Auburn Head Coach Gus Malzahn

Opening statement...

"I'm proud of our kids' effort. They came in here against the No. 2 team in the country and they fought their guts out till the very end. Our defense played unbelievable against a very high-powered offense. I thought our special teams did a solid job, especially the kicking game, backing them up. You know, offensively, we just didn't get it done. We had some untimely penalties. We had a bad snap at a real critical time. And the third downs, I think we had nine third-down-and-10-plusses. We put our quarterback in terrible spots as far as that goes. And with all that being said, we still had a chance at the end to onside kick. Extremely disappointed for our players and our fans. We have a bunch of winners in our locker room. They're not going to flinch moving forward. But we had opportunities, and we didn't seize the moment. Give LSU credit; they're a very good team. We just didn't get it done offensively. We had some opportunities, but when you have that many penalties, you're not going to beat anybody; not a good team on the road with 15 penalties. That's probably the biggest disappointing thing for me. And any time, that's coaching, that's me. I've got to do a better job with the discipline of the penalties. But I'm hurting for our players and hurting for our fans. We'll regroup and we'll be ready for the next game."

On long third downs...

"It was a huge problem. Third down and 10-plus, I think we had nine of them. You're not going to convert very many. And I like I said, there were some false starts. I'm real disappointed with that. We had the same thing in the Florida game - I don't know if it was four false starts in the first half or something - but if you get behind the chains against a good team on the road, you can't do that. But obviously, we talked about that. I thought we were going to do better. We didn't. I'm running this offense, and that's on me. We've got to do a better job. We've got to do a better job moving forward. It was loud and all that, but it doesn't matter."

On defensive game plan...

"Our defense played unbelievable. Kevin (Steele) had a super plan. He mixed some things up, made the quarterback uncomfortable early. And then they started running the ball. The turnovers were big. The fourth-down stop - there were two fourth-down stops that were huge. But the turnover in the end zone was really unbelievable. They fought their guts out and played outstanding. That offense is electric and it's a really good offense."

On message to the team...

"The message was that, 'We're going to be champions.' Our guys aren't going to flinch. They're disappointed. We have a really good football team. We have to correct some things. We have four games left against some really good teams, and there's a lot to play for. I'll tell you that. So that's really our message. But our guys will stick together. They're true Auburn men. We'll finish this thing the right way."

Bo Nix, QB, Fr.

On the game...

“Obviously not my best. I made a few decent throws, made a few third-down conversions. I missed throws I usually make. That's what's frustrating.”

On the game plan...

“We had a great plan. The coaches had a great plan for us. Just there in the middle, we didn't execute well enough. We moved the ball a little bit and then we'd shoot ourselves in the foot and get a penalty and be back behind the chains again. I felt like that was continuous and something that we did all day. I mean, we showed some good signs. We had some really good plays. Like I said, we just shot ourselves in the foot. Defense played out of their minds again. It's frustrating that, as a leader, as the quarterback, I feel like we should help them out a little bit more. That might be the most frustrating thing. They're doing their job and we just haven't done ours.”

On fighting back...

“We never quit. We're going to fight until the last whistle. Our defense - they just keep on playing and keep on playing and keep on playing, no matter what position they're in. They'll just keep holding, and worst-case-scenario hold them to a field goal or something. It's just amazing how hard they play, with the effort. On offense, we showed some good signs. We did some good things. Like I said, the two losses, we've killed ourselves. It's not so much the defense, even though both defenses were really good. LSU's was really good. We had a good plan for them. We just didn't execute.”

D.J. Williams, RB, Fr.

On the offense...

“We have just got to get better and have the confidence. Our defense did a great job. We've just got to get better.”

On if he expected to be a big part of the game plan at LSU...

“Not really. We always just did our job in practice and my name was called.”

Jeremiah Dinson, DB, Sr.

On the new defensive plan...

“We put that in early on in the week. Just wanted to give Joe (Burrow) a different look. Kind of mess with him a little bit, show around and just give him some eye candy to look at. And we were successful in that defense. But at the end of the day, it really doesn't matter because we lost.

Marlon Davidson, DL, Sr.

On the new defensive plan...

“We had the perfect defense. We dominated them. I stand behind my guys no matter what — 10 toes down behind them — because I know we're a great defense. I know we're the best defense in the country, and we showed them. But, you know, the scoreboard doesn't say that. We still got an 'L' by our name. But we're fine. We'll be good.”

LSU Head Coach Ed Orgeron

Opening statement...

“What a tremendous team win. Give credit to Auburn. They are a well-coached football team. They came ready to play. That defensive line is one of the best defensive lines I've seen. Derrick Brown, Marlon Davidson and Big Kat Bryant are tremendous players. Give credit to our offensive line. We hung in there. This wasn't the prettiest game. We had too many penalties. Special teams did not play very well. Special teams had a turnover that was very costly. When we went up 13-10, the defense forced six punts. What a tremendous job by our defense, Coach (Dave) Aranda and the whole staff. Great team win. We're 8-0 and we've got a lot of things to work on. We're going into an open date, going into recruiting and I'm fired up about our football team.”

On Clyde Edwards-Helaire...

“He had 136 yards rushing and made some key plays, some key first downs. The passing game was tough sledding. We had some 1-on-1s out there and I thought Ja'Maar Chase had a great game. I think it was because of the pressure. We were able to run the football. He made a difference.”

On playing fast...

“That was the plan. We wanted to go tempo as much as we could. That hurt us a couple times. We had some penalties. Sometimes you think you can run the clock down a little bit, but Auburn rotated its line. I could tell when the second team was in, we were moving the football. Give credit to Coach (Steve) Ensminger for a great game plan.”

On Joe Burrow...

“He's got that linebacker mentality. He's tough and our team believes in him. He was under pressure and he made some key first downs. The quarterback draw on the goalline to go ahead was a big call. Joe is a big competitor. I wish we would've made that fourth-and-1. It was a critical time and we usually make those plays. Give them the credit. They stopped us.”

Joe Burrow, QB, Sr.

On what LSU showed...

“We definitely showed toughness today. It wasn't pretty by any means. But SEC games aren't going to be pretty. When you can come out on top against a top 10 team and still feel like you could play better, it's always a good feeling.”

On getting back up after a tough hit...

“If your quarterback shows toughness like that, it can get a team going. It's what I try to do every day: in the weight room, on the field, taking hits, getting right back up. If you lay down on the field and don't hop right back up, it shows your team you're not into it.”

Thaddeus Moss, TE, Jr.

On the game...

“It was a fight today, a four quarter fight. We know how to win a gritty game. We know how to keep chopping wood.”

Lloyd Cushenberry, OL, Jr.

On running the ball...

“They were daring us to run the ball. We felt like we needed to get it going.”
