“I've never been a health-conscious guy before. But thanks to Aditya Birla Health Insurance for creating a health policy with exceptional features that inspired me to improve my health schedule. I started with on-demand videos & walking 10,000 steps daily. Through this healthy habit, I was able to earn 100% HealthReturns™ which I used at the time of my policy renewal. My journey with Aditya Birla Health Insurance is a long one and the fact that they're so customer-friendly and informative really makes me keep track of my health.”
