### AUBURN vs. LSU October 31, 2020 Jordan-Hare Stadium >> Auburn, AL

### Auburn Head Coach Gus Malzahn

### Opening statement...

"When I look at the game, we talk about playing Auburn football. We rushed for 206 yards and held them to 32 yards. With a freshman quarterback, we knew they were going to come in here running. On defense, we had four sacks, a fumble for a touchdown and an interception that went down to the fiveyard line. I'm real proud of our offensive line for running the football 200-plus yards against a national champion. They were leading the league in sacks, and we gave up zero sacks today. As far as the game goes, I thought the drive right before half – we went 99 yards for a touchdown – and the drive coming out of the locker room – 75 yards for a touchdown -- it was a complete game.

"I'm real proud of our team. I'm real proud of our coaches. We've seen this team grow and face adversity. Here at Auburn, sometimes you face more adversity than at other places. We did that. We overcame it. We have an off week coming up. You look at our quarterback, he was 18-for-24 with no interceptions, three touchdowns and 300 yards. He rushed the ball 11 times for 81 yards and a touchdown. He's a real quarterback. I just want to make sure everyone understands that.

"I'm real proud of our team. We've got momentum now. We've got an off week. That was the sixth straight SEC game that we had. Our bodies are really talking to us. We need to heal up. We've got four left. We'll have a chance to kind of evaluate the areas we need to improve on to get the best plan for the next four games."

"It was very disappointing. Give credit to Auburn. They came ready to play. Turnovers really hurt us. Obviously, the defense was playing strong in the beginning. At the line of the scrimmage, they had 206 yards, and we had 32 yards rushing. There was too much pressure on the quarterback. We just did not play very well, and Auburn played its best game."
