Auburn Head Coach Gus Malzahn

Opening statement...

“First of all, I'm really proud of our team. It was a total team effort. All week, we talked about good, hard-nosed Auburn football - running the football, stopping the run and picking each other up. Our guys really played 60 minutes today. We overcame some adversity. We knew they were a really talented offense. Defensively, you can tell they're improving. In the second half, we had a kickoff return called back. That was a huge momentum play to take us back to the 20-yard line. We had a snap over our punter's head, and our defense held right there. We dropped an extra point and the momentum with that. We got the ball back and went 3-and-out, went backwards. Our defense stopped them when they had to with four and a half minutes left. We got the ball and we didn't have to use our two timeouts. Then the offense got the ball back and got a couple first downs. They were playing 2-man and Bo (Nix) and Seth (Williams) - it was a perfectly executed play on that back shoulder. The safety overran it and Seth made a really good move. I think Eli (Stove) got a block and we went 'house call' with it. I'm very happy for our team. We talked about having balance and running the football. We talked about third downs and we were 11 of 16 on third down. We tried to keep our defense off the field. They were 10 of 16 on third down. It went down to the very end. That's the way this year is going. We had an extremely tough week last week, and our guys held it together. They fought and this should be some good momentum for us moving forward with the way we won.”

Ole Miss Head Coach Lane Kiffin

Opening statement...

“It's a very disappointing loss. It's different than the other ones as far as us having the lead late. That means you're controlling the game. With six minutes left, we scored, so either side could win it. The defense stops, the offense has the ball. If we make three first downs, make them use their timeouts, we win the game. It's everything that you want. They stop us, so our defense has a shot. If we stop them, we win the game, so both sides have a shot. It's very discouraging because usually you just get one shot. If either one does their job, we're sitting here with a really big win vs. a very talented team. It's a tough one to swallow. Probably tougher than the other ones because it was right there.”
