Performance - Consolidated: Q1 FY24

- **Company's overseas subsidiary, Bolix S.A, Poland had a strong quarter of both topline and profitability growth driven by good performance in the U.K. business**
- **Company's overseas subsidiary, BJN Nepal had another quarter of degrowth in topline and profitability on account of slow down in construction sector and steep inflation**
- **Company's subsidiary, STP Ltd showed marginal top line growth due to a high base. However had a strong double digit profitability growth aided by improvement in gross margin due to softening of raw material prices. We expect double digit value growth in Q2 FY24**
- **SBL Specialty Coatings Ltd had a marginal degrowth in the topline due to a high base and adverse impact from the Fan segment, however profitability recorded robust growth on the back of softening RM prices. We expect double digit value growth in Q2 FY24**
- **Company's Joint venture Berger Nippon Paint Automotive Coatings Pvt. Ltd. had a very robust quarter of topline and profitability growth aided by uptick in Passenger car and SUV sector**
- **Company's Joint venture Berger Becker Coatings had a degrowth in both topline and profitability in the quarter on account of capacity constraint due to fire in one of its manufacturing facilities in Q4 FY23**

Road to sustainability : ESG Initiative
