#### Coal India Limited Company Secretariat

Dated: 19.02.2024

Ref.No. CIL:XI(D):4157/4156:2024:

To, Listing Department, Bombay Stock Exchange Limited, 14th Floor, P.J. Towers, Dalal Street, Mumbai – 400 001 Scrip Code 533278 To, Listing Department, National Stock Exchange of India Limited, Exchange Plaza, Bandra Kurla Complex, Bandra (E), Mumbai – 400 051. Ref: ISIN – INE522F01014

Sub: - Intimation of Corporate Presentation of Analyst/Institutional Investor Meeting under Regulation 30(6) of Securities Exchange board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, ("Listing regulations 2015")

Dear Sir,

Further to our letter no CIL:XI(D):4157/4156:2024: dated 19<sup>th</sup> Feb'24 we are enclosing the Corporate Presentation of Coal India Limited which shall also be uploaded in CIL Website under the tab "INVESTOR CENTER"

This is for your kind information and record.

Yours faithfully,

(बी पी दुबे/B. P Dubey) Company Secretary/कंपनी सचिव & Compliance Officer/कम्प्लायंस ऑफिसर

**Encl: As above** 

 Highest ever 9M & Q3 Profit , Revenue from Operations & Net Sales during 9M & Q3 of FY 23-24.

9M 2023-24 **COAL INDIA LIMITED** 

... Committed to fulfil the energy aspirations of the Nation

### Coal India - Vision & Mission, Key Value Propositions, Our Genesis

Mission

To emerge as a global player in the primary energy sector committed to provide energy security to the country by attaining environmentally & socially sustainable growth through the best practices from mine to market.

To produce and market the planned quantity of coal and coal products efficiently and economically in an eco-friendly manner with due regard to safety, conservation and quality.

Peak Coal Production of 703.2 MT in FY 2022-23, target to achieve 1BT by FY 2025-26

Manpower productivity to improve significantly

Mechanization & closure of unviable mines to lower costs

Evacuation and transportation infrastructure improvement

Predictable capital allocation

Experienced management team

Aim to be a 'Net Zero Emission' company at the earliest

Improved ESG compliance and disclosures

As per IEA's World Energy Outlook 2023, Global coal production rose above 6 billion tonnes of coal equivalent in 2022, its highest level ever. Energy prices and energy security concerns led China, India, Indonesia and other major coal producers to expand domestic supply.

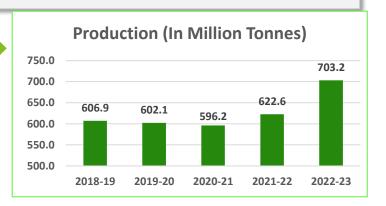

Key Value Propositions

#### 1975

- Nationalized coal mines under Coal Mines Authority Ltd. re- organised as Coal India Ltd.
- ♠ Coal Production ~ 79 Mt

#### 2023

- Largest pure play coal producer in the world
- 'Maharatna'
- Highest ever coal production of 703.2MT in FY 22-23

# **Location of the Subsidiary Companies** New Delhi BCCL, Dhanbad, Jharkhand CCL, Ranchi, Jharkhand Kolkata (Head Office) SECL, Chattisgar WCL, Nagpu MCL, Orissa Head Office Subsidiaries

#### A. CIL - Coal Producing Subsidiaries

- (1) Eastern Coalfields Ltd.(ECL)
- (2) Bharat Coking Coal Ltd.(BCCL)
- (3) Central Coalfields Ltd.(CCL)
- (4) Northern Coalfields Ltd.(NCL)
- (5) Western Coalfields Ltd.(WCL)
- (6) South Eastern Coalfields Ltd (SECL)
- (7) Mahanadi Coalfields Ltd.(MCL)

#### B. Planning & Design Subsidiary of CIL-

Central Mine Planning & Design Institute (CMPDIL)

#### C. Diversification Subsidiaries of CIL-

- (1) CIL Solar PV Limited, Kolkata
- (2) CIL Navikarniya Urja Limited , Kolkata

#### D. Foreign Subsidiary of CIL-

Coal India Africana Limitada

# **Key Company Highlights – Record Breaking 9M of FY 23-24**

Highest ever 9M Production, Offtake & OBR During 9M of FY 23-24 Highest ever 9M Profit, Revenue from Operations & Net Sales in 9M 23-24.

Highest ever 9M Coal production of 531.90 MT and OBR of 1404.85 MCuM was achieved during 9M of FY 23-24 with a growth of 11 % and 22 % respectively against same period last year.

Highest ever 9M Offtake of 552.03 MT in 9M of FY 2023-24.

Highest ever 9M dispatch to Power Sector of 454.03 MT in 9M of FY 2023-24

Highest ever 9M PBT of Rs. 31,937 Crores & PAT of Rs. 23,849 Crores in 9M 23-24. The increase in PBT is Rs. 1,579 Crores i.e. 5% over previous year same period. The increase in PAT is Rs. 1,251 Crores i.e. 6% over previous year same period.

Highest ever Revenue from Operations of Rs. 1,04,914 Crores in 9M 23-24 an increase of Rs. 4,814 Crores i.e. 5% over 9M 22-23 and Net Sales of Rs. 96,062 Crores in 9M 23-24 an increase of Rs. 3,596 Crores i.e. 4% over 9M 22-23.

### **Key Company Highlights**

# Organizational Commitment to Sustainable Development

- ◆ High focus on social, environmental and health & safety initiatives .
- ◆ Documented CSR policy .
- ◆ Committed to improve on all ESG parameters

#### Positive Margins & Returns

- ◆ EBITDA¹ margin of 34% in 9M 23-24 & 32% in FY 22-23.
- ◆ FY 22-23 RoAE<sup>2</sup> of 56%.
- ◆ Last 5 year avg Dividend Payout Ratio<sup>3</sup> of 55%

### Cost Leadership with Stable Realizations

- ◆ Higher proportion of open cast mining operations and increasing labor productivity.
- ◆ Improving productivity & efficiency through use of higher capacity equipment for higher output.

# World's Largest Pure Play Coal Producer

- ◆ Highest ever production of 703.20 million tonnes in FY 22-23 & highest ever 9M production of 531.90 MT in FY 23-24 across 322 working mines.
- ◆ 178 billion tonnes of resources and 54 billion tonnes of reserves

#### **Growth Drivers**

- Favorable demand expected from key sectors such as power and steel.
- ◆ Highest ever offtake of 694.69 million tonnes in FY 22-23 & highest ever 9M offtake of 552.03 million tonnes in 9M of FY 23-24.

# Extensive Mining Capabilities

- ◆ Advanced technology in open cast mining.
- ◆ Focus on meeting commitments to the power sector.
- ◆ Tapping capabilities of other players through MDO.

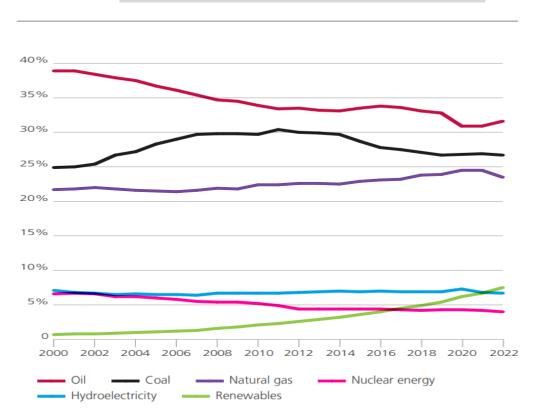

#### Notes

- 1. EBITDA has been calculated by adjusting (adding back) with profit before tax the finance cost, depreciation / amortization / impairment and deducting interest income. EBITDA margin is EBITDA to Net Sales.
- 2. RoAE FY 22-23 is calculated as the ratio of Profit after taxes to the average shareholders' equity for FY 22-23.
- 3. Dividend payout ratio is the ratio of dividend declared to PAT.

