Management Quotes

Kishor Patil, Co-founder, CEO and MD, KPIT said,” KPIT’s focus over the last 20+ years on the Mobility Industry is resulting in consistent growth and robust medium-term visibility. Q3FY23 performance has been better than expectations. Our performance, coupled with healthy pipeline and demand driven by client investments in Software Defined Vehicles, gives us confidence of beating our FY23 growth outlook. We are pleased to have the Technica family on-board KPIT and contemplate scaling greater heights together. These are exciting times, and we look forward to a sustainable profitable growth in the medium term.”

Sachin Tikekar, President and Joint MD, KPIT said,” Our engagements with Strategic Clients are progressively becoming more pertinent and partnership oriented. We are committed to investments in new-age technologies, relevant to the Mobility Industry, to further strengthen our solutions for accelerating the transformation journey of our clients. Our attention is on ensuring successful delivery of large complex engagements, that are also critical to the success of our clients. The employee turnover has shown a declining trend over last 2 quarters. We expect this trend to stay, going forward. We continue to focus on attraction, development and retention of relevant talent, across the globe.”

KPIT – Thought Leadership

Unfolding Mobility at BQ Prime's FutureToday Summit

Future Today Summit, BQ Prime explores the potential of key sectors like mobility, defence manufacturing, energy and power generation as well as digital commerce.

On 14th October, Mr Ravi Pandit graced the stage to discuss how mobility is on the cusp of an industry-defining transformation. His talk also explored the shift towards software defined vehicles.

Exchanging Perspectives and Ideas on Software-Defined Vehicle and Future of Mobility at IZB, Germany

KPIT was honored to have the opportunity to participate in the event to share our innovations with visitors from all over the world. Experts from KPIT, received overwhelming response from all, with powerful insights & new approaches to technology.

