

# GALLIUM CS DISC

**READY  
WHEN  
YOU ARE**

NEW 362A - Black/Silver, Gloss

Building on the technological know-how of the Gallium Pro Disc, and now available with a semi-integrated cockpit, the new Gallium CS Disc is the perfect way to make a mark on those long training days, or to jockey for rank on group rides. This is the bike that will be ready when you are, whether that includes a punishing climb, soaring descent, or flat-out sprint to the coffee shop. Easy to fit, intuitive to maintain and a pure pleasure to ride, the new Gallium CS Disc equally suits the randonneur and racer.

**PRO-LEVEL LINEAGE** • The new Gallium CS Disc comes with a pedigree that few bikes of its price point can match. With the same geometry as the Gallium Pro Disc, the CS offers World-Tour proven lineage for all riders.

**EXPERT ENGINEERING** • Our CS-level layup features all the best engineering advances of our pro-level bikes, in a more accessible package. Best-in-class performance-oriented handling and ride quality without breaking the bank.

**COMFORT AND CONFIDENCE** • For the cyclist who wants classic road-race performance, with clearance for 28c tires along with the confident braking power of discs. With ride quality that makes it our perennial best-seller, this is a bike that was engineered rider-first.

**ALL THE RIGHT FEATURES – AT THE RIGHT PRICE** • The new Gallium CS Disc features our 3D press-fit system and comes with a semi-integrated cockpit. It is also fitted with a replaceable rear derailleur hanger, a riveted aluminum front derailleur hanger and a chainsuck protector, all at one of the most competitive pricepoints for disc-equipped carbon performance road bikes.
