

ClearCue — Sign-Up Terms Summary (Free Users)

Effective: 02 February 2026

By creating a ClearCue account, you agree to the following:

Your Use of ClearCue

- ClearCue's **Terms of Service** and **Privacy Policy**
- Daily generation limits for the Free plan
- Storage of limited generation history (up to **60 days**)
- Receipt of **essential, non-marketing emails** only (account, security, service notices)
- Responsible use of the Service

(no automation, scraping, redistribution, or attempts to reverse-engineer ClearCue files)

Your Data

- We store only:
 - your email / login identity
 - basic account metadata
 - your cue generation history
- **No card details** are collected on Free plans
- You may delete your account at any time
- We **never sell or share data** for advertising, profiling, or AI training

Your Rights

- You retain full ownership of your **finished edits and published work**
- ClearCue retains ownership of all timing files, systems, and underlying IP

- Free users may use generated files in **personal or commercial projects**, in accordance with the **ClearCue Asset Licence**

This summary is provided for convenience.

The full **Terms of Service** apply.

ClearCue — Checkout Terms Summary (Rhythm / Flow / Studio Plans)

Effective: 02 February 2026

By subscribing to a paid ClearCue plan, you agree to the following:

Subscription & Billing

- ClearCue's **Terms of Service** and **Privacy Policy**
- Automatic recurring billing via **Stripe** until cancelled
- Your plan's daily generation limits
- Prices shown in **GBP**, unless stated otherwise
- You may cancel at any time; access continues until the end of the current billing period
- Refunds are not provided, except where required by law

Use of Generated Files

All ClearCue files you generate may be used **indefinitely** in your own:

- personal projects
- commercial work
- client work
- online, broadcast, and film projects

Files **may not** be:

- resold or redistributed as standalone assets
- included in template, preset, or cue packs
- uploaded to marketplaces or libraries
- modified and republished as timing tools
- used to build or attempt to build a competing generator or system

Service & Availability

- ClearCue is provided on a **best-effort basis**
- Timing files work in all major NLEs
(marker tracks are supported natively in **DaVinci Resolve**)
- We do not guarantee uninterrupted availability
- Support is available at **support@clearcue.pro**

Your Data

- Stripe securely manages all payment details; ClearCue never sees full card information
- Paid users retain **unlimited generation history**
- You may request account or data deletion at any time

This summary is provided for convenience.

The full Terms of Service apply.