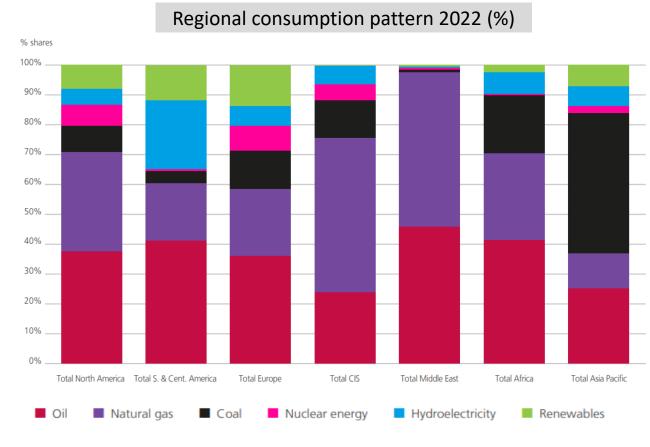

### **Primary Energy – World Consumption\***

Coal is the second largest fuel for primary energy consumption.

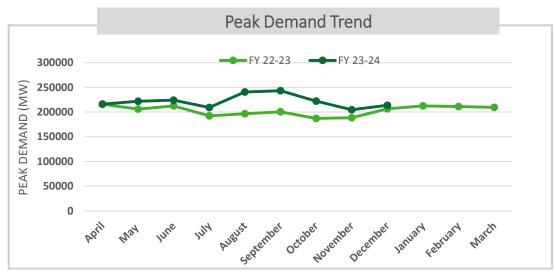

Coal is the dominant fuel in the Asia Pacific region.

At a global level, Coal remained the dominant fuel for power generation in 2022, with a stable share of around 35.4%.\*

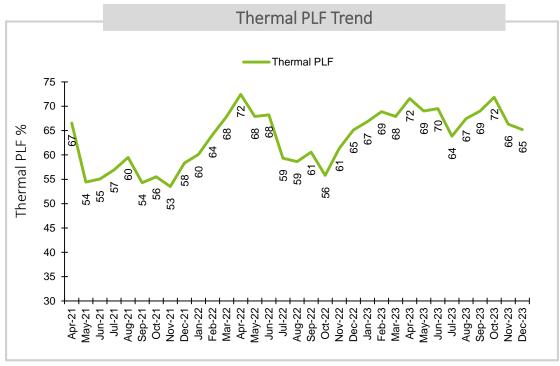

<sup>\*</sup> Source : As per Statistical Review of World Energy , 2023

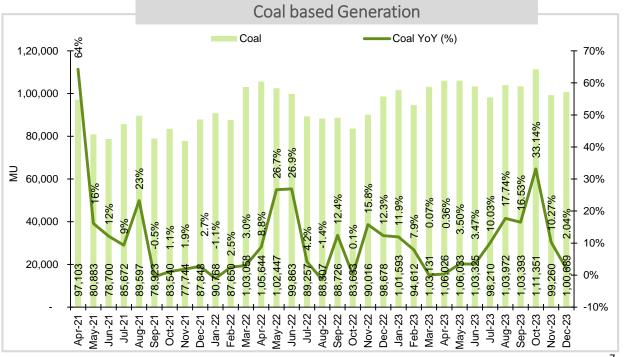

### **Increasing Power Demand in 9M 23-24**

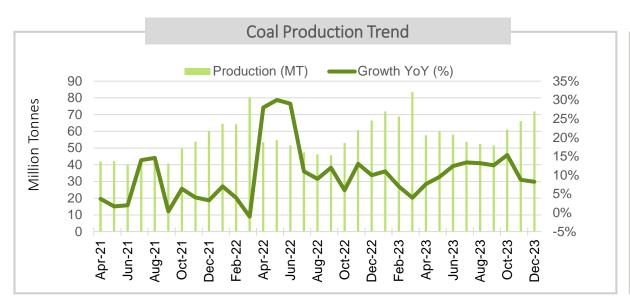

- Power demand increased during 9M 23-24 as compared to 9M 22-23.
- Coal based generation followed a similar trend.
- As per the CEA, thermal PLF reached 72% (approx.) in April'23
  & October'23.

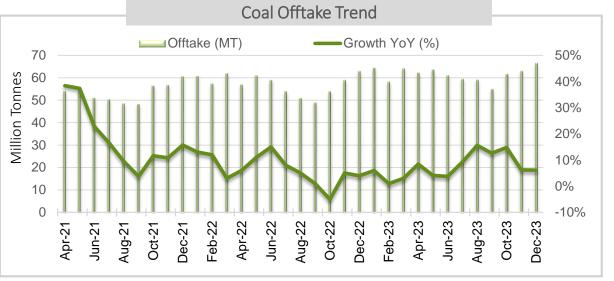

### Consequently, Demand for Coal increased

### EC, FC, Land & PR

### Environment Clearance (EC)

- In FY23, 40 Proposals with incremental EC capacity of 87.32 MTY have been secured.
- In 9M of FY 2023-24, EC has been obtained for 14 Proposals (Incremental EC Capacity of 9.85 MTY).

#### Forest Clearance (FC)

- In FY23, seven (7) proposals of FC (Stage-I) for 1920.147 Ha. of forest land have been secured and in 9M of FY 2023-24, six (6) proposal of FC (Stage-I) of 1452.734 Ha. has been secured.
- In FY23, seven (7) FC proposals (Stage-II) of 885.855 Ha. have been secured and in 9M of FY 2023-24, seven (7) proposals of FC (Stage-II) of 694.932 Ha. has been secured.
- In 9M of 2023-24, 1 proposal of wild life clearance (121.58 Ha) has been secured.

#### **Land Possession**

- In FY23 possession of land -2090 Ha and in 9M of FY 2023-24 possession of land 1430.64 Ha.
- In FY23 Notification u/s 9 of CBA (A&D) Act, 1957
   2582.14 Ha & in 9M of FY 2023-24 2253.13 Ha.
- In FY23 Notification u/s 11 of CBA (A&D) Act, 1957
   1495.03 Ha & in 9M of FY 2023-24 1522.89 Ha.

#### Approval of Project Report

- In FY23, CIL has approved 24 Coal Mining Projects with a total capacity of 140.30 MTY and incremental capacity of 58.98 MTY.
- In 9M of FY 24, CIL has approved 5 Coal Mining Projects with a total capacity of 60.04 MTY and incremental capacity of 33.24 MTY.

### Railway Lines for Coal Evacuation – Key to Capacity Building

• In order to have a seamless evacuation system for the projected production, an action plan to enhance and strengthen the infrastructure of coal evacuation for existing, ongoing and future projects of subsidiary companies is in place. Rail infrastructure is being built both on 'Deposit Basis' as well as by forming SPVs with Rail PSUs and the concerned State Govt.

