**Auburn Head Coach Gus Malzahn**

*Opening statement...*

“First of all, congratulations to Alabama. Bottom line, they were the better team tonight. You look at the first quarter, and we came out flat. You can’t come out flat against a team like that on the road. In the first half, we really didn’t do anything in the first three phases to create any kind of momentum, but we did have an opportunity for the touchdown that we dropped. At halftime we just said, ‘Let’s come in and get off to a good start.’

“If you look at the whole deal, I think the explosive plays is what stands out to me when they got inside our 40-yard line. When we got inside of their 40-yard line, we kicked field goals. We got sacked and had a long field goal on one.

“I told our guys I am proud of their fight. They kept fighting. They handled themselves with character in a very tough spot, and for that I am proud of our team. Give Alabama credit, they are a very, very talented team. We knew that, but we came in here with the mindset that we wanted to win the game. To beat a team like that, you have to make plays. We didn’t do that. We didn’t play our best. It’s obvious, and I think they played very well.”

**Alabama Head Coach Nick Saban**

*Opening statement...*

“I am really proud of our team, really proud of our players and our coaches. I think everybody really stepped up and did a really, really good job today. I think the energy was good. The offense made a lot of explosive plays out there. Defense really played well. Just a great team win. I can’t really explain it. I mean this is an unusual circumstance for me to be in, to be watching from a far. To see our team play from a far, win the game. They were excited after the game. They were very happy that they could go out there and do a great job in this game, playing at home.

“Last home game for a lot of the seniors. I am sure the players wanted to do a good job for them. I am really happy for our seniors and the great contribution that they have made in their career here. It is great for them to win the last game in Bryant-Denny Stadium.

“I think the coaching staff did a marvelous job today. They played the situation, we had a good plan. They stayed with the plan, they executed the plan. Sark did a nice job of managing things.

“I sat here and felt a little helpless, but I could see things and yell at things, listen to Mrs. Terry cheer downstairs, it is a little different. It still feels good to win. I am happy for our fans who support us. I know this is a big game for the people who support us. It is just a great win for us. I am sure there are a lot of things we can learn from this game, lessons that we will learn from and grow from and get better. That is something that we always want to focus on this time of the year, that your team continues to improve and get better, each game you play, there is a little more on the line, so it is really important that you can execute and play with consistency. That is something that we will have to strive for in these next games that we have coming up here.”
