In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Statement:

(i) is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard except for the disclosures relating to Pillar 3 disclosure as at March 31, 2021, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank’s website and in respect of which a link has been provided in the Statement and have not been audited by us; and

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (“Act”). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the Statement, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter

We draw attention to Note 9 to the Statement which explains that the extent to which COVID-19 pandemic will impact the Bank’s operations and financial results is dependent on future developments, which are highly uncertain.

Our opinion is not modified in respect of this matter.

## **Board of Directors' Responsibility for the Standalone Financial Results**

This Statement has been compiled from the standalone annual financial statements. The Bank's Board of Directors are responsible for the preparation and presentation of this Statement that gives a true and fair view of the net profit and other financial information of the Bank in accordance with the recognition and measurement principles laid down in the Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder, the relevant provisions of the Banking Regulation Act, 1949, the RBI Guidelines and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The figures up to the end of the third quarter were only reviewed. The financial results for the year ended March 31, 2021 are audited by the statutory auditors. The audit report issued thereon is unmodified. The financial results for the year ended March 31, 2020 were audited by previous statutory auditors of the Bank.
- The Bank has followed the same accounting policies in the preparation of these financial results as those followed in the annual financial statements for the year ended March 31, 2020.
- The financial results for the quarter and year ended March 31, 2021 are arrived at after considering provision for standard assets including requirements for exposures to entities with Un-hedged Foreign Currency Exposures, Non-Performing Assets (NPAs), and depreciation on investments, income-tax and other necessary provisions.
- Payment to business correspondents for service such as sourcing of loans, servicing and collections from customers and other related services is netted off from interest earned (interest/discount on advances/bill).

- During the quarter and year ended March 31, 2021, the Bank allotted 266,602 and 847,257 shares respectively, pursuant to the exercise of stock options under its Employees Stock Option Scheme.
- The Bank considered it prudent to not propose any dividend for the year ended March 31, 2021, in light of the situation developing around COVID-19 in the country and related uncertainty that it creates.
- COVID-19 is a global pandemic, which continues to spread across the globe and has contributed to increase in volatility in financial markets and an unprecedented level of disruption on socio-economic activities. The extent to which the COVID-19 pandemic will impact the Bank's operations will depend on the future developments, which are highly uncertain.

10. In accordance with the RBI guidelines relating to 'COVID-19 Regulatory Package' dated March 27, 2020, April 17, 2020 and May 23, 2020, the Bank offered moratorium on the repayment of all instalments and / or interest, as applicable, due between March 1, 2020 and August 31, 2020 to all eligible borrowers classified as standard, even if overdue, as on February 29, 2020. The moratorium period, wherever granted, is excluded from the number of days past-due for the purpose of asset classification under RBI's Income Recognition and Asset Classification (IRAC) norms. The disclosure as required by RBI circular dated April 17, 2020 for the year ended March 31, 2021 is given below:

13. The Honourable Supreme Court (SC) in multiple writ petitions vide an interim order dated September 3, 2020 had directed Banks that the accounts which were not declared NPA till August 31, 2020 shall not be declared NPA till further orders. Basis the said interim order, the Bank did not classify any borrower account (whether granted moratorium or not) as NPA after August 31, 2020 pending disposal of the petition or further instructions. As a matter of prudence, the Bank had made additional provision in respect of these accounts which are included in the provisions (other than tax) and contingencies. Further, the Bank had not recognised the unrealised interest and fees on these accounts as income. Had the Bank classified the borrower accounts as NPA, the Bank's proforma Gross NPA ratio and proforma Net NPA ratio as at December 31, 2020 would have been 4.57 % and 2.52 % respectively.

On March 23, 2021, the Honourable SC vide its judgment in the matter of Small Scale Industrial Manufacturers Association vs. UOI & Ors. and other connected matters directed that the interim relief granted earlier to not declare the accounts of respective borrowers as NPA stands vacated. Further, RBI issued a circular dated April 7, 2021 in this regard. Accordingly, as at March 31, 2021, the Bank has followed the asset classification of borrower accounts as per the extant RBI instructions / IRAC norms.