- Tori-Shivpur New BG Double line (44.37 KM) to evacuate ~65 MTPA was funded by CIL and commissioned in Dec'2019. Construction for the third line is underway and targeted to be completed by Mar'2024. This shall enhance its capacity to evacuate ~ 100 MTPA of coal from the North Karanpura coalfield of CCL. (On Deposit Basis by EC Railway)
- Jharsuguda –Barpali- Sardega New BG line (52.41 KM) to evacuate ~ 35 MTPA was funded by CIL and commissioned on 05.04.2018. Construction of doubling from Jharsuguda to Barpali (42 Km) of this rail line completed. Balance work of doubling from Barpali to Sardega along with loading bulbs at Barpali and flyover complex at Jharsuguda is underway to enhance its evacuation capacity to ~ 65 MTPA. (On Deposit Basis by SE Railway). (Doubling works targeted to be completed by Mar'2024).
- The Rail Connectivity of Lingaraj SILO with Deulbeda siding at Talcher Coalfields of MCL was Commissioned on 18th May,2021 (On Deposit Basis by East Coast Railway).
- Mahanadi Coal Rail Ltd (MCRL) Angul- Balram rail link (14.22 Km) in Talcher coalfield of Odisha commissioned on 14.11.2022. It shall facilitate additional evacuation capacity by ~ 15 MTPA coal.
- Chhattisgarh East Rail Ltd (CERL) East Rail Corridor in the state of Chhattisgarh CERL Phase I Total 99.95 route km has been commissioned out of total 124.70 project route kilometer. Coal loading from Chhal and Baroud feeder line started on 18.05.2023 and 24.06.2023 respectively. The entire project shall facilitate evacuation of around 65 MTPA of coal and is anticipated to be commissioned by Dec'2024.

### Railway Lines for Coal Evacuation – Key to Capacity Building

#### **Under Construction**

- CERL Phase II Land acquisition under process. Financial Closure achieved in Aug'2023. Land acquisition and forest clearance activity is in advanced stage. Complete private land of 287 Ha acquired (100%). Working permission received on 15.07.2023. Project is anticipated to be commissioned by Aug'2026.
- Chhattisgarh East West Rail Ltd (CEWRL) East West Rail Corridor in the state of Chhattisgarh —to evacuate ~ 65 MTPA of coal. Construction works under execution and the work progress is 60%. Anticipated to be commissioned by Dec'2024.
- The Shivpur Kathautia rail connectivity is being executed by Rail JV, JCRL (Jharkhand Coal Railway Limited) formed among CCL (Central Coalfields Limited), Govt. of Jharkhand and Indian Railway represented by IRCON, in the state of Jharkhand. About 25 MTPA coal from the mines of CCL is planned to be evacuated through this line. Financial Closure achieved on 05.05.2022. Work progress is about 42%. Anticipated to be commissioned by June 2025.

### **Infrastructure Building – First Mile Connectivity Projects**

- CIL has taken steps to upgrade the mechanized coal transportation and loading system under 'First Mile Connectivity' projects (Aug'2019).
- Phase-I: 35 projects of 414.5 MTPA awarded at a capital investment of INR 10,750 Cr.; 9 projects of 127 MTPA have been commissioned till date. Targeted to be completed by FY 24-25.
- Phase-II: 09 projects with total capacity of 57 MTPA with an estimated investment of about INR 2,500 Cr. are under implementation.
   Work has started in 5 FMC Projects of 21.5 MTPA capacity and tender is under finalization in 2 FMC projects of 13 MTPA capacity.
   The balance 2 FMC projects are under approval. (Targeted to be completed by FY 25-26)
- Phase-III: 17 projects with total capacity of 292 MTPA have been planned at an estimated investment of about INR 11,500 Cr for which tenders for 3 projects are under finalization. Tenders for the balance 14 projects would be floated by FY 25-26 and are targeted to be completed by FY 28-29.
- Phase-IV: 14 projects with total capacity of 74 MTPA have been identified at an estimated investment of about INR 3,000 Cr for which tendering for 1 project is under process. Tenders for the balance 13 projects would be floated by FY 25-26 and targeted to be completed by FY 29-30.
- These FMC Projects shall enable increased mechanized evacuation from 151 MTPA (as on Aug'2019) to 988.5 MTPA by FY 29-30.
- Total investment of INR 27,750 crore is envisaged.
- Company has decided to make provision of smaller size CHPs with Rapid Loading Systems in all the new mines with a capacity of more than 1 MTPA, wherever techno-economically feasible.
- Company expects improvement in coal quality, savings in under-loading/overloading charges and a positive impact on the environment.
- Substantial reduction in cost on evacuation & transportation charges.

### **Quality Control**

As per Third Party Sampling results in terms of quantity sampled and analyzed, Grade conformity from Apr'22 to Mar'23 has been 70% as compared to 66 % for the last year i.e. April'21 to Mar'22.

Grade conformity of third-party sampling results has been 75% in FY 23-24 (based on TPSA results received till 31.12.23 ) as compared to 70% in corresponding period of FY 22-23.

The difference between weighted average of declared Gross Calorific Value (with reference to midpoint GCV of respective grades) and analyzed GCV of coal samples during the year considering the results received and accepted so far show the variation to be around 20 Kcal/Kg only for FY 2022-23 and 12 Kcal/Kg for FY 2023-24(till 31.12.2023).

For resolution of quality-related issues , inter-alia, the following measures were adopted:

1 Review of complaints by CCO/MOC

Committees comprising of members from coal companies, consumers and third party agency (Apex Committee & Executive Committee) to resolve quality issues are functioning.

Adoption of modern techniques (a) Deployment of continuous miners under permissible geo-mining conditions in UG mines (b)Use of surface miners for coal production in opencast mines entail blast free selective mining leading to better quality and consistent sized coal output.

Utilization of mechanical scraping to remove extraneous material

Use of mobile crushers for augmenting coal sizing capacity, wherever necessary.

Development of First Mile Connectivity (FMC) Projects.

### **Import Substitution**

• Under the backdrop of 'Aatma Nirbhar Bharat' mandate to promote usage of domestic coal in the country, CIL took various steps :

#### Steps taken by CIL to substitute import in April-Dec of FY 2023-24

During April-Dec of FY 2023-24, CIL supplied 552.03 MT of coal against 507.8 MT of coal supplied during the same period last year thereby registering a growth of 8.7%. Supplies to power sector also increase by 4.9% during the same period.

After meeting FSA commitment, from April-Dec of FY 2023-24, 56.7 MT of coal has been booked by the bidders in E-Auction against an offered quantity of 64.0 MT.

In order to reduce coal import by Power and Non Power sector, CIL is periodically conducting Linkage Auction (Long / Medium / Short Term) for Power Sector under various provisions of Shakti policy and Linkage auction for Non Power Consumers under NRS Linkage Auction policy.

### **Cost Control Measures**

Attrition of manpower: Around 5% reduction in manpower annually for the next 5-10 years (FY23 base of 2,39,210 employees)

First mile connectivity & infrastructure creation to reduce costs.

Emphasis on digitization of mines for increasing efficiency in overall capacity utilization resulting in higher volumes of coal at lower costs.

Closure of unviable mines: 138 underground mines employ around 37.59 % of the workforce whereas contributes 3.59 % of total production. Action is being taken to close the unviable mines in CIL in a phased manner. Production from 18 (12 mines in 2020-21, 02 mines in 2021-22 and 4 mines in 2022-23) Underground Mines has already been suspended.

