SPEED MADE SLEEK

The Nitrogen Disc is Argon 18's ultimate aero offering, made for those who want to cheat the wind with a sleek, feature-packed, race-engineered bike that makes a statement wherever it goes. Classic road race feel with all the advantages of aero engineering, the Nitrogen Disc offers a planted, confident ride without sacrificing the lively response of a world-class sprinter. With race-ready geometry and stiffness to spare, the Nitrogen now offers a new integrated stem and steerer.

INTEGRATION: Much more than just marginal gains, the Nitrogen's new integrated stem and steerer offers user-friendly aero advantage. Offered with the FSA ACR system, but also compatible with Ritchey integrated system and Token full and semi-integrated systems for flexibility of use with any cockpit.

THE POWERHORSE: Stiffness to spare. Ultimate power transfer for the most powerful riders.

RACE HANDLING: The Nitrogen Disc offers a planted, confident ride without sacrificing the lively response of a world-class sprinter.

TRIATHLON READY: A highly capable, draft-legal racing and training machine.

TIRE CLEARANCE: 28c (30mm) for optimal comfort and compatibility
