Management Commentary

Q3FY21

With emergence of homebody economy, there is a visible structural shift in consumers' spending for home products.

We delivered solid performance despite seasonally weak quarter, clocking highest ever quarterly revenue in the history of the company. Our Branded business delivered 28% growth YoY & Innovation portfolio contributed 45% to the total home textile export sales.

With increased focus on Innovation, ESG and fast growing E-Commerce channel we continue to advance our operating models to the rapidly changing business landscape while increasing our capacities to cater to the growing demand.
