-  Clearview Analytics

In line with our stated strategic priorities

Announcing the acquisition of Capital Foods and Organic India...

Acquisition of Capital Foods

- ✓ Market leading brands; Ching's Secret synonymous with Desi-Chinese with Pan-India appeal
- ✓ Caters to fast growing “in-home” consumption of non-Indian cuisines
- ✓ Significant addition to the pantry platform with high gross margin categories (~50% gross margin)

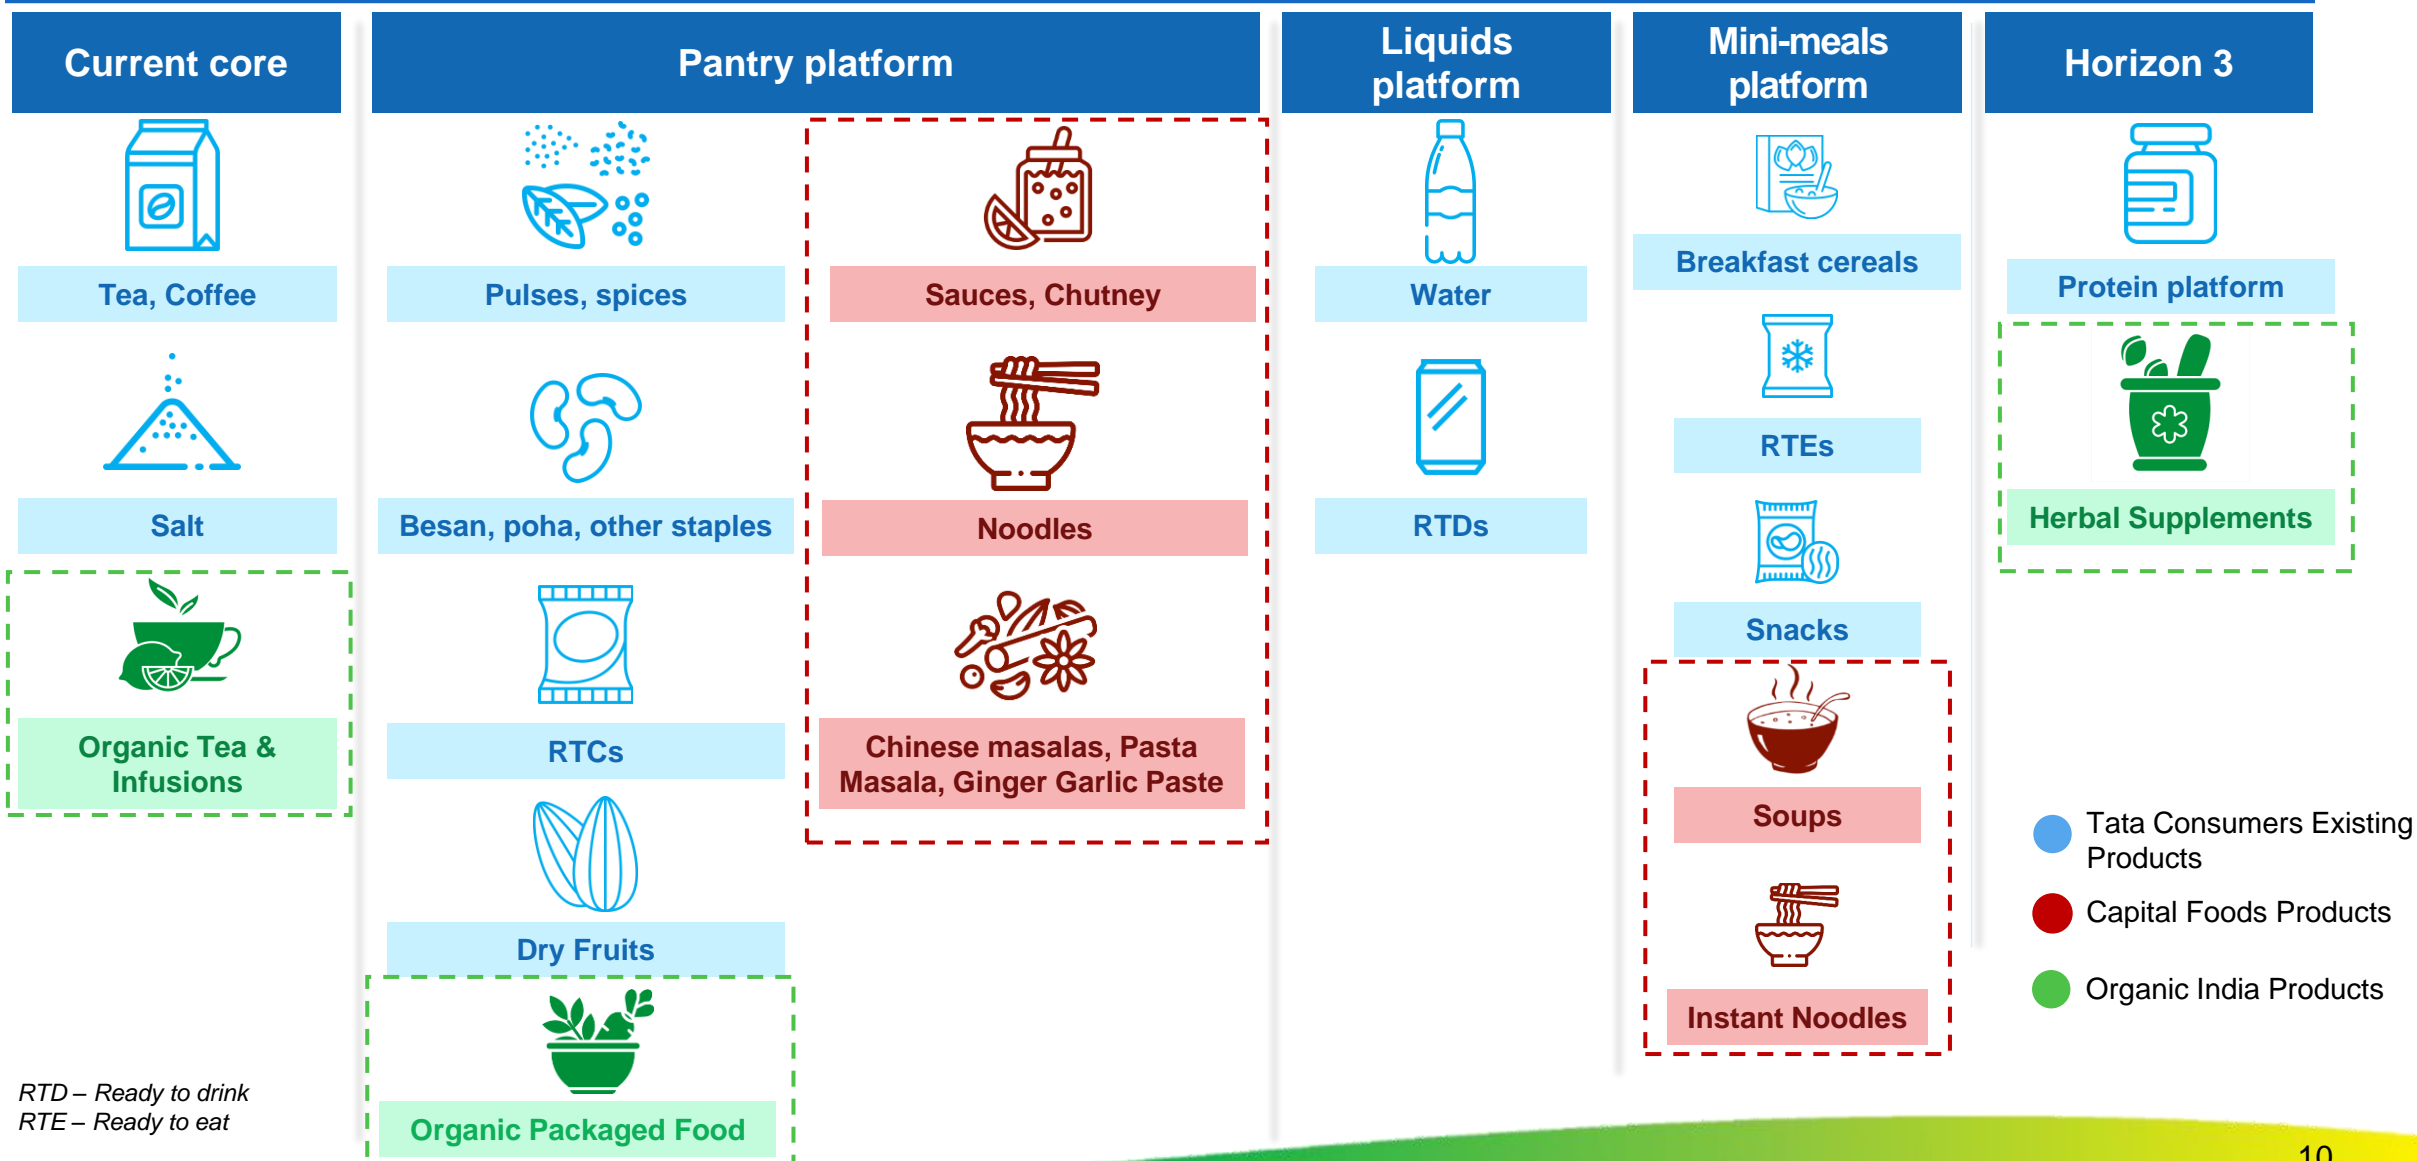

Acquisition of Organic India

- ✓ Leading “better for you” organic brands
- ✓ Opportunity to become a formidable player in herbal infusions, and herbal & traditional supplements
- ✓ Expands Total Addressable Market in fast-growing and high gross margin categories (55%+), and expand into other nutrition categories

