*Opening statement...*

"Hats off to Coach Mullen and his team. They have a really, really quality football team. There is a reason they are ranked ninth in the country. They're big, they're tall, they're fast, they're strong, they're physical and they're well-coached. There is a reason why they are where they are. With that being said, I am extremely proud of our guys. There is no quit in them. We made too many mistakes to win a ballgame against a quality opponent like this, but we learned a lot about ourselves, and I think it tells us who we could be for the rest of the season."

*On his team moving the ball well against a top-ranked defense...*

"I thought we had a good plan. I thought we played hard. We played smart, for the most part. We got overmatched a couple times here and there and didn't recover correctly. But, like I said, this is a great measuring stick for our kids. They understand who and what they can be versus who we play for the rest of the year based on playing a great football team like Florida."

**Derrick Brown, DT, Sr.**

*On the Tigers' defensive performance...*

"We didn't get the job done in all three phases. We lost to a good Florida team tonight, but I mean credit to them. They came out and schemed us on everything and we give full credit to them for the win."

*On the message in the locker room after the loss...*

"We lost a game tonight, it's not the end of the world. We're going to go back and get better. We're going to tune those things that we need to tune and come back and be the Auburn football team."

*On what the team's attitude is like...*

"Guys are lifting each other. We're still in full control of our destiny and everything we want to do. At the end of the day, it's just a loss. It's not one you want to take, but you have to look at it from the whole aspect of everything."

*On the team's mentality heading into the bye week...*

"Get better in all three phases - offense, defense, special teams - fix every little kink that's out there."

**Bo Nix, QB, Fr.**

*On the outcome of the game...*

"That was really tough, obviously. It was a tough environment. They are a really good team, a really good defense. Our defense played their butts off and they gave us all the chances in the world to win the game and the offense just didn't get it done."

*On how frustrating the missed offensive opportunities were...*

"I feel like we left a lot out there on the field. We had so many chances to do some things and we just let them go through our hands."

*On if this is a good time for an off week...*

"I'd say so. I think any time coming off a loss this big and a loss that hurts this much, I think it's good to regroup and I know we'll regroup and come back and be a good team again."

*On the noise in the stadium...*

"It was really loud, and we had trouble hearing the clap for the cadence. Sometimes we had slow communication. Stuff like that happens. Every team that walks into The Swamp has communication issues, but we just didn't do anything to make up for those."

**Florida Head Coach Dan Mullen**

*Opening statement...*

“Good game by our guys today. Great football game. Really interesting game. You look at all the turnovers in the course of the game, you don’t usually lose four fumbles and win the game. I bet both teams are going to look back and say, ‘Boy, if we could’ve held onto the ball, if we could’ve been on the plus-four side it would have been a totally different game.’ Defensively, amazing job. Todd [Grantham], his staff, the defensive guys grinding, training, getting to the football as hard as they can every play. That’s the type of defense we expect to play around here. I’m really proud of those guys. They gave up one score, and that was on me. We don’t fake a punt and they probably don’t score a touchdown. So, I end up causing the only fault with our defense. Offensively, I thought our guys did a decent job managing the day. We knew they had a great defensive line. As the game went on, we knew we had to throw the ball to win, but we wanted to try to stick with the run game and if you look, we ran it 33 times and threw it 39 times so they didn’t force us completely, at any point, out of the run game. We were able to crack a long run there at the end to kind of seal it. I bet not many people would’ve thought coming into the game that we would rush for more yards than Auburn, so that was pretty good for our guys to be able to do that. They’re a great run defense and our guys just stuck with it until we finally broke one. That was exciting. I’ll tell you what was awesome. The fans – this is what The Swamp is and what it’s expected to be. It’s that homefield advantage – the most electric environment in college football; the loudest stadium in college football. We need the Gator Nation to give that effort like the team gives all the time. It’s hard for any team to get in here and come away with a win if that’s how the crowd is going to be. They did an unbelievable job today. They caused some penalties, created energy for our sidelines and the energy in the stadium, the excitement. That’s all due to the Gator Nation – the student body, the band, everybody just did an amazing job. Great win. We’ll enjoy it tonight and then get ready to go tomorrow.”

*On how big a win this is...*

“It’s a big win tonight. It won’t mean a whole lot by tomorrow morning. We move on to LSU tomorrow morning. We’re building. I know what the Gator Standard is, and I know what the expectations are here. Trust me, my expectations are higher than everybody in the Gator Nation. We want to play in these big games. We want to have top-10 matchups in The Swamp. We want to win these big games. You have to learn and get that mindset that winning a big-time game like this means you have to show up tomorrow and get ready to win an even bigger one next week. That’s what it’s like in the SEC.”

*On the energy...*

“I get into it. I love the energy. I love the crowd. That excites me. When you open those doors and walk out of the tunnel and hear that deafening noise in The Swamp, that gets you juiced. That gets you excited. I love it. After the game running around high fiving everybody for being here, that’s what it’s all about. It’s an unbelievable adrenaline rush.”

**CJ Henderson, DB, Jr.**

*On being back out there playing again...*

"It felt great to be back with my teammates and be competing again."

*On how big this win is for the team...*

"It is very big for us. We came out there and we kept competing, and that showed that we're a big-time team. We found a way to win."

**Lamical Perine, RB, Sr.**

*On his 88-yard touchdown run...*

"It almost brought tears to my eyes. Just a big-time atmosphere, big-time crowd and I'm glad I was able to make that big-time play."

*On what he attributes to Florida's big plays at perfect times...*

"Execution throughout practice and things like that. Coach Mullen always puts us in situations to make big plays. We go out every day in practice and go over those same plays we ran today and just execute them every day. So, just execution on our end."

**Kyle Trask, QB, Jr.**

*On his injury...*

"Honestly, it was really emotional. It was a lot of pain. I felt like a pop in my knee. I'm just thankful it turned out to be a lot better than I thought it was at the time."

*On what it was like when he ran back out into The Swamp...*

"It was an amazing feeling. Our fans are the best in the country. To go back out there and finish the game for our team, it felt really good."

*On Auburn's defense...*

"That Auburn defense is super tough. They're a tough team from top to bottom. Nothing was given to us in this game. It was all earned. That just comes from being resilient. This is one of the most resilient teams I've been a part of. That's just the result of us being dialed in throughout the week in preparation, and it shows on Saturdays."
