CAMP DESCRIPTION:

Our First Annual Fall Track & Field School is specifically designed for the middle school and high school athlete looking to improve and refine their skills in specific Track and Field Events. This is an opportunity for up-and-coming Track and Field athletes to work closely with experts in their desired events. Our staff will consist of Auburn University Track & Field student-athletes, former and future Olympians, and Auburn University Track & Field Coaches. Participants will receive detailed instruction, training, and feedback from top-level athletes and coaches from the college and professional level.

To pre-register, please visit our website at www.auburntrackcamps.com

This camp is open to any and all entrants (limited only by number, age, grade, and/or gender).

Please contact Scott Duval with any questions at 334-844-4975 or duvaljs@auburn.edu