Massive potential to drive synergies by leveraging Tata Consumer’s distribution network, increasing scale along with scope to deliver significant operating efficiencies

...which add strong complementarity to Tata Consumer's F&B platforms and fill stated whitespaces...

...and turbocharge our progress towards becoming a premium F&B platform...

What we are/have

✓ Portfolio of market leading F&B brands

✓ Strong momentum in expansion of S&D network

✓ Potential to deliver steady growth over the medium-to-long term

✓ Mid-teens EBITDA margin

✓ A strong innovation backbone with state-of-the-art R&D facilities

What we become

✓ A formidable F&B platform with offerings across the entire gamut of Packaged Foods across cuisines, and “better-for-you” products

✓ Potential to drive superior double-digit growth over the medium-to-long-term leveraging existing back-end and front-end infrastructure

✓ Strong portfolio of high margin products

✓ Significant scope to improve gross margin and EBITDA margin in the short-to-medium term

✓ Powerful umbrella brands that can nurture innovative and emerging product categories

02

Capital Foods

Unique platform that is synonymous with the largest single cuisine block in India...

Market Leader in Desi Chinese across product categories

Created Schezwan Chutney market

#1 brand in Ginger Garlic Paste (“GPP”)

Umbrella platform brands with a **diverse portfolio of unique products** for “in-home” consumption

FY24E: ~INR 936/750 Cr Gross/Net revenue; ~50% GM; 20%+ EBITDA Margin

Fast-growing F&B player: 20% CAGR in Net Revenue (FY20-23), improving EBITDA margin, with scope to drive further expansion

Scalable manufacturing capabilities: three owned plants and four 3P plants with significant scope for higher levels of utilization

