace period). If your payment is late, we may choose to collect such late charge electronically, and if we choose to do so, you authorize us to make a one-time electronic fund transfer from your account to collect such late charge in accordance with your loan documents. ***Please allow 30 business days for the processing of your authorization form. Please continue to make your payments until you are notified in writing when the first debit entry will begin. Once payments begin, you will receive a monthly account statement showing the amount debited for your loan payment unless there are no transfers in a particular month.
