This equipment is made possible by the State Government's Royalties for Regions Community Chest Fund and the Mid West Development Commission.

ACCESS

ALL AREAS

Are you planning or running an event?

Make sure everyone in the community is able to fully enjoy it, including people with mobility requirements.

We have a range of equipment and tools designed make your event accessible.

- Accessible stage ramping for a range of stage and raised platform environments
- Beach access matting and beach wheelchairs
- Grass matting that makes sandy, boggy, uneven or muddy terrain accessible
- Wheel chairs, scooters, and walking frames
- Curb ramps
- A range of other access equipment and tools

Contact us and we will follow up with you to make sure your event is a roaring success with everyone.

Are you trying to make beach accessible?

ATLAS is the Western Australian distributor for Mobi-Mat (Beach Matting) and Mobi-Chair (Beach Wheelchairs). Contact us and we will be pleased to assist you.

Push Mobility also have a wide range of equipment and supplies that may be of interest to you. Check out their web site.

Are you keen to have a recreational cycle around Geraldton with your friends and family?

ATLAS has a range of adaptive cycles for hire that you can choose from at Revolutions Geraldton. Just drop in and talk to Paul about your requirements. He is knowledgeable and easy to talk to.