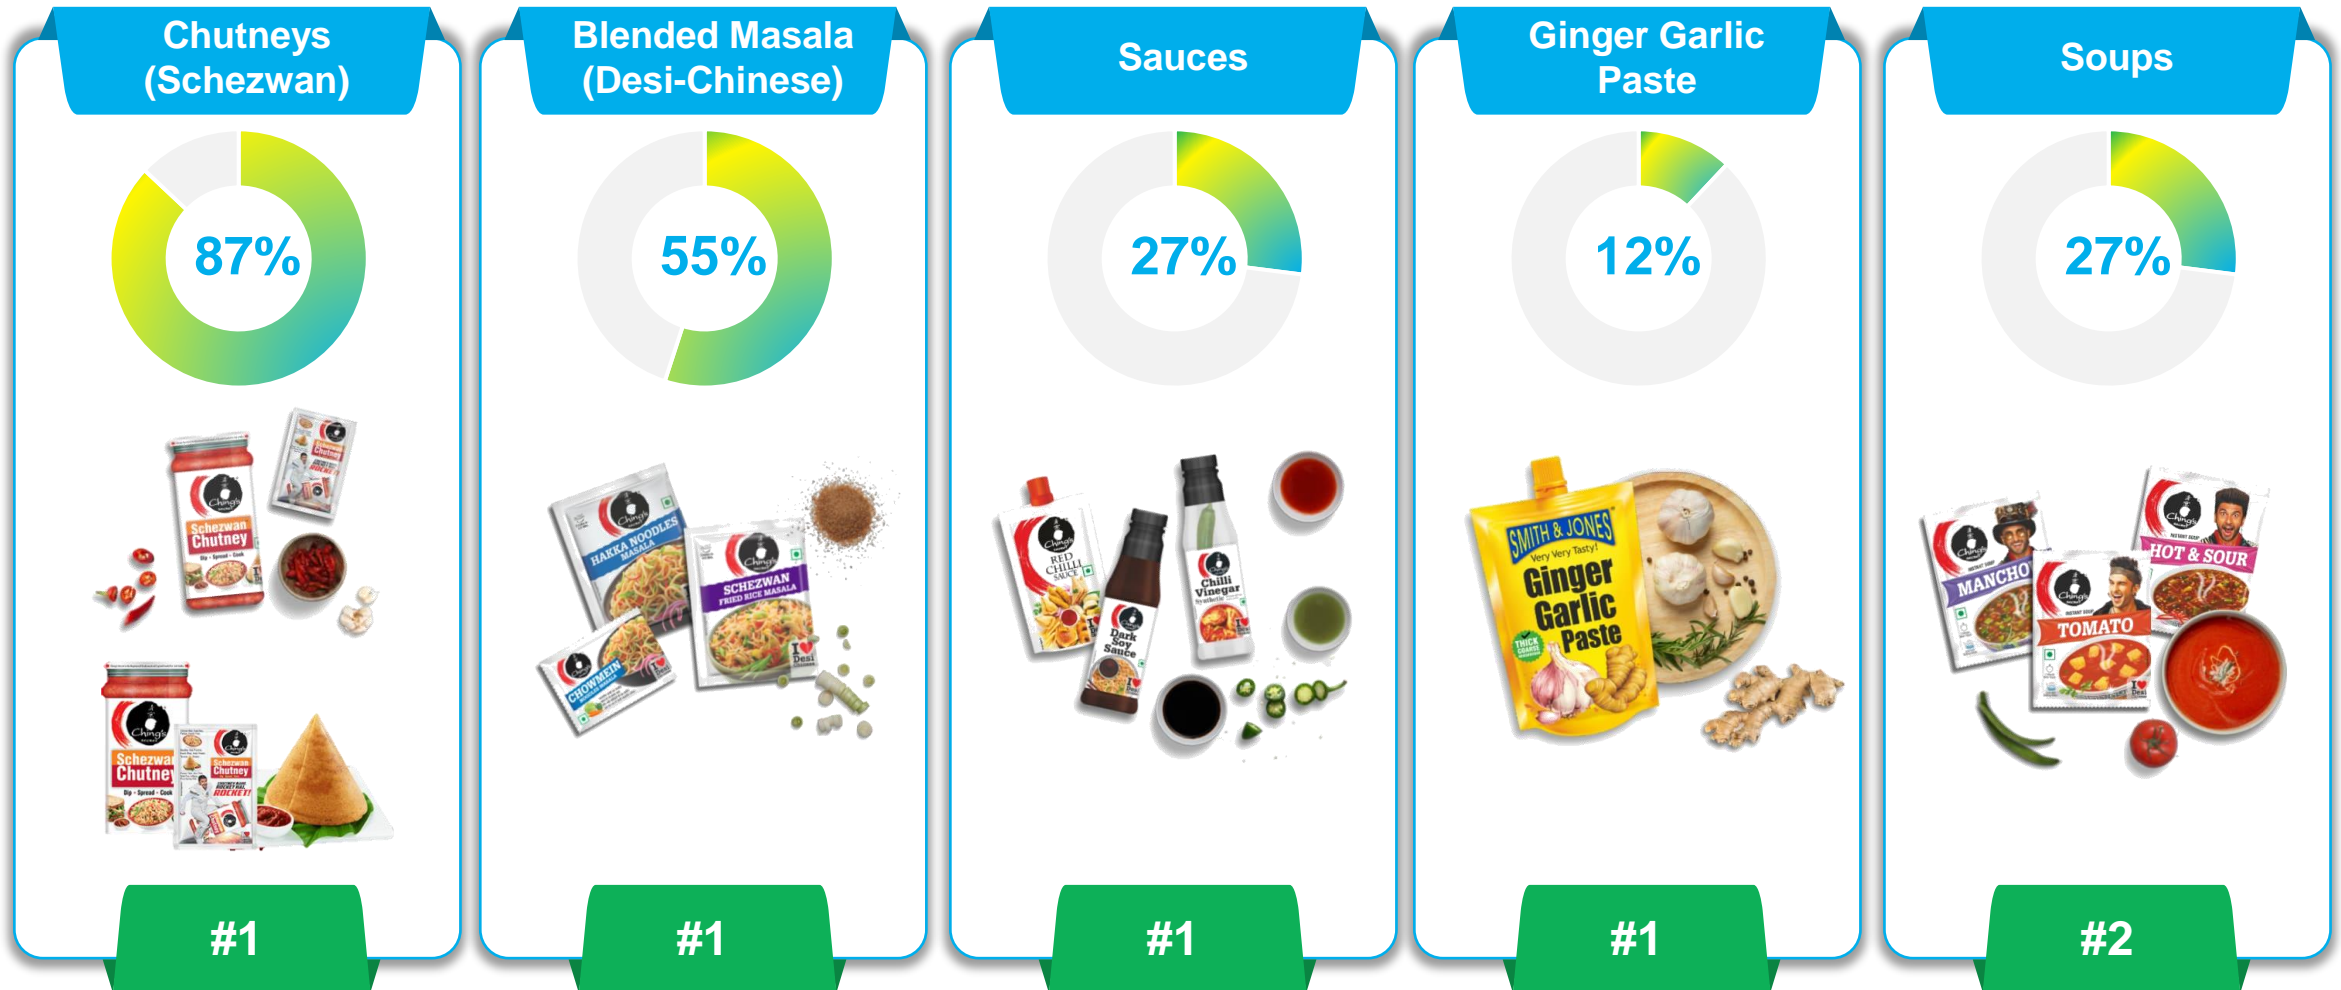

~350K stores
Distribution reach^{1,2}

~17%
Revenue from Exports

25+ years
Established Brands

Note: 1. As of Jan'23; 2. Nielsen data for urban reach

...with a product portfolio that has market leadership across categories...

● # Market position

xx% - Market Share in respective categories as of 2022. Sauces include green chilli, red chilli and soy sauces.

