*Opening statement...*

“First of all, give Georgia credit. A very good football team. They won the line of scrimmage. We really got whipped on all three phases, we got out coached. You look at first downs, they averaged seven yards, I think we had two third down conversions. Once again, we just had trouble getting off the field. The big stat to me is the rushing yards. We only rushed 31 yards and then we got in a situation, got behind and had to throw it a lot. Had trouble protecting. Give them credit. Our guys competed in the second half, but we didn’t get it done. This will be a learning experience for our team. I will say this -- we will continue to get better. We’ll learn from this. We got eight SEC games left. I think we have the potential to have a lot of improvement. We will improve. I just told our team it is what it is. Give them credit. They got after us, we didn’t play good, they played good. We have to learn from it and have to do a better job next week and that is what we’ll do.”

**Georgia Head Coach Kirby Smart**

*Opening statement...*

“First, I want to thank our fans. It sure felt like more than [20,524], but it felt like a lot of fans out there. I thought the crowd noise was helpful. The temperature was certainly helpful. I know that it was much cooler than last week. The atmosphere was a lot better. I thought we showed improvement. We left a lot of plays out there. I thought we played really hard defensively but sloppy on third down. I thought offensively, when we play clean, meaning we don’t have a busted assignment, a penalty, or somebody doesn’t know what they’re doing, we do well; but we can go backwards as quickly as we can forwards offensively, and we probably left more out there. I thought it hurt both defenses not having the signal caller, leader in the backend with them losing Smoke [Monday] and us losing Richard [LeCounte]. It affected both of us, but I did think we both played really physical tonight. I think when you play Auburn, that’s where it starts, is the line of scrimmage and the physicality. ... I was really proud of Stetson [Bennett] and the way he handled things, very composed. He probably had some balls he wishes he could have back, but he’ll only get better from here, and he gives us some continuity and we’ll continue to develop the other guys as well.”