14. In accordance with the instructions in RBI circular dated April 7, 2021 on 'Asset Classification and Income Recognition following the expiry of Covid-19 regulatory package', the Bank shall refund / adjust 'interest on interest' charged to all borrowers including those who had availed of working capital facilities during the moratorium period, irrespective of whether moratorium had been fully or partially availed, or not availed. As required by the RBI notification, the methodology for calculation of such interest on interest has recently been circulated by the Indian Banks' Association. The Bank is in the process of suitably implementing this methodology. As at March 31, 2021, the Bank has created a liability towards estimated interest relief and reduced the same from the interest income.
15. The business operations of the Bank are largely concentrated in India and for the purpose of segment reporting, the Bank is considered to operate only in domestic segment.
16. RBI Circular DBR.No.BP.BC.1/21.06.201/2015-16 dated July 01, 2015, on 'Basel III Capital Regulations' read together with the RBI circular DBR.No.BP.BC.80/21.06.201/2014-15 dated March 31, 2015 on 'Prudential Guidelines on Capital Adequacy and Liquidity Standards – Amendments' requires banks to make applicable Pillar 3 disclosures including Leverage Ratio and Liquidity Coverage Ratio (LCR) under Basel III Framework. Accordingly, such applicable disclosures have been placed on the website of the Bank which can be accessed at the following link: <http://www.rblbank.com/BaselDisclosures.aspx>. These disclosures have not been subjected to audit by the Statutory Auditors.
17. The disclosures for NPA referred to in point 17 (iv) above correspond to Non Performing Advances.
18. Previous period / year figures have been regrouped / reclassified, where necessary to conform to current period / year classification.

**Notes:**

- The above financial results are reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Bank at its meeting held at Mumbai on May 4, 2021.
- The figures of the last quarter for the current year and for the previous year are the balancing figures between audited figures in respect of the full financial year and the unaudited published year to date figures up to the third quarter. The figures up to the end of the third quarter were only reviewed. The financial results for the year ended March 31, 2021 are audited by the statutory auditors. The audit report issued thereon is unmodified. The financial results for the year ended March 31, 2020 were audited by previous statutory auditors of the Bank.
- The Bank has followed the same accounting policies in the preparation of these financial results as those followed in the annual financial statements for the year ended March 31, 2020.
- The financial results for the quarter and year ended March 31, 2021 are arrived at after considering provision for standard assets including requirements for exposures to entities with Un-hedged Foreign Currency Exposures, Non-Performing Assets (NPAs), and depreciation on investments, income-tax and other necessary provisions.
- Payment to business correspondents for service such as sourcing of loans, servicing and collections from customers and other related services is netted off from interest earned (interest/discount on advances/bill).
- Other income includes commission income from non-fund based banking activities, fees, earnings from foreign exchange and derivative transactions, profit and loss (including revaluation) from investments, and recoveries from accounts previously written off.
- The consolidated financial results of the group comprise the financial results of RBL Bank Limited and its wholly owned subsidiary RBL Finserve Limited (RFL) (formerly Swadhaar Finserve Private Limited (SFPL)).
- During the quarter and year ended March 31, 2021, the Bank allotted 266,602 and 847,257 shares respectively, pursuant to the exercise of stock options under its Employees Stock Option Scheme.
- The Bank considered it prudent to not propose any dividend for the year ended March 31, 2021, in light of the situation developing around COVID-19 in the country and related uncertainty that it creates.
- COVID-19 is a global pandemic, which continues to spread across the globe and has contributed to increase in volatility in financial markets and an unprecedented level of disruption on socio-economic activities. The extent to which the COVID-19 pandemic will impact the Bank's operations will depend on the future developments, which are highly uncertain.

11. In accordance with the RBI guidelines relating to 'COVID-19 Regulatory Package' dated March 27, 2020, April 17, 2020 and May 23, 2020, the Bank offered moratorium on the repayment of all instalments and / or interest, as applicable, due between March 1, 2020 and August 31, 2020 to all eligible borrowers classified as standard, even if overdue, as on February 29, 2020. The moratorium period, wherever granted, is excluded from the number of days past-due for the purpose of asset classification under RBI's Income Recognition and Asset Classification (IRAC) norms. The disclosure as required by RBI circular dated April 17, 2020 for the year ended March 31, 2021 is given below:

	Particulars	Amount in ₹ lacs

12. In accordance with Resolution Framework for COVID-19 announced by RBI on August 6, 2020, the Bank has implemented a one-time restructuring for certain eligible borrowers and such borrowers are classified as Standard and has made required provisions, in accordance with the above framework. Details of resolution plan implemented under the Resolution Framework for COVID-19-related Stress as per RBI circular dated August 6, 2020 are given below.