80%+ aided awareness

in Chinese Masala, GGP, and Chinese Sauces

... and increase focus on E-commerce throughput

E-grocery market to grow at 30%+ CAGR for next few years

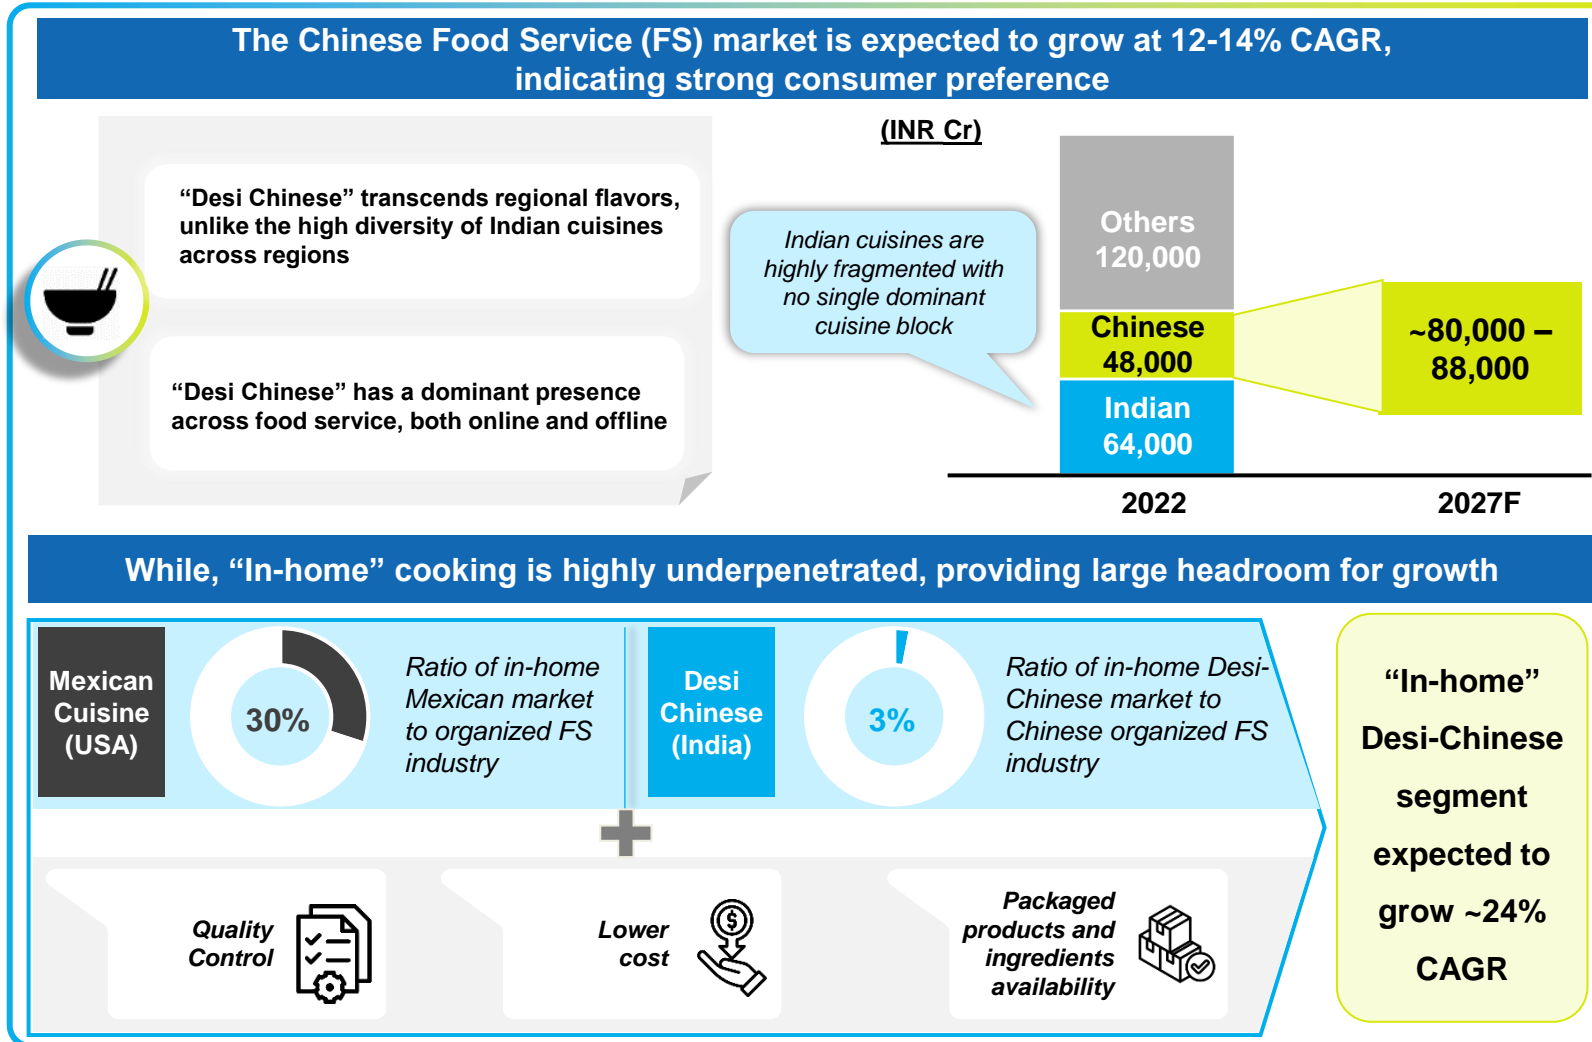

Leverage in-house E-commerce expertise

Increase online channel saliency 4% → ↑↑↑

Potential to drive strong double-digit revenue growth significantly higher than TCPL's current trajectory

**For Schezwan chutney; similar brand metrics for Chinese masala over the same period*

...and under-penetrated “in-home” consumption segment...

Capital Foods introduced Desi Chinese in India

Ching's Secret has become synonymous with the category

Desi Chinese

Source – Management Estimates

...providing category leading growth opportunities across sub-segments with high gross margins...

* Includes Chutneys, Chinese Sauces, Instant Noodles, Blended Masalas, GGP and soups; Blended masala includes Indian and western blended spices

CF focus categories to grow at ~2x of relevant market

Market Growth (CAGR CY22-27)

Overall	~24%
Blended Masalas	~38%
Chinese Sauces	~17%
Chutneys	~26%
GGP	~16%
Instant Noodles	~14%

