### No. 15 AUBURN at SOUTH CAROLINA October 17, 2020 Williams-Brice Stadium >> Columbia, SC

#### **Auburn Head Coach Gus Malzahn**

#### Opening statement...

"First of all, I'm proud of our guys for fighting until the end. We didn't handle adversity great in the third quarter and kind of got behind there and had to play catch up. I thought we played pretty good football in the first half. You know, when you look at it, the stat sheet, as far the stat sheet we played pretty good football. But the three turnovers obviously were big, they led to 21 points. In the second half, we had seven penalties and I think four led to first downs and then kept them on the field. Give South Carolina credit, they played well, they had a good plan, they protected the football for the most part. Disappointing loss, but I'm proud of our guys for fighting to the end."

#### **South Carolina Head Coach Will Muschamp**

#### Opening statement...

"Really proud of our football team. That was a hell of a win, hell of a football game. Auburn has a good team, our guys fought their [butt] off. We kept hanging in there regardless of the circumstance and situation and made the plays we had to make. We did not start off very well in the game obviously; field position in the first quarter killed us offensively. We had an 80 to 90 yard power play called back, but, we were down 16-14 at halftime. I thought we were very sloppy defensively, we got to clean some things up. It's a thing here or there. We go up 11 on the field goal and then they call a zone read on the back side, John [Dixon] doesn't pop down the line of scrimmage and play it correctly, but we got the call we wanted. We gotta clean those things up, and that's where we let them out of the gate on some things. They did get some yards, but at the end of the day they had 83 snaps, they played with some tempo. But when we got in the red zone we played really good and they had a hard time throwing it down in the red zone. I felt good on the last drive the entire time. I kept telling T-Rob 'make them spend time, they've got no timeouts, make them spend time and make the hard throws' and I'm really proud of how we stood up there. Offensively we got some balance in the second half, had some critical third down conversions. Shi Smith was good again on the night. We have to continue to progress and improve, but we needed to win a game like this against a really good football team at home. Defensively or offensively to be on the field to win the game at the end, and we did it on defense, but I'm really proud of our football team. They showed a lot of resolve and fight through the adversity early in the game and continued to fight. I knew Auburn would battle back and our guys answered. Really proud of our football team, it's a hell of a win."