### **Output enhancement through MDO (Mine Developer cum Operators)**

For efficient operationalization of greenfield projects, CIL devised a transformative plan to engage MDO for 15 projects in Phase-I (11 OC and 4 UG) and 15 Projects in Phase-II (6 OC, 8 UG and 1 Mixed) with combined total targeted capacity of about 173 MTY and 91 MTY respectively.

#### Phase – I MDO Projects:

Out of the 15 projects,

- LoA issued for 13 projects of 141 MTY
  - ✓ Out of which mining activities have started in 4 Projects (57 MTY)
  - ✓ Out of which Agreement has been signed for 7 Projects (65 MTY)
  - ✓ Agreement to be signed shortly for 2 projects (19 MTY)
- Re-tendered- 02 Projects (32 MTY)

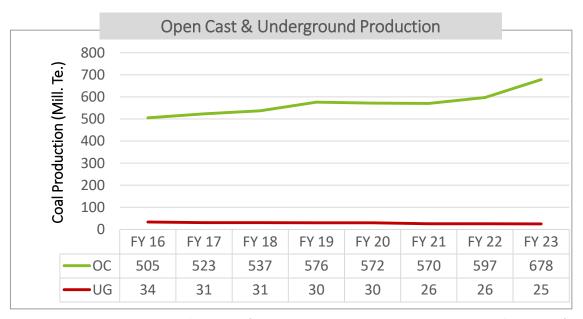

#### Phase-II MDO projects:

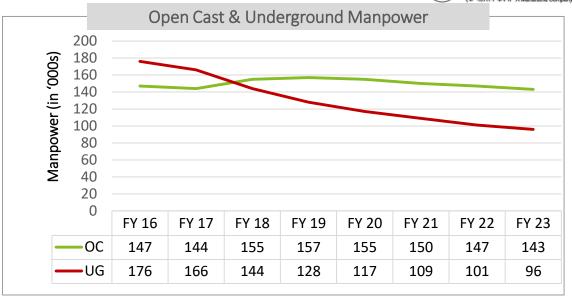

Out of the 15 projects,

- Re-tendered- 02 Projects ( 7 MTY)
- Project under Formulation- 13 Projects (84 MTY)

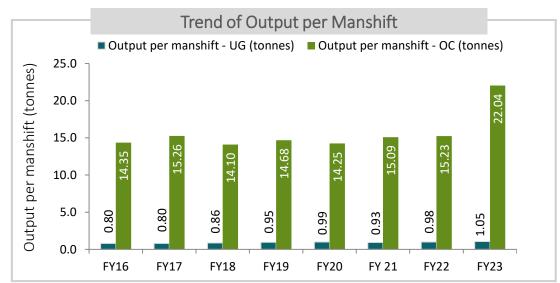

### **Cost Control Measures – Closure of Unviable Mines**

In FY 21 production from 12 UG mines, in FY 22 production from 02 UG mines & in FY 23 production from 4 UG mines has been suspended.

Overall OMS of 12.80 Tonnes/Manshift in FY 22-23 vis-à-vis 9.53 Tonnes/Manshift in FY 21-22.

	9M 23-24					
Subsidiary	Product	Manpower				
	UG	OC	01.01.2024

Coking Coal Production of **41.31** MT & Non Coking Coal Production of **490.59** MT in **9M of FY 23-24** 

### **Moving towards Clean Coal**

#### **Coal Gasification**

Three Surface Coal Gasification (SCG) Projects identified.

- <u>CIL BHEL JV Project at MCL</u>: CIL Board approved Pre-Feasibility report (PFR) for Coal to Ammonium Nitrate project at MCL. Draft JV agreement to be executed with BHEL also approved by CIL Board. Formation of JV in process. Concurrently, Pre-project activities initiated through M/s PDIL, the PMC consultant.
- <u>CIL GAIL JV Project at ECL</u>: CIL Board approved PFR for Coal to Synthetic Natural Gas at ECL. JVC to be formed after finalization of DFR. Engagement of PMC consultants for preparing DFR is under process.

<u>Union Cabinet, GOI has approved the above two JV Projects on 24.01.2024.</u>

• <u>WCL Project</u> — BOO tender, invited on 06.03.2023, was opened on 06.12.2023. No offers were received. Path of pursuing the project through Lump Sum Turn Key (LSTK) route is being explored.

Tenders floated for 3 projects for CBM Development through CBMD (Coalbed Methane Developer) in: Jharia CBM Block-I (CAPEX: INR 1879 Cr.) Raniganj CBM Block (CAPEX: INR 595 Cr.) & Sohagpur CBM Block-I (CAPEX: INR 202.72 Cr.). Offer received for Jharia CBM Block-I only. [Capex as per Pre-Feasibility Reports]

Coal Bed Methane

- Revenue sharing contract signed with successful bidder for Jharia CBM Block-I.
  The Block is in Exploration Phase.
- Global bid document for Raniganj CBM Block published thrice and twice for Sohagpur CBM Block-I, however no bid was received.

#### Washeries

- 14 coal washeries, (12 coking coal and 2 non-coking coal) with total capacity of 29.94 mtpa operational including Madhuband Washery (5 mtpa) which was commissioned on 29.11.2023
- 3 new coking coal washeries in BCCL totaling 7 mtpa and 5 new coking coal washeries in CCL totaling 14.5 mtpa capacity being set up.
- Construction of Ib Valley non-coking coal washery (10 mtpa) in MCL is complete. PGT completed. Expected commissioning by Feb 2024.

Washed Coking Coal production (in Lakh Tonnes)

	9M FY 23-24	9M FY 22-23	Growth (%)
BCCL	10.18	10.58	-3.8%
CCL	5.75	4.51	27.5%
CIL	15.93	15.09	5.6%

- 9 more washeries to be built estimated investment of about INR 3,600 crore by CIL and BOO operators
- Work Orders worth over INR 11,500 crore have been awarded by Talcher Fertilizers Limited for setting up of Coal Gasification plant and Ammonia-Urea plant on Lump Sum Turnkey (LSTK) basis. The plant will have an installed capacity of 12.7 lakh tonne per annum, thereby saving on urea imports and improving its availability for farmers in the region.
- Union Cabinet has approved an "exclusive subsidy policy" for urea fertiliser produced through coal-gasification by TFL. Clean coal technology will be adopted for the gasification process at the plant.

#1

### **Diversification**

#### Solar Generation

- •Aim to set up 3GW capacity of solar power projects to become net-zero by FY 25-26. CIL intends to add another 2 GW of renewable energy, aiming for a total installed capacity of 5 GW.
- •An MOU was executed between CIL and Rajasthan Rajya Vidyut Utpadan Nigam Limited (RVUNL) on 13th Oct 2022 for setting up the 1190 MW solar power plant at the solar park of RVUNI.
- •Ground Mounted Solar project of 279 MW capacities are awarded at different subsidiaries and 100 MW project at Gujarat. These projects are under different stages of installation and further capacity addition at vacant/mined out land parcel is being considered.
- •Approximately 43.20 MW of solar projects have been commissioned and are generating clean energy. 15 MW additional Rooftop Projects will be finalized by FY,24.