...with high gross margin

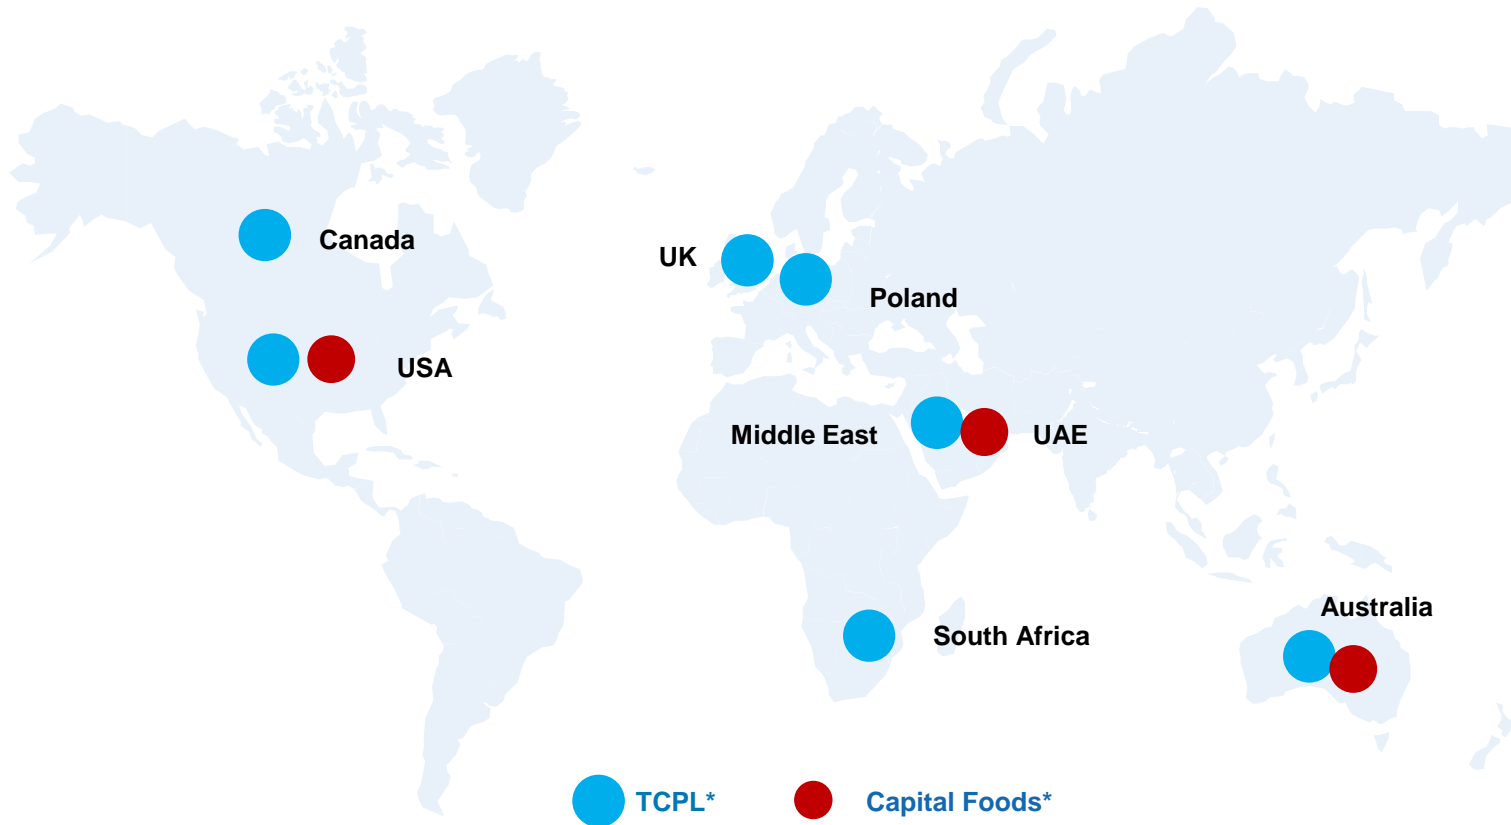

Key Growth Drivers

- Evolving preference for new cuisines and tastes
- Growth in rural/Tier 2+ consumption
- Increased salience of "in-home" cooking
- Increase occasion of Desi-Chinese consumption
- Increase in income levels with higher younger population salience

Source –Management Estimates

...along with potential to cross synergize Capital Foods' export strengths for Tata Consumer's packaged foods products...

Combined international presence

*Major presence

Leverage CFs' retailed relationships and presence to sell its own brands

The image displays three brand logos stacked vertically within a rounded rectangular frame:

- TATA sampann®**: A green logo with a leaf icon above the text.
- TATA™ raasa**: A gold logo with a textured, grain-like font.
- Joyfull MILLETS**: A purple logo with 'Joyfull' in a large, rounded font and 'MILLETS' in a smaller, spaced-out font below it.

In summary

Facilitates entry into high-growth categories with significant potential – INR 21,400 Cr TAM; with rapidly growing business – Capital Foods' Net Revenue grew at ~20% CAGR between FY20-23

In line with our strategic priority to **expand total addressable market into adjacent, high-margin, high-growth categories**; **With Sampann, Ching's Secret, and Smith & Jones**, we will cater to a wide gamut of the Indian culinary palate

Strong brand synonymous with Desi Chinese with market leadership across categories

Fast growing brand catering to “in-home” cooking of western cuisines

Product categories and Margin accretive: Operates in complementary categories with no overlap to TCPL's existing product portfolio; **High margin business:** 50%+ gross margin

Strengthen exports: Strong retailer relationships in key export markets to be leveraged for growth including manufacturing of white label products for key international accounts

03

Organic India

TATA CONSUMER PRODUCTS

The leading platform of “better for you” organic products with a truly organic supply chain...

TCPL to acquire upto 100% stake in Organic India

- ▶ Leading “better for you” organic brand of F&B and herbal supplements products
- ▶ Caters to booming, highly fragmented INR 82,000 Cr market; Winning customer trust is key to success
- ▶ Omni-channel presence across GT, E-comm, stores, own website and exports
- ▶ INR 350+ Cr. brand with high quality products focused on “sustainable living”; 55%+ gross margin
- ▶ Aligns with Tata Consumer’s strategy to expand Horizon 3 segment, providing substantive growth opportunities

Unparalleled end-to-end organic supply chain

Rigorous product testing procedure and certification valid for major global markets

Unique, robust, hard to replicate and scalable back-end infrastructure

25+ years

Established Brand

~40%+

Revenues from USA

~12k+

Organic Farmers Reach

100+

Healthy Products

...with an established brand across premium and emerging categories...

