AUBURN vs. No. 5 TEXAS A&M

Auburn Head Coach Gus Malzahn

Opening statement...

“Congratulations to Texas A&M on the victory. They have a very good team. I am disappointed for our seniors on Senior Day that we couldn’t get them a victory. Those guys have won a whole lot of games here. Disappointed we couldn’t get a victory their last time on the home field. We couldn’t stop the run; we couldn’t get them off the field and they kept the ball. Offensively I thought we got some good rhythm in the second and third quarter, the run, and the pass -- playing a top team in the red zone and we have to get touchdowns. We had to kick two field goals and that was a factor. A big play late in the game we thought possibly had an interception, but it was tipped, I think it was on third down, and they scored a touchdown. Our quarterback showed a lot of guts and he played really well. Our guys played hard, but we just didn’t get it done. They are a good team, protected the football, and ran it short in the game to keep the ball away from us.”

Texas A&M Head Coach Jimbo Fisher

Opening statement...

“Very proud of this football team. Listen, you come into Auburn and play and win a game, it’s extremely tough. I think it is one of the hardest places if not the hardest place to play in this league. It’s very tough. We’re very proud of our guys. We knew it was a big battle coming in here – important game. They’re a physical team. Offensively, we had struggled last week. We knew we had to have a good performance this week. I’m very proud of our guys. We ran the ball for 313 yards. Kellen (Mond) was crazy efficient, 18-of-23. Big throws in the fourth quarter. Big throws on third down. Big catches by our team. Had some opportunities in the game. We’re going to look at some of these chop penalties. I want to see what that’s about. We never had those, so that’s kind of conspicuous. But we’ll look at it and see. Those are big penalties in the game. Defensively, we gave up some things. They ran the ball on us a little bit early and have some things going. The quarterback scrambling and getting him on the ground. Bo (Nix) is a heck of a competitor and player. Gave up a big drive. The second half was disappointing. They got ahead and then we move it and throw the ball. I guess we hit the official and then it’s a third down. We come back and our defense gives up some more plays. The key turning point, and I was very proud of them, was being able to hold them to a field goal down there to keep it to a one-score game. Then we offensively come back and score and then get off and we score again. We do the same thing and eat clock again. The third-down conversions – one with Kellen’s legs in that last drive and the catch by Ainius (Smith) – were huge. It ended up being inches short, but our offensive line ate the clock and took the game. Then Seth (Small) hits a big field goal after missing one in the game. That’s a big-time kick coming back after missing a kick there. We knew it was going to take a team effort. I’m very proud of our guys. They are learning to play and not let the momentum swings bother them and control what they can control. They just keep playing the next play and developing the right mentality and culture for what we’re trying to do. So, very proud of our guys and got to get ready to play a very good Ole Miss team next week.”