#2

#### Thermal Power Plant

#### 1x660 MW at Amarkantak (MP) – by JV of SECL & MPPGCL

- MOU signed between SECL & MPPGCL in June-2022. JV Agreement approved by Boards of SECL & CIL, and GoMP to form a JVC of MPPGCL (51%) & SECL (49%). Execution of JVA under process.
- EC granted on 01.05.23. MPPGCL has appointed NTPC as PMC. EPC Tender floated by M/s MPPGCL on 01.02.24. Bid due date on 15.04.24.

#### 2x800 MW (Phase-I) at Sundargarh (Odisha) – by MBPL, an SPV of MCL

- PPA interests received for 4000+ MW. MoU concluded APDCL (Assam) - 1200 MW. MoUs with other states under process.
- Revised Project Cost of INR 15,947 Cr. (Phase-I) approved by CIL Board. Single Window Clearance issued by HLCA of Govt. of Odisha.
- Engagement of M/s NTPC as PMC is under process.
- Tripartite Agreement among MBPL, OIPL and IDCO is under process of final approval at respective organizations for allocation of land to MBPL.

Union Cabinet, GOI has approved the above two TPP Projects on 18.01.24.

- As an alternative environment friendly green energy source, to power our mining operations, solar power generation lists high on our diversification where CIL is venturing to set up 3,000 MW renewable power capacity by 2025-26.
- During 2023-24, a total of 8.60 million units were generated till Dec,23 from solar installations commissioned at various subsidiaries
- Other than Solar initiatives, CIL will look for partners for its diversification plans.

### **Diversification – Solar Power Generation**

- Work has been awarded for execution of 379 MW SPV Solar Projects at MCL(50 MW), ECL(35 MW), NCL(50 MW), SECL(40 MW), WCL(15 MW), BCCL (25 MW & 20 MW), CCL (20 MW & 24 MW) & 100 MW Solar Plant for GUVNL. 180 MW of ground mounted solar projects and 15 MW of rooftop solar projects will be commissioned in FY 23-24.
- CIL is also participating in PAN-India Solar tenders of GUVNL, SECI etc to achieve the target of 5 GW.

CIL has entered in an MOU with Rajasthan Rajya Vidyut Utpadan Nigam Ltd to develop Solar Power Project at Solar Park, Distt.- Bikaner, Rajasthan.

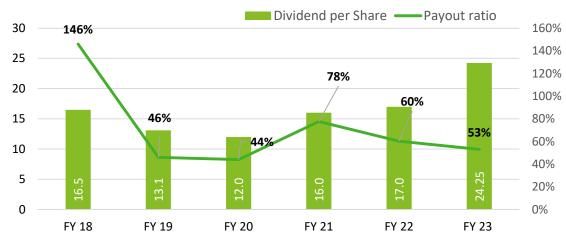

CIL is implementing energy efficiency measures for Carbon reduction for CIL and its subsidiaries. i.e. Decentralized Solar Program(rooftop and ground mounted), Electric Vehicles, EV Charging Infrastructure, Smart meters, Building Energy Efficiency Programs etc.

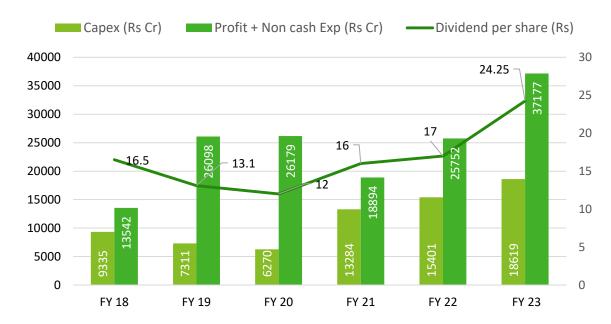

### **Maximizing Shareholder Value and Returns**

# Payout ratio is calculated as ratio of Dividend Declared to PAT.

# CIL intends to payout maximum dividend post capex out of the cash profits

- CIL is regularly paying considerable dividend to its shareholders.
- CIL intends to pay free cash flow after capex as dividends annually.
- CIL intends to incur capex according to the demand growth in the long-term.
- FY 22-23 capex is ~INR 18,619 crore against target of INR 16,500 crore & 9M FY 23-24 capex is Rs. 13,441 crore (Prov.). Target for FY 23-24 is INR 16,500 crore.
- Since IPO CIL has paid more than Rs. 1,52,300 Crores as Dividend.#

#### What should Investors expect?

- ✓ Sustained volume growth
- Good disclosures and compliances as per global standards
- ✓ Transparent payout policy
- Action on green commitments

# Coal India's Commitment on Carbon Emission and Climate Change

Despite absolute growth in India's demand for coal, Coal India is committed to support India's journey to achieve its Intended Nationally Determined Contributions (INDCs) by 2030 and utilize the opportunity to devise our own journey towards becoming a net zero company.

What does 'Net Zero Emissions' mean for Coal India?

- CIL is a producer of coal and not an end user
- CIL's emissions footprint during production and transportation of coal, energy usage and adverse environmental impact due to mining of coal are the negative contributors
- Positive contributing factors emission reduction through mechanized evacuation, cleaner transportation, reducing energy and water consumption, clean coal technologies, focus on renewables, enhancing green cover etc.
- CIL strives to achieve a 'Net Zero' sum of negative and positive contributing factors at the earliest

# **Carbon Emission and Climate Change – Coal India's Objectives**

Support and contribute towards India's INDCs to reduce emissions

Reduce emissions in the most cost effective manner while ensuring India's energy security

Coal India's Objectives

Expedite move towards better, environmentally-friendlier mining, clean coal technologies and renewables

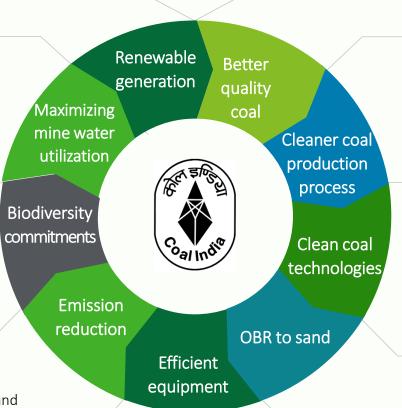

Continue to responsibly play our role as provider of reliable, competitive, efficient, safe and secure domestic fuel source for growth of India's industries and for baseload power generation

