Safe Harbor Statement

Certain statements in this release concerning our future prospects are forward-looking statements. Forward-looking statements by their nature involve a number of risks and uncertainties that could cause actual results to differ materially from market expectations. These risks and uncertainties include, but are not limited to our ability to manage growth, intense competition among Indian and overseas IT Products companies, various factors which may affect our cost advantage, such as wage increases or an appreciating Rupee, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Intellect Design Arena has made strategic investments, withdrawal of governmental fiscal incentives, political instability, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry.

Intellect Design Arena may, from time to time, make additional written and oral forward-looking statements, including our reports to shareholders. These forward-looking statements represent only the Company's current intentions, beliefs or expectations, and any forward-looking statement speaks only as of the date on which it was made. The Company assumes no obligation to revise or update any forward-looking statements.

Our Purpose

To provide Large Enterprise Grade Composable and Contextual solutions driving higher business growth, reducing cost and risk on sustainable basis.

Management Observations

Key observations from Arun Jain, CMD and Venkat Saranu, CFO

Management Observations

Arun Jain, Chairman and Managing Director

“Our calibrated yet market leadership journey in Fintech continues to drive 25% annualised growth in Revenues and 33% growth in profits. All the four levers - Product to platform journey, Selected partnership strategy, Large to Mega Digital deal winning and enterprise wide Digital transformation implementations bring joy and fulfillment to all Intellect leaders.

Venkateswarlu Saranu, Chief Financial Officer

The power of design thinking is driving better and faster deliveries resulting into higher cash quarter on quarter with net cash of 558 Cr. All the 5 financial metrics have grown handsomely during the year - Revenue, Ebitda, Cash, PAT and EPS. Intellect lost a multiyear, multi million dollar Digital Transformational deal for Intellect Digital Core with a Russian Bank in Germany, owing to the ongoing crisis in Ukraine. Intellect was awarded the deal, however contracting could not proceed owing to the outbreak of the conflict.
