THE GO-ANYWHERE BIKE

An extremely versatile bike that's ready for anything, from your next century to fast commutes. Confident handling, road-vibration dampening, and an endless appetite for all-day adventure make this an all-road machine tuned to make any surface feel firm – and fast. The Krypton CS ensures maximum pedaling efficiency for high performance. No matter how rough the road you travel, this tough-as-nails bike is designed with a geometry for those who are in it for the long haul.

THE ALL-ROUNDER: The all-road machine tuned to make any surface feel firm – and fast.

ENGINEERED FOR ENDURANCE: Our Topological Compliance System gives you a frame that matches comfort with the stiffness needed for solid climbing, sprinting, and endless-mile-busting.

VERSATILE AND ADJUSTABLE: Our 3D+ system allows for a wide range of fit options, and all road conditions are addressed with capacity for fenders and clearance for 32C. Our modular cable routing system allows for user-friendly cable routing.

ARGON 18

KRYPTON CS

Ideal for the endless explorer who doesn't stop because the roads get less familiar.

335A - SILVER COSMOS GREY

335B - PEARL DARK BLUE