\*\*\* the Bank holds provision of Rs. 10,327 lacs on all accounts where resolution plan is implemented as at March 31, 2021 as per Resolution Framework for Covid-19 related stress

13. RBI Circular DOR.No.BP.BC.62/21.04.048/2019-20 dated April 17, 2020 required disclosure of number of accounts and amount involved in those accounts where the Resolution Period (RP) was extended. As of March 31, 2021, the Bank has not extended RP timelines for any borrower.

14. The Honourable Supreme Court (SC) in multiple writ petitions vide an interim order dated September 3, 2020 had directed Banks that the accounts which were not declared NPA till August 31, 2020 shall not be declared NPA till further orders. Basis the said interim order, the Bank did not classify any borrower account (whether granted moratorium or not) as NPA after August 31, 2020 pending disposal of the petition or further instructions. As a matter of prudence, the Bank had made additional provision in respect of these accounts which are included in the provisions (other than tax) and contingencies. Further, the Bank had not recognised the unrealised interest and fees on these accounts as income. Had the Bank classified the borrower accounts as NPA, the Bank's proforma Gross NPA ratio and proforma Net NPA ratio as at December 31, 2020 would have been 4.57 % and 2.52 % respectively.

On March 23, 2021, the Honourable SC vide its judgment in the matter of Small Scale Industrial Manufacturers Association vs. UOI & Ors. and other connected matters directed that the interim relief granted earlier to not declare the accounts of respective borrowers as NPA stands vacated. Further, RBI issued a circular dated April 7, 2021 in this regard. Accordingly, as at March 31, 2021, the Bank has followed the asset classification of borrower accounts as per the extant RBI instructions / IRAC norms.

15. In accordance with the instructions in RBI circular dated April 7, 2021 on 'Asset Classification and Income Recognition following the expiry of Covid-19 regulatory package', the Bank shall refund / adjust 'interest on interest' charged to all borrowers including those who had availed of working capital facilities during the moratorium period, irrespective of whether moratorium had been fully or partially availed, or not availed. As required by the RBI notification, the methodology for calculation of such interest on interest has recently been circulated by the Indian Banks' Association. The Bank is in the process of suitably implementing this methodology. As at March 31, 2021, the Bank has created a liability towards estimated interest relief and reduced the same from the interest income.
16. The business operations of the Bank are largely concentrated in India and for the purpose of segment reporting, the Bank is considered to operate only in domestic segment.
17. RBI Circular DBR.No.BP.BC.1/21.06.201/2015-16 dated July 01, 2015, on 'Basel III Capital Regulations' read together with the RBI circular DBR.No.BP.BC.80/21.06.201/2014-15 dated March 31, 2015 on 'Prudential Guidelines on Capital Adequacy and Liquidity Standards – Amendments' requires banks to make applicable Pillar 3 disclosures including Leverage Ratio and Liquidity Coverage Ratio (LCR) under Basel III Framework. Accordingly, such applicable disclosures have been placed on the website of the Bank which can be accessed at the following link: <http://www.rblbank.com/BaselDisclosures.aspx>. These disclosures have not been subjected to audit by the Statutory Auditors.
18. The disclosures for NPA referred to in point 21 (iv) above correspond to Non Performing Advances.
19. Previous period / year figures have been regrouped / reclassified, where necessary to conform to current period / year classification.

Commenting on the performance Mr. Vishwvir Ahuja, MD & CEO, RBL Bank said “We have dealt with the impact of the COVID pandemic fairly satisfactorily in as much as we have taken several steps to strengthen the franchise, by building strong capital buffers, deepening and expanding the deposit base, granularising and improving the quality of the balance sheet, maintaining Net NPAs at satisfactory levels, similar to last year, while maintaining overall profitability. All this should hold us in good stead as we enter FY22. We continue to invest in the franchise and are adding growth engines in retail and digital to supplement our market leading franchises. We are closely monitoring the pandemic and impact on the economy and remain cautiously optimistic of a growth revival as the situation normalises “