Product Portfolio (Revenue Split%)

Source: Management Estimates

Rajasthan

Madhya Pradesh

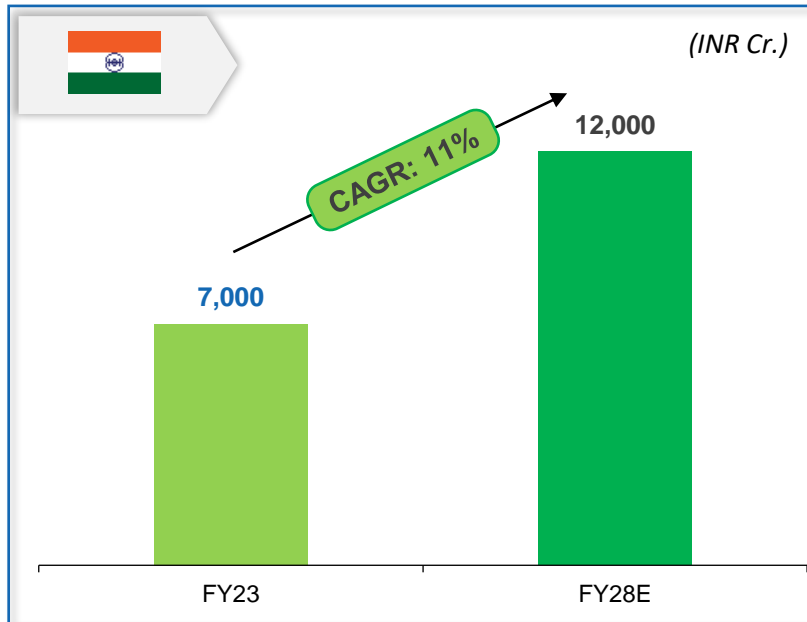

Uttarakhand

Enables entry into other key organic products categories globally such as quinoa, pulses, etc.

...providing a unique opportunity to strategically develop a “high-growth”, “high-margin” health and wellness platform

TCPL TAM to expand by ~82K Cr globally

Growth Drivers

- Rising number of health-conscious individuals
- Increasing awareness
- Higher demand for Natural and traditional herbal Products
- Preference of Preventive over Curative approach
- Increasing Research & Product Development
- Rising lifestyle ailments and obesity leading to wellbeing management

- Operates in high growth and highly fragmented market
- Winning customer trust is key to its success
- Premium and organic products that command higher margin
- Diversify geographically with exports contribute 50%+ revenue at higher margins
- Potential to add products in allied categories like protein nutrition, child nutrition, etc.

Source: Management Estimates

...by leveraging Tata Consumer's existing distribution strength and unlocking the pharma channel with a relevant product basket

Massive potential to leverage Tata Consumer's domestic distribution prowess with...

 **OI in 24k outlets** 

 **Deliver higher growth in MT (~3%¹) and E-commerce (22%¹)** 

 **Drive expansion in export countries with strong Tata Consumer presence**

...Opportunity to unlock pharma channel and maximize export potential

 **TCPL to develop the pharma channel with OI's robust product portfolio and cross-sell other brands**

and maximize export potential through cross-synergies

Organic India's products are listed in premium outlets chains in the US (Whole Foods, Sprouts and Natural Grocer, etc.)

- TCPL and OI are present
- TCPL presence significant; OI's presence limited
- OI's presence is significant; TCPL presence is limited

Tata Consumer to drive exponential revenue growth for Organic India

1. of domestic revenue

In summary

Provides an opportunity to develop a **high-growth, high-margin health and wellness platform** with the leading “better for you” **organic brand**

In line with our strategic priority to expand TAM by expanding into adjacencies with high-growth and high-margin categories; INR 82,000 Cr TAM globally and Horizon 3 segment with substantive growth opportunity

Robust sourcing and scalable back-end infrastructure for organic products combined with **farmer network** enabling procurement of current and new crops

Unparalleled end-to-end organic certifications, domestic and international, across the supply chain leading to **high customer trust**

Product categories and Margin accretive: Operates in complementary categories with no overlap to TCPL’s existing product portfolio; **High margin business:** 55%+ gross margin

Strengthen exports by cross leveraging TCPL’s and Organic India’s export presence

04

Synergies

Potential to capture significant revenue and cost synergies

Revenue Synergies
