KEY MANAGEMENT COMMENTARY:

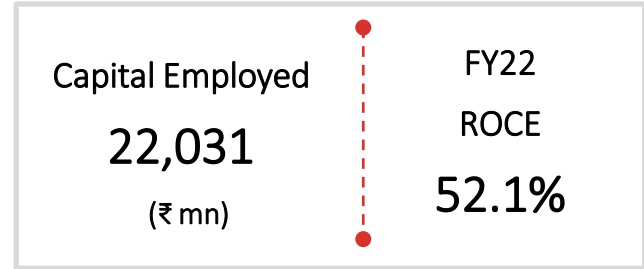

- Transformation initiatives have come to full play in FY22 with strong momentum across all the business segments. The company continues to drive robust growth with sharp focus on asset light, digitally enabled businesses and achieving new milestones through inorganic growth. Allcargo reported its highest ever business performance for the year with consolidated revenues crossing ₹ 200 billion and EBITDA higher by 139% YoY at ₹ 15.2 bn;
- International supply chain business (MTO) operating under "ECU Worldwide" witnessed robust volume growth driven by expansion in market share in favourable market conditions. LCL volumes grew by 18% YoY and FCL volumes grew by 21% YoY. JV in Scandinavian region has grown significantly post acquisition & ECU Worldwide is now consolidating its market leadership with nearly 40% market share in Sweden, Norway, Finland and Denmark. JV in South Korea has also performed exceedingly well alongside key regions of India, China, Europe and Americas, all exhibiting best-ever business performance;
- CFS-ICD business was bolstered with acquisition of Speedy Multimodes and the company is now market leader in CFS business in India. Volume handled for the year stood at 450,549 TEUs as against 282,595 TEUs handled last year;
- Express logistics business under Gati's subsidiary GKEPL reported its highest ever volume and revenue. The company is building quality infrastructure to drive next phase of growth. Contract Logistics business is housed under ACCI which has exhibited growth of 49% in revenue, and EBITDA increased 42% to ₹ 1,468 mn. Equipment business has been rationalized reducing capital employed and utilization is currently at a record 90% level;
- Digital remains one of the key focus areas with sustained increase in revenues coming through digital platform ECU360, which now accounts for nearly 60% of export booking across all key markets. ECU360 is now a mature digital platform with front end deployed on cloud. Gati is focused on enhancing the customer's experience on the front-end and having seamless operations on the back end;
- The demerger process remains on track under which each business would be separately listed by allocating one share each in Allcargo Terminals (CFS/ICD segment) and TransIndia Realty (Logistics Parks, Equipment and other asset-based annuity businesses). The demerger is expected to be concluded over the next 10-12 months.

OVERVIEW OF CFS/ICD MARKET

CFS/ICD - Proxy to Indian EXIM growth

All the Growth Levers in Place for Future

- Potential reforms to increase the scope of activities and expand the role of CFS's. CFSs also gaining importance due to increased number of LCL shipments
- In addition to the steady growth in EXIM cargo, improved containerization is expected to increase the share of container traffic in Indian seaborne trade
- Higher capacity additions expected by FY25 from Sagarmala Program on the back of cluster development aiding robust port connectivity in India
- Once operational, the western DFC would aid ICD operational advantage. Also it plays a important role in Government's plan of developing of industrial clusters.

Recent regulatory initiatives: CFS an integral part of efficient port evacuation

States low on CFS/ICD infrastructure are HP, Bihar, Jharkhand, WB, Sikkim, AP, Nagaland, MN, MZ, TR, Telangana and J&K

Proposal accepted only for specific trade locations: Uttarakhand, UP, Chhattisgarh, Odisha, AP, Goa, Karnataka, Kerala and other

States and UT not listed in Green & Blue zones (Mumbai, Gujarat, Chennai) closed for any new CFS development indefinitely.

Advantage Jhajjar: Hinterland container traffic in NCR region

SIMPLIFIED SCHEME OF ARRANGEMENT

STRATEGIC INDEPENDENCE AND OPERATIONAL & FINANCIAL FLEXIBILITY TO DRIVE GROWTH

Rationale

Independent Business Undertakings

- Simplified structure with independent listed companies with sharp management focus
 - ❖ ACL: International Supply Chain(MTO) & Express /Contract Logistics
 - ❖ ATL: CFS/ICD Business
 - ❖ TRL: Equipment Rental, Logistics Parks & other Realty Businesses

Distinct Growth Opportunities

- Divestment of non core businesses to free up the capital and reduce debt
- Enhanced financial flexibility for each businesses
- Provide funding impetus to the long-term growth strategies of each business
- Build strategic partnerships suitable for different set of businesses

Sharp Management Focus

- Dedicated management bandwidth to drive growth initiatives
- Better access to resources for driving digital initiatives in asset light businesses
- Ability to evaluate distinct strategic opportunities in the Realty Business

Unlock Shareholder Value

- Direct ownership of business with shareholders eliminating inefficiencies
- Attract dedicated pools of investor with specific strategic interest
- Separately listed businesses will reflect full value in each individual business

Proposed Transaction

Allcargo Logistics (ACL) to demerge its CFS/ICD division and its asset heavy Equipment, Logistics Parks business into separately listed entities. The demerger would create three focused entities targeting distinct set of growth opportunities. ACL would now focus on its International Supply Chain (MTO) business and organic and inorganic opportunities thereon. The company would continue maintaining its controlling stake in Gati and ACCI.

Allcargo Terminals (ATL) would include operations related to CFS and ICD businesses across locations at JNPT, Mundra, Chennai and Kolkata. JV with CONCOR and planned ICD at Jhajjar under Allcargo Inland Terminal would also be a part ATL. The land bank pertaining to usage for this business would be transferred to TRL and this entity would continue to be managed as asset-light entity.

TransIndia Realty & Logistics Parks (TRL) would build an portfolio of high yielding rental assets. Some entity assets required for running related party businesses will be leased out to the group (land bank at JNPT and Chennai, corporate office, etc.). Also certain asset classes which could be leased/constructed with other JV partners (Logistics Parks, etc.) would also be a part of TRL.
