Disclaimer

This presentation and the accompanying slides (the "Presentation"), which has been prepared by Jindal Stainless Limited/Jindal Stainless (Hisar) Limited (referred to "respective company (ies)") for this joint earning presentation, are purely for information purposes only and is not, and is not intended to be, an offer, or solicitation of offer, or invitation or recommendation or advise to buy or sell or deal with any securities of the respective companies, and shall not constitute an offer, solicitation or invitation or recommendation or advise to buy or sell or deal with any securities of the respective companies in any jurisdiction in which such offer, solicitation or invitation or recommendation or advise is unlawful or in contravention of applicable laws. No part, or all, of this Presentation shall be used or form the basis of, or be relied on or referred to in connection with, any contract or investment decision in relation to any securities of the respective companies. This Presentation is strictly informative and relating to the financial conditions, internal functioning, day to day operations, future events and projections etc. of the Company and this presentation shall not be used or relied upon or referred to in whole or in part, for any purpose whatsoever. The information in this Presentation is being provided by the respective company and is subject to change without any notice or liability. This Presentation has been prepared by the respective company based on information and data which it considers reliable, but it makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, veracity, fairness, integrity, sufficiency and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and exhaustive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded. This Presentation contains statements about future events and expectations that are forward-looking statements. These statements typically contain words such as "expects" and "anticipates" and words of similar import. Any statement in this Presentation that is not a statement of historical fact is a forward-looking statement that involves known and unknown risks, uncertainties, contingencies and other factors which may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. None of the future projections, expectations, estimates or prospects in this Presentation should be taken as forecasts or promises nor should they be taken as implying any indication, assurance or guarantee that the assumptions on which such future projections, expectations, estimates or prospects have been prepared are correct or exhaustive or, in the case of the assumptions, fully stated in the Presentation. The respective companies assume no obligations or responsibility to update the forward-looking statements contained herein to reflect actual results, changes in assumptions or changes in factors affecting these statements. You unconditionally and irrevocably acknowledge and undertake that you will be solely responsible for your own assessment of the market, the market position, the business and financial condition of the Company and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the business of the respective companies. All the risks, liabilities or consequences arising out of or consequent to the use of or reliance on or reference to this Presentation and/or acting on the basis of the analysis/views formed by you, shall be solely borne by you. This Presentation speaks as of the date mentioned herein. Neither the delivery of this Presentation nor any further discussions of the respective companies with any of the recipients shall, under any circumstances, create any implication that there has been no change in the affairs of the respective company since that date. The Merged Entity pro-forma financials have been prepared assuming the approval of the Scheme by respective authorities and are merely indicative in nature.

Enhancement of product mix through development and supply of niche value-added stainless steel grades continue to remain in focus

Process Industry

- Demand for special grades e.g. Duplex, Super Austenitic, Chequered plates used for critical application looks promising

Railways – wagons, coaches, metros

- Demand push for BOXNHL wagons has been helpful. Outlook remains positive
- Focus on Vande Bharat Trainsets and Metro coaches to continue support demand

Infrastructure

- Lifts and elevators segment has been stable with positive outlook
- Robust economic activities in infrastructure supported demand; Outlook remains positive with strong growth potential in structural applications

Automobiles

- Consistent demand
- Outlook remains stable

Pipes & Tubes

- Good demand continues
- Improved market sentiments expected going ahead
