

# KRYPTON CS

## ALL-ROAD ADVENTURE

335A - Silver Cosmos Grey, Gloss

An extremely versatile bike that's ready for anything, from your next commute to fast commutes. Confident handling, road-vibration dampening, and an endless appetite for all-day adventure make this an all-road machine tuned to make any surface feel firm – and fast. The Krypton CS ensures maximum pedaling efficiency for high performance. No matter how rough the road you travel, this tough-as-nails bike is designed with geometry for those who are in it for the long haul.

**THE ALL-ROUNDER** · The all-road machine tuned to make any surface feel firm – and fast.

**ENGINEERED FOR ENDURANCE** · Our Topological Compliance System gives you a frame that matches comfort with the stiffness needed for solid climbing, sprinting, and endless-mile-busting.

**VERSATILE AND ADJUSTABLE** · Our 3D+ system allows for a wide range of fit options, and all road conditions are addressed with capacity for fenders and clearance for 28c (32c without fenders).

**PACKED WITH FEATURES** · Our modular cable routing system allows for user-friendly cable routing, while flat mount disc brakes and 12mm thru-axles give you braking confidence and added stiffness.