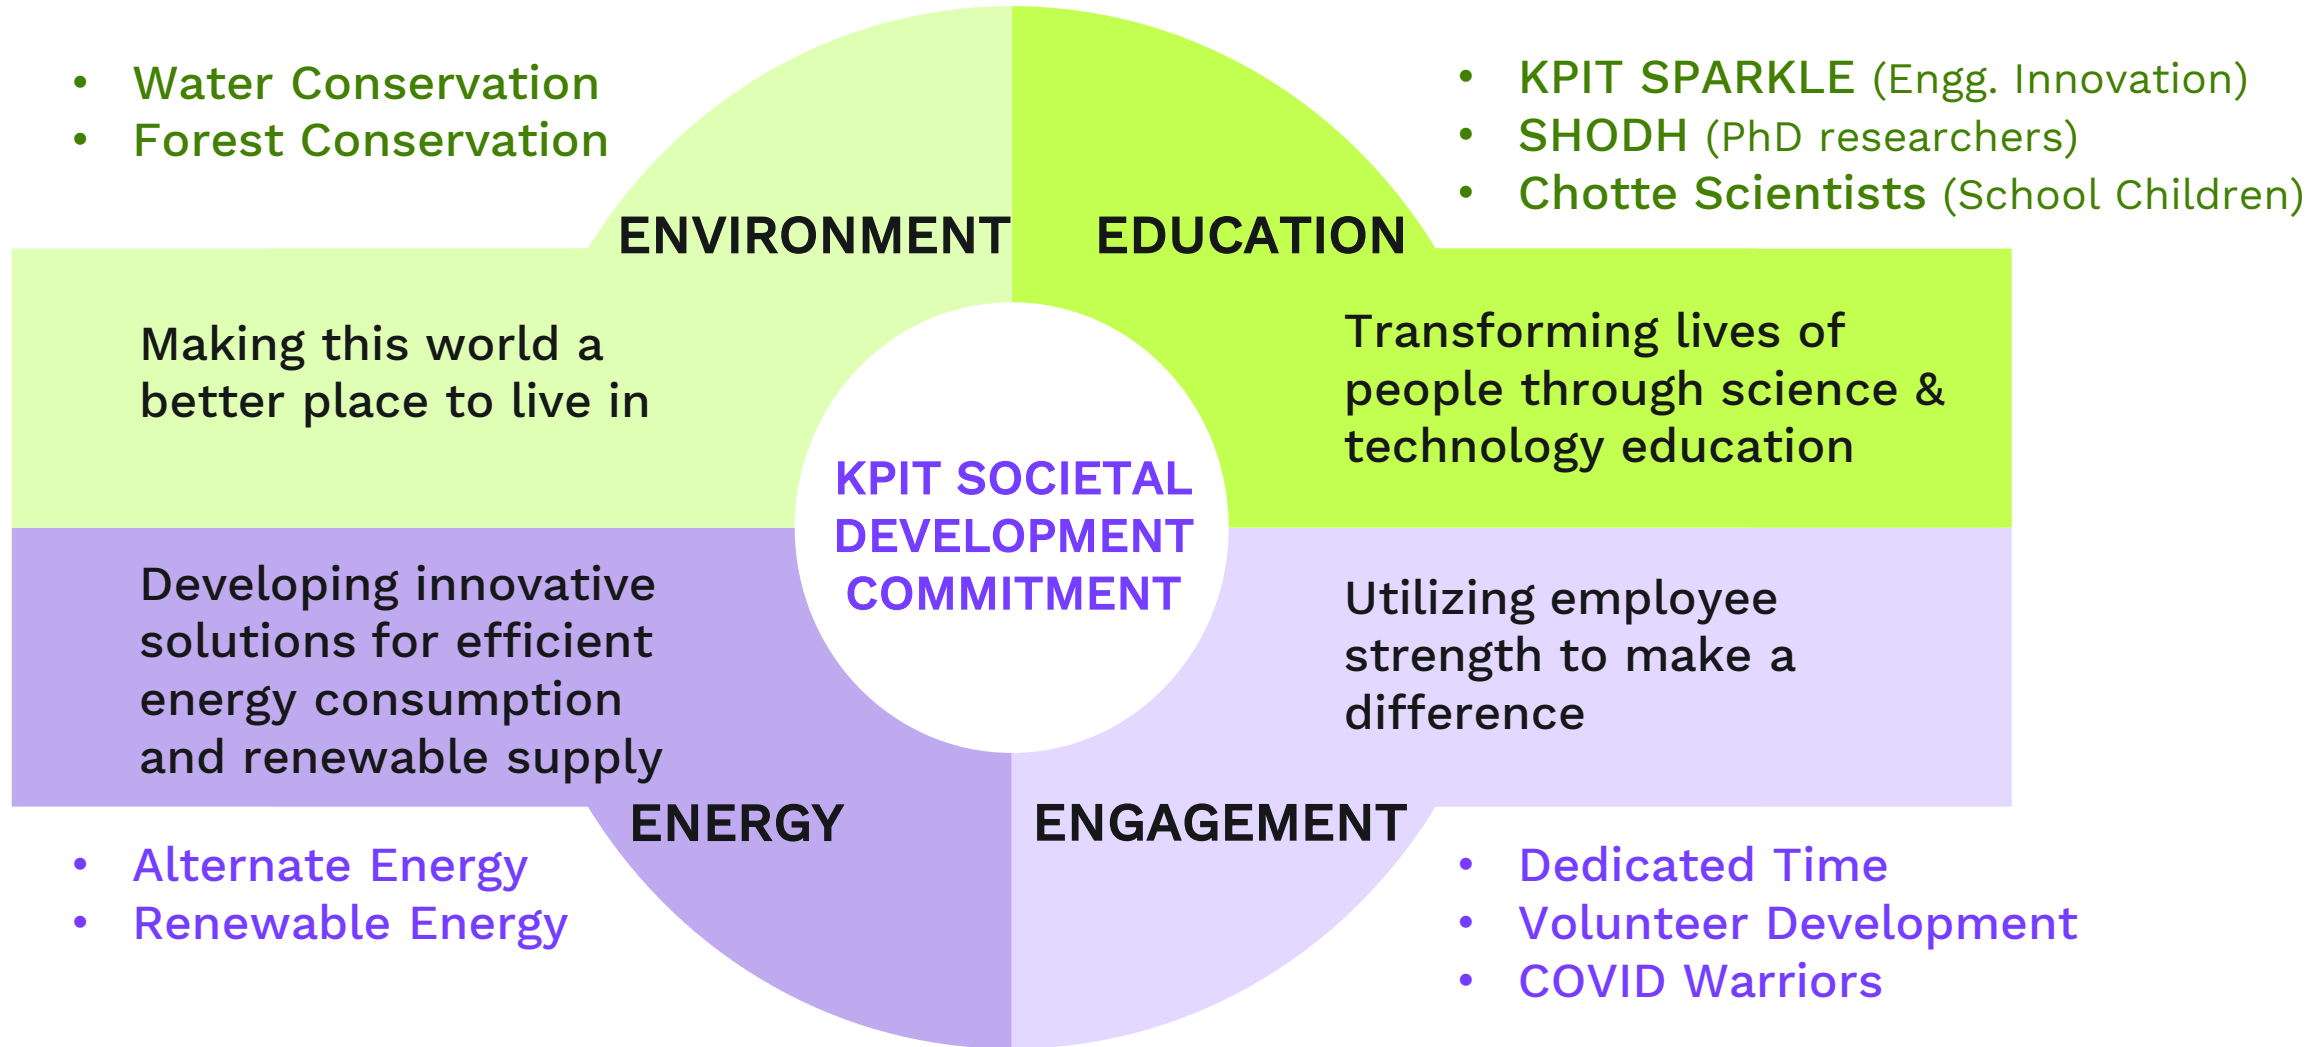

KPIT – Celebrating 20 years of partnership !!

KPIT and Cummins recently marked their 20th anniversary of partnership with celebrations at KPIT corporate office in Pune.

The evening was a memorable exchange of new ideas and thoughts, reflecting on the wonderful years of togetherness. In the last 20 years, KPIT has nurtured this relationship through technological innovation, engineering excellence, cross geography interactions & continuous learning and improvement. Together, we're paving the way towards a safer, smarter & sustainable world. And now on to many more such 20 years!

KPIT – Societal Development Commitment

KPIT is a Socially Responsible Corporate Citizen in each country it works

KPIT – KPITians from USA are helping make the world cleaner and greener

Recently, a spirited group of 40 KPITians, supported by family, made a collective difference at Yates Park in Rochester Hills, MI and the nearby Yates Cider Mill and Nature Trail.

The KPIT CSR team organized river cleaning event in partnership with the Clinton River Watershed Council Novi, Michigan. The team managed to fished out 30 bags of trash from the trail and the riverbanks.

These KPITians made it clear that their concern for the planet stretches far beyond what we do at KPIT.

KPIT – Generous donations from KPIT Thailand Employees

The CSR team at KPIT Thailand organized a donation drive recently and received an overwhelming response from KPITians in Thailand.

All the collected items were donated to the Baan Nokkamin Foundation in Thailand.

Overall, through our campaign, the team supported more than 300 children under the care of the foundation and partly some donated items will be converted into scholarships for the children.