# Carbon Emission and Climate Change – How CIL aims to contribute and move towards a 'Net Zero Emission' Company

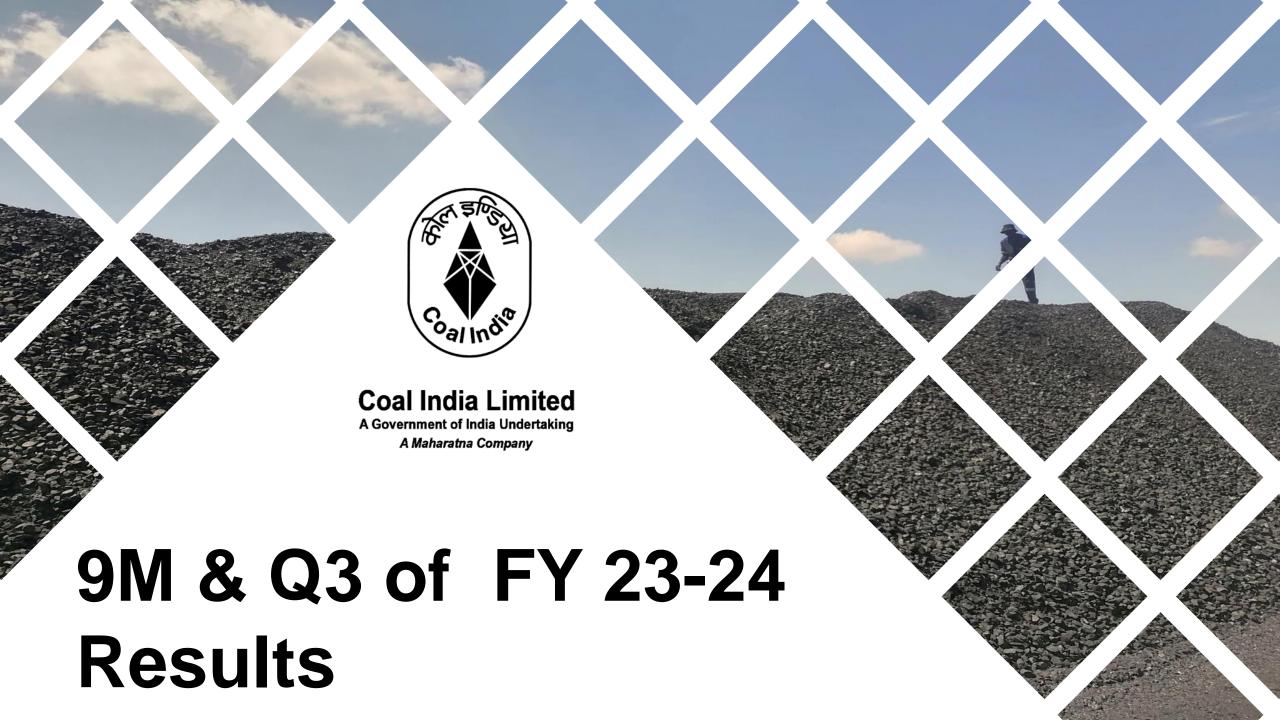

- Both for captive and non-captive power requirement. Aim at 3 GW of RE capacity by FY 25-26.
- Utilize mine water more efficiently.
- More than 2691 Lakh KL mine water has been shared for community use in FY 2022-23.
- In 9M of 2023-24, 2096.8 lakh KL water has been supplied for community use
- Additionally, 1081 Lakh KL mine water has been offered to State of Jharkhand.
- Enhancing green cover at all locations to counter negative impact on environment
- Plantation has been carried over 1613 Ha in FY 2022 23 against the annual target of 1510 Ha
- In 9M of 2023-24, CIL has carried out plantation over 2298.01 Ha against the target of 1820 Ha land area
  - Control of CO<sub>2</sub> emission from operations.
  - Massive Plantation in and around mining areas
  - Adoption of new technology for coal production and dispatch of coal

- Enhancing coal production through Surface Miner Technology. Washing/ De-shaling of coal.
- FMC projects, coal evacuation by conveyor belts and transportation through railways to minimize particulate matter and exhaust gases, reducing carbon footprint and water usage.
- Closing unviable mines with lower quality coal
- Coal gasification
- Coal-to-liquid
- Coal mine methane
- Coal bed methane
- Coal washeries

- Optimize over burden usage
- Prevent mining / dredging of nearby rivers
- Investment in procuring machines which are more efficient and productive, having lower carbon footprint

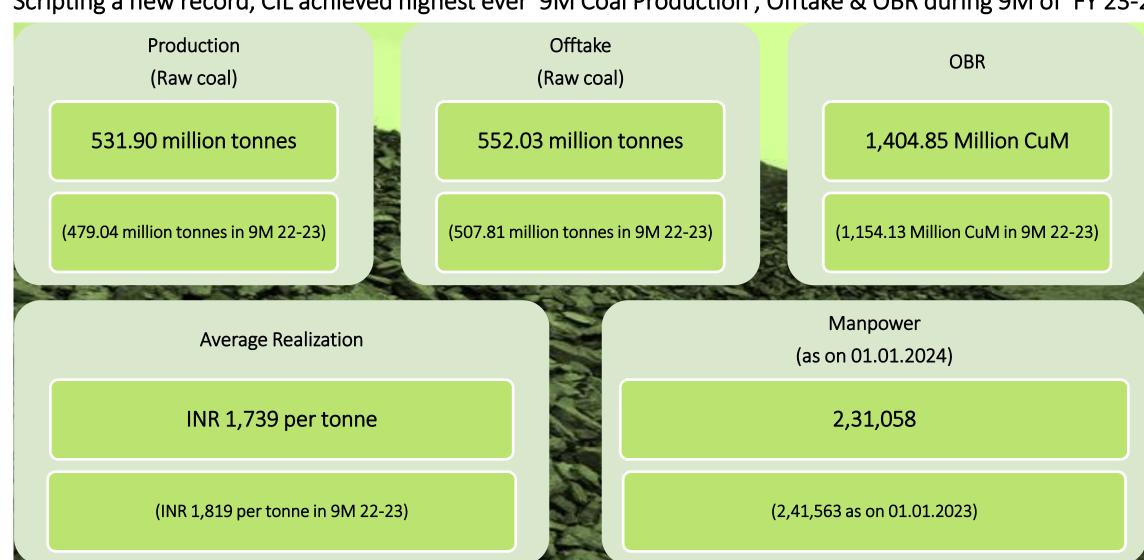

### 9M 23-24 Operational Highlights

### Strong performance on all fronts

Scripting a new record, CIL achieved highest ever 9M Coal Production, Offtake & OBR during 9M of FY 23-24

### 9M 23-24 Financial Highlights

### Highest ever 9M Profit, Revenue from Operations & Net Sales in 9M 23-24.

### **ESG – Committed to continuous improvement**

#### **Environment initiatives**

- Coal evacuation and FMC projects will help reduce air pollution and environmental impact.
- Mine closure plan is an integral part of the project report for Coal mines, which also forms a part of the EIA/EMP.
- All opencast mines as per their EC Conditions have commissioned effluent treatment plants.
- CIL's efforts to make water available to communities around its mining areas benefited more than 11.1 Lakh people in 2022-23 which has increased to 11.62 Lakh in 9M of 2023-24.
- In order to become Net Zero Energy company CIL proposes to execute Solar Projects to generate 3 GW of solar energy.

#### Social initiatives

- Risk assessment based Safety Management Plan (SMP) have been prepared in mines.
- Risk assessment based Standard Operating Procedures (SOPs) have framed for various operations of mines.
- Safety Audit of mines for FY 2023-24 are in progress.
- Video Clips / Short Animation Films on Mine Accidents, Best Safety Practices and Do's & Don'ts on Mine Safety prepared and shared amongst employees for enhancing safety awareness.
- Personal Safety Counselling/Family counselling/Safety Drive/Safety Campaign/Health Counselling and camp are being regularly organized.
- More than Rs. 4,800 cr. cumulative expenditure booked in CSR since FY16 (Rs. 586.50 cr. in FY 22-23).
- Major focus on National Priority Themes such as Healthcare & Nutrition, Education & Livelihood, Rural Development and Disaster Management.
- Focus on peripheral areas at least 80% fund is spent within 25 kms. of mines as per policy

#### Governance initiatives

- With an objective of becoming an efficient and modern dynamic organization, CIL has deployed SAP ERP System in CIL and its Subsidiaries.
- CIL adheres to all regulatory norms and meets the necessary compliances. Before operationalizing of any new project, CIL ensures that necessary clearances (including environmental clearances and forest clearances) have been obtained.

