Leveraging digital technology

Leverage digital for customer acquisition & onboarding

Ecosystem Integration

1300+ API's and digital journeys for customer acquisition through Ecosystem / Partnerships

A/V Bot For Welcome Call

Industry first Implementation of Audio -Visual bot for welcome/PIVC calls

Video Technologies

Leveraging Video KYC, Video interview across MF, Lending, HI & LI. Micro expressions for Fraud detection.

Digital self-service channels for customer convenience

One ABC App

Launched One ABC App for seamless purchase and service experience for customers across ABC products

Virtual Branches

Virtualization of branches for remote servicing of customers through digital service Journeys & Video/Co Browsing

Inbound IVR A/V Bot

Industry first Machine Learning based Audio-Visual BOT for 24x7 response to inbound customer calls launched in LI & HI.

Digital assets for distributor Enablement

Distributor Productivity

Digital apps for enabling front line sales and distributor partners to drive revenue & engagement

Select Advisor Portal

Platform for multi product sourcing distributors to drive engagement and cross sell.

Digital Assets for Training

Significant increase in adoption of digital Assets for online training and communication with advisors.

Scalability & automation

Focus on STP Service Journeys

Reengineered service journeys for straight through processing leveraging emerging tech.

Leveraging Robotics

400+ RPA Robots live in mid and back-office processes, driving automation and robustness

Intelligent OCR Tech

Auto extraction and intelligent analysis of data extracted from customer documents with 60-80% reduction in manual effort.

Mobile App with 250 Services across products

Launched ABC MOBILE APP

Power in the hands of customers with unified mobile app with 250 services with seamless, personalized experience to drive multiple products per customer

~1.5 Million customers enabled on the platform

MONEY PLANNER

First of its kind robotic advisory tool that enables customers to plan their life's goals with personalized financial plans which are then linked to ABC products.

6.5+ Lac individuals started planning their money for their life's goals.

CO-BROWSING WITH ADVISOR

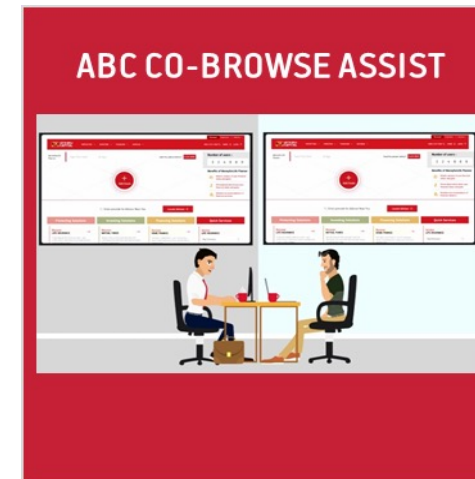

Enabling customers to first locate an advisor near them and then be able to co-browse for live assistance thus improving distributor productivity and customer experience

1+ Million interactions between customers and our agents in FY21.

ABC PRE-APPROVED

Using Data Analytics to present personalized, curated pre-approved product offers to our direct customers on their ABC dashboards.

100,000+ customers have started receiving offers on the ABC Dashboard as of Q1 FY22.

Leveraging Ecosystems for acquiring customers at scale

Digital impact metrics

Progress on multiple vectors across businesses as a result of digital focus

All metrics are for Q1 FY22 unless specified

REVENUE ENABLEMENT through digital customer acquisition engines	50%+ of customers acquired through integration with Ecosystem Partners	90%+ Customers onboarded digitally	80%+ Welcome Calls to Health Insurance & Stocks & Securities customers on audio voice bots	90%+ payments and collections happening on electronic channels	89% purchase transactions in Mutual Fund done digitally
CUSTOMER EXPERIENCE through new age digital channels	88%+ Services available on our 24x7 digital channels	6 mil+ Customers have access to our 280+ services	92% Policies renewed digitally in Health Insurance	82% policies renewed digitally in Life Insurance	86%+ OVERALL customer interactions on Digital channels
SCALABILITY & COST EFFICIENCIES with mid & back office automation	50%+ Service journeys are end-to-end automated, no human intervention	400+ RPA Robots live in our mid & back offices	2.5 mil Customer interactions on audio visual voice bots in FY21	1 mil+ Emails handled by ML based Email Bot in FY21	87% Applications hosted on our hybrid Public & Private cloud

Leveraging synergies across the platform

1

Branch Network synergies

- Co-locating businesses to drive synergies
- Improves real-estate space utilization, driving cost benefits
- Provides low cost opportunity to businesses to expand to new locations and thus grow revenues
- Program underway with ~1000 branches across ABC in FY22

3

Product synergies

- Mutual Funds and Life Insurance through Century SIP and Smart Premium Payment Facility
- Life and Health Insurance e.g. Term + Indemnity / Trad + Indemnity launched
- Lending plus Health/ Life Insurance with significant attachment ratio

2

Distribution synergies

- ABC SELECT ADVISOR PLATFORM is a unique platform for advisors of individual LOBs to become 'Complete Money Solution' providers; 6,500 advisors enrolled under program
- This drives distributor earnings and builds multi product customers
- We are also building common advisors in Life and Health Ins

4

ABC/ ABG synergies

- Centralised IT infra and app development, driving synergies for all businesses
- Term cover for all ABG employees
- Working with ABG businesses to drive market access and financing of supply chain

NBFC

Aditya Birla
Finance Ltd.

ADITYA BIRLA
CAPITAL

Performance Summary | NBFC | Aditya Birla Finance