Environmental issues include company's commitment on afforestation, reducing energy use, waste, pollution and conservation of natural resources especially land, forests etc.

Social issues include company's business relationships with suppliers, customers, stakeholders, local community and working conditions for its employees - their health & safety.

Governance issues includes accurate and transparent accounting methods, listening to stockholder's opinions, refraining from contribution for undue favourable treatment and abhorrence of illegal practices.

### **Environmental Highlights**

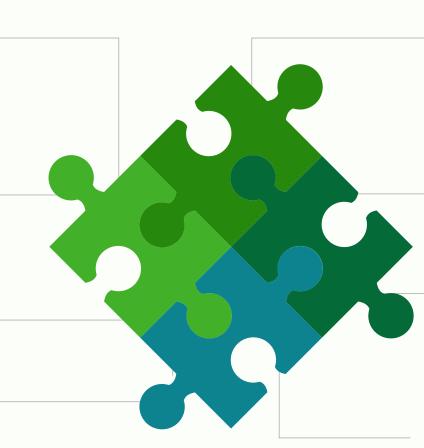

2691 Lakh KL mine water has been shared for community use in 2022-23. In 9M of 2023-24, 2096.8 Lakh KL water has been supplied for community use.

Irrigated 857 villages with more than 11.62 Lakh beneficiaries in 9M of FY 2023-24.

Added 2 no. of Eco Parks in 9M of FY 2023-24 making the total to 32 no. of Eco-Parks & Eco-Tourism Projects.

In FY 2022-23, out of discharged 5,974.6 Lakh KL, 92.44% water was utilized for own use and community use and remaining 7.56% is retained for future use and ground water recharging.

CIL is developing 3,000 MW solar power projects by FY 25-26.

465 Rainwater harvesting projects

being built in four phases. Nine (09) FMC Projects of 127 MTPA capacity have been commissioned till date. Additional 10 FMC Projects are scheduled to be

75 FMC Projects of 837.5 MTY capacity is

commissioned in FY 23-24.

In 9M of FY 2023-24, plantation has been carried out in more than 2298.01 Ha against the target of 1820 Ha land area.

### **Social and CSR Initiatives**

#### Social Highlights

19,397 Female employees working in CIL and its Subsidiary companies

1:1 Remuneration at CIL for Women & Men, focusing on gender equality

#### CSR Goals

Good Health & Well Being

Decent work & Economic growth

Clean Water & Sanitation

No Poverty

Gender Equality

Reduce Inequality

**Quality Education** 

Ensuring affordability of healthcare by improving Healthcare infrastructure in remote areas and providing last mile healthcare services

Rural development initiatives by construction of bridges/culverts/roads to improve connectivity and ensuring water supply/sanitation

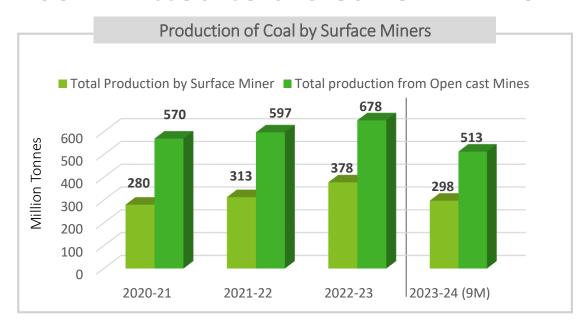

Enhancing accessibility of quality education and skill development to improve learning outcome and livelihood opportunities

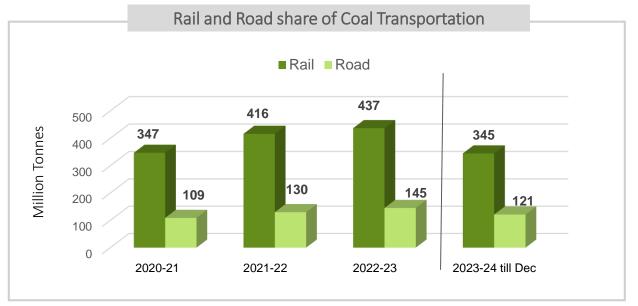

Promotion of sports, Disaster management & relief and environmental sustainability are other focus themes

### **Committed to a Cleaner Environment**

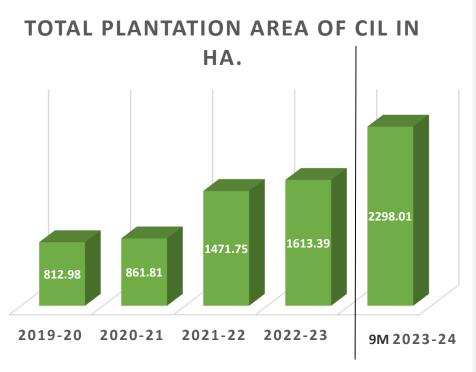

#### Details of subsidiary-wise Solar installations

Subsidiary & Location	Type of Solar Installation	<b>Installed Solar Projects</b>		
ECL	Roof-top Solar	1046 kWp		
BCCL	Roof-top Solar	1310 kWp		
CCL	Roof-top Solar	1247.5 kWp		
WCL	Roof-top Solar	2000 kWp

Serious injury rate (per MT of coal production)	0.16	0.15	0.13	0.10	0.09	0.06

### Corporate Social Responsibility - Major activities being implemented in FY 23-24

# **Notable CSR Initiatives in recent years**

MCL has constructed Mahanadi Institute of Medical Sciences & Research (MIMSR) at Talcher, Angul district, Odisha which is a 500 bedded hospital cum 100 seater medical college. The hospital has been dedicated to the nation on 8<sup>th</sup> Dec. 2023 by Hon'ble CM of Odisha.

Different subsidiaries of CIL have provided 1200 nos. of smart class equipment in different govt. schools located in their operational districts to enhance the learning experience and outcome of the students. CIL Board has approved a project on 29.12.23 to provide smart classrooms and ICT labs in higher secondary schools in 11 districts of Jharkhand at an estimated cost of Rs. 27.08 cr.

During FY 22-23, CIL covered 11,816 beneficiaries under its 'Skill Development' initiatives. In FY 23-24, CIL has planned to cover 8,000 more beneficiaries in employment/income generation oriented skilling initiatives. CIL Board has approved a project on 29.12.23 to set up one Multi Skill Development Institute (MSDI) in each subsidiary. Each MSDI will cost Rs. 3 to 4 cr.

CIL has constructed border road in Chamoli district, Uttarakhand which is connecting 'Mana' the last village of India on China border with the rest of India.

# Notable CSR Initiatives in recent years (Contd...)

CIL is supporting 29 aspirational districts under the 'Transformation of Aspirational Districts' programme. During the last 5 FY, a total of Rs. 644 cr. have been spent in these districts under CSR. 3 districts (Sonbhadra (UP), Simdega and Ranchi (both in Jharkhand) are among the top 20 district showing highest % improvement in development indicators as per 'Champions of Change' dashboard of NITI Aayog.

CIL has supported high-end medical infrastructure in different hospitals in and around Kolkata. These include — Patient home near Tata Medical Centre, Radiotherapy unit at Saroj Gupta Cancer Centre, Mammography equipment at Tata Medical Centre and Neurosurgery equipment at Institute of Neurosciences.

CCL in association with Govt. of Jharkhand is running a sports academy in Ranchi for identification and grooming of sports talents from Jharkhand. Along with sports education, formal schooling with accommodation and food is provided to the cadets.

NCL is constructing a school for providing quality education to differently-abled students in Singrauli, Madhya Pradesh. The school will benefit 100 students at a time and will have a hostel facility for 50 students.

# Notable CSR Initiatives in recent years (Contd...)

Thalassemia Bal Sewa Yojana (TBSY) is a first of its kind CSR project under which CIL has joined hands with 11 major hospitals of the nation under the guiding framework of Ministry of Health & Family Welfare, Govt. of India to provide ₹ 10 lakh per BMT of eligible Thalassemia and Aplastic Anemia patients. 3<sup>rd</sup> phase of the scheme has been launched in May 2023 along with a portal to make the process quick and easy. The scheme has crossed the milestone of 450 beneficiaries recently.

CIL is supporting Centre for Technology Alternatives for Rural Areas (CTARA), IIT-Bombay for pilot scale up of 15 technologies in CIL's operational districts and aspirational districts. Till date, 5 technologies have been supported. The inauguration of solar powered Distillation system for extracts of Medicinal & aromatic plants in Nagpur was held recently.

Comprehensive Community Development Programme (CCDP) Utthan project of MCL for 8,000 families in MCL command districts is creating additional income through Agro-forestry and backyard poultry. Existing participants have started earning from intercropping to the scale of ₹ 20,000-30,000 a year. Further, carbon sequestration potential from the plantation is offering added environmental benefit.

CIL and CCL successfully organized a CSR conclave "Re-engineering CSR" at Ranchi on 25<sup>th</sup> – 26<sup>th</sup> April 2023. Six thought leaders shared their valuable insights with the audience. Two fruitful panel discussion and a brainstorming session was held. In addition, notable CSR initiatives of subsidiaries was showcased through an exhibition. About 300 participants attended the event which included top management and senior executives of the company, CSR executives from all across CIL and students of reputed colleges such as IIM.

### Initiatives to mitigate COVID - 19

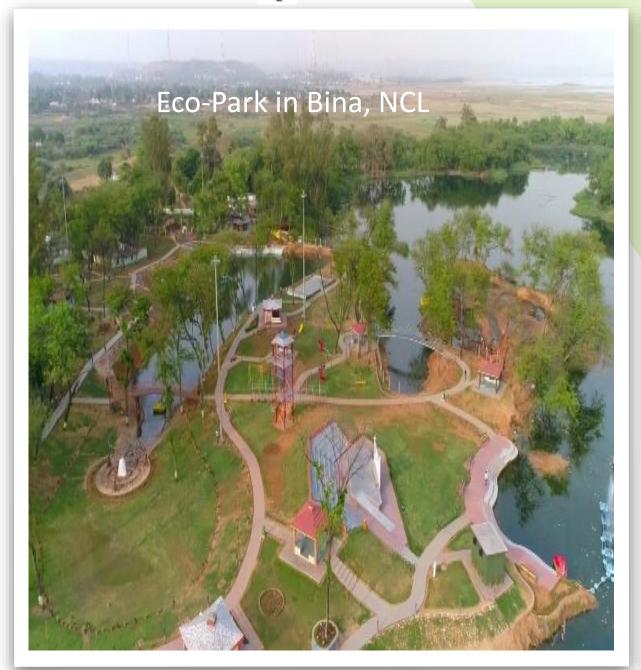

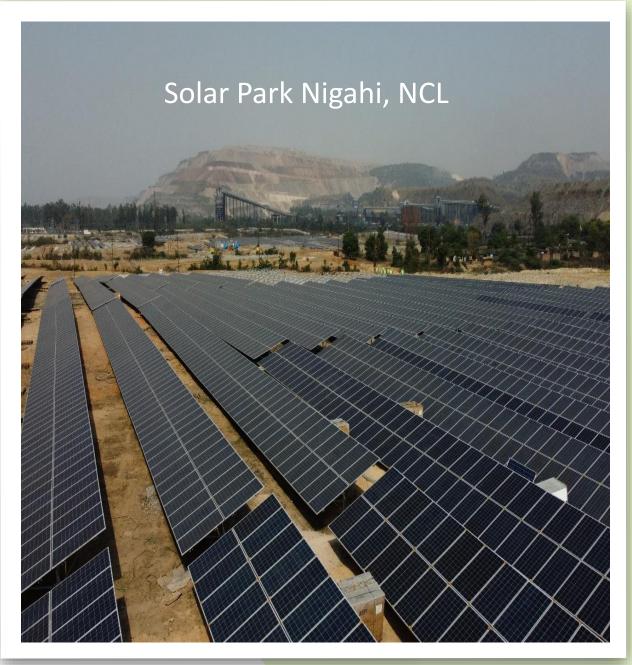

- CIL and subsidiaries have spent Rs. 734 cr. in total on COVID-19 relief during FY 19-20 to FY 21-22
- CIL had contributed Rs. 221 crores to PM-CARES fund for supporting COVID-19 relief measures.
- In addition, Rs. 90 crores in total have been contributed to the disaster management authorities/relief funds of West Bengal, Maharashtra, Chattisgarh, Madhya Pradesh and Jharkhand.
- 31 medical oxygen plants with a total outlay of Rs. 45.93 cr. set up under "Mission Praan Vayu" in FY 21-22.
- MCL has funded a 1250 bed COVID hospital in Bhubaneswar for COVID treatment and a 150 bed hospital at Talcher.
- ECL has set up **200 bedded COVID hospital** at Godda, Jharkhand
- SECL has converted Govt. hospitals of Bilaspur & Ambikapur into 100 bedded COVID treatment centers with testing labs
- NCL has provided 50 ambulances in Uttar Pradesh
- CIL has converted 100 general beds into ICU beds at Karnataka Institute of Medical Sciences (KIMS), Hubbali, Karnataka
- Over **5.5 lakh food packets, over 19.5 lakh masks and over 84,000 liters of hand sanitizers** have been distributed during the pandemic
- CIL and SECL together have handed over **111 Ice Lined Refrigerators**, **121 Deep Freezers**, **1 Walk-in Freezer and 2 refrigerated trucks** in total to the Govt. of West Bengal, Chattisgarh and Meghalaya to help transport COVID-19 vaccines.

# **ENVIRONMENTAL HIGHLIGHTS**

# **Environmental Highlights**

- CIL undertook extensive plantation along avenues, on OB dumps, around mines & residential colonies to maintain the ecological balance in & around its operations.
- BCCL, CCL, MCL, NCL have developed Miyawaki forest in their command area covering 1.7 Ha, 1.5 Ha, 6 Ha and 3.2 Ha land respectively till Q3 in FY 2023-24. This technique involves planting dozens of native species in the same area which results in 30 times denser than usual, 10-time quicker growth.
- CIL has always endeavored to create an ecological balance in and around its operations. In an effort to become a valuable part of the ecosystem, CIL has developed 32 Ecological Parks/Mine Tourism/Eco-Restoration sites till Q3 of FY2023-24.
- During FY2022-23, three (03) no. of Eco Parks have already been developed. During 9M of FY 2023-24, 02 no. of eco parks have been developed.
  - CIL has planned to develop 39 Eco- parks within the 5 years period from FY 2021-22 to FY 2025-26.
- SECL transformed its abandoned quarry no. 6 of its Bishrampur open cast mine into a pisciculture and water sports centre. It has not only created livelihood for local people from pisciculture, boating and running of the restaurant but also enriched the ecology and surrounding biodiversity.
