SEC SENDS NINE TO POSTSEASON BOWLS, INCLUDING THREE TO NEW YEAR'S SIX

Twelve Southeastern Conference football teams learned their post-season bowl destinations on Sunday, including No. 1ranked Alabama which will play No. 4 Notre Dame in the Rose Bowl in Arlington, Texas, on January 1 in a semifinal game for the College Football Playoff. In addition, three other SEC teams will play in the CFP's New Year's Six Games.

On Sunday, the College Football Playoff committee first selected teams for the national semifinal games, the Allstate Sugar Bowl and the Rose Bowl presented by Capital One. The committee later announced the participants in the Chick-fil-A Peach Bowl, Playstation Fiesta Bowl, Capital One Orange Bowl and Goodyear Cotton Bowl.

In addition to Alabama's appearance in the CFP Semifinal Game, other New Year's Six games will feature Texas A&M versus North Carolina in the Orange Bowl, Florida versus Oklahoma in the Cotton Bowl and Georgia versus Cincinnati in the Peach Bowl.

Next, the VRBO Citrus Bowl selected Auburn from the SEC to play Northwestern of the Big Ten.

This marks the seventh year the Conference has assigned league schools to an "SEC Bowl Pool" that includes six postseason games. The Academy Sports + Outdoors Texas Bowl in Houston, the TransPerfect Music City Bowl in Nashville, the AutoZone Liberty Bowl in Memphis, the TaxSlayer Gator Bowl in Jacksonville and the Outback Bowl in Tampa have been in the SEC Bowl Pool all six years. This year, the Lockheed Martin Armed Forces Bowl joins the SEC Bowl Pool for only the 2020 postseason.

For assignment of bowl games, SEC teams were ranked, without regard to divisions, based on winning percentage and after application of tie breakers. Based upon this ranked order, each team was asked to select its bowl destination based on available remaining bowls.

Missouri will play in the TransPerfect Music City Bowl, Ole Miss will play in the Outback Bowl, Kentucky will play in the TaxSlayer Gator Bowl, Arkansas will play in the Academy Sports + Outdoors Texas Bowl, Tennessee was selected to play in the AutoZone Liberty Bowl and Mississippi State will play in the Armed Forces Bowl.

Following the SEC Bowl Pool, the Union Home Mortgage Gasparilla Bowl selected South Carolina. It was later announced that Tennessee and South Carolina would be unable to play in their respective games due to COVID-19 test results.

SEC Network has proven time and again that it is one of the most successful launches by a network in all of cable television. It placed the Southeastern Conference, its member institutions and sports teams on an international stage with brand recognition in every corner of the country and around the globe.

That was the vision when the SEC and ESPN signed a 20-year agreement through 2034 to create and operate a multi-platform network, which launched on Aug. 14, 2014. The network and its accompanying digital platform, SEC Network+, carries SEC live events and programming 24/7.

Complementing the volume of network-produced programming, all 14 schools built state-of-the-art control rooms and purchased HD camera equipment to provide the same quality coverage for events that viewers have been accustomed to for years across ESPN networks.

These school-produced events are made available exclusively through the ESPN App as part of SEC Network+ on connected devices, allowing fans to watch their favorite teams anytime, anywhere.

SEC Network has also become known for its signature studio show, SEC Now, its traveling weekly football pregame show, SEC Nation, and of course, The Paul Finebaum Show, which welcomes callers and guests to share their thoughts on topics surrounding the SEC. On top of the network's wall-to-wall coverage of Saturday SEC football, SEC Network boasts three additional football-focused studio shows in the fall: Thinking Out Loud, SEC This Morning and Marty & McGee, as well as food and culture favorite, TrueSouth.

THIS IS SEC FOOTBALL

- Fourteen times in the last 15 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 11 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but once since 2006
- The SEC finished 7-2 in the postseason in 2020 to lead the nation in bowl wins, with all seven wins coming against Top-25 competition - the most in history for the conference. In the four bowl games where an unranked SEC team played a Top-25 opponent, the SEC went 3-1.
- Since Florida in January 2009, five different teams from the SEC have played for the national championship. Four of those five have multiple appearances and at least one victory since 2007.
- Not counting games versus each other, the SEC is 10-3 all-time in College Football Playoff games, playing in six of the seven CFP Championship Games (winning four of those six). Since 2006, the SEC has posted a 27-14 (.659) record in BCS/CFP games, more wins, appearances and winning percentage than any other A5 conference.
- More than 350 players from Southeastern Conference schools were listed on the initial 53-man NFL rosters to begin the 2020 season. Seven SEC schools were represented by at least 25 former players on active rosters, including Alabama with a league-high 57. In addition to the 53-man active rosters, more than 100 former SEC players are listed on reserve lists or practice squads for NFL teams. A total of 25 former SEC players were on active rosters of the Super Bowl between the Chiefs and Bucs.
- The SEC is 97-55 (.638) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and 30 wins more than the next closest conference.
- The SEC has now won 47 games in the last seven postseasons and has sent no less than eight teams to post-season bowls in each of the last 14 seasons.
- In the seven seasons of the College Football Playoff era, only six programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) — four of those six programs (Alabama, Georgia, LSU, Mississippi State) are from the SEC.
- Nine different SEC teams, including all seven from the SEC Western Division, have made BCS/New Year's Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State and Texas A&M. Since the formation of the College Football Playoff in 2014, six of the seven schools in the Western Division have advanced to a New Year's Six bowl.
- With Georgia and Alabama both earning victories in the CFP Semifinals in 2017, the national championship game featured two SEC teams for the second time in the last nine seasons.

2020 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards and the coach's high end zone and high 50 yard line cameras. The coach's video is also made available to the TV producer. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Reviewable plays involving a potential score include:
a. A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul

If the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. top of the uprights as it crosses the end line, the play may not be reviewed.

Passes

- Reviewable plays involving passes include:
 a. Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
 b. Forward pass touched by a player (eligible or ineligible) or an official, including whether the touching is behind or beyond the line of scrimmage.
 c. Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
- d. A forward pass or forward handing after a change of team possession.
- e. Pass ruled forward or backward when thrown from behind the neutral zone.
 - 1. If the pass is ruled forward and is incomplete, the play is reviewable only if the ball goes out of bounds or if there is clear recovery of a loose ball in the immediate continuing football action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.

 2. If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- a. Loose ball by a potential passer ruled a fumble.
 b. Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.

 1. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.

 2. If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.

c. Live ball not ruled dead in possession of a ball carrier.

Situations that may be addressed by the replay official:

a. The number of players on the field for either team during a live ball.

b. Clock adjustment and status when a ruling is reviewed.

c. With less than one minute in either half and a replay review results in the on-field ruling being reversed, and the correct ruling would not have stopped the game clock, then the clock will be reset to the time the ball is declared dead by replay. The referee will subtract 10 seconds from the game clock and the game clock will start on the referee's signal. g. An injured player at the initiation of the medical observer.

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and -e and 12-3-5-a).

Reviewable Fouls

The following plays are reviewable and the replay official may create a foul when there is no call by the on-field officials: a. Player making a forward pass or forward handoff when beyond the neutral zone or after a change of possession. b. Player beyond the neutral zone when kicking the ball.

b. Player beyond the neutral zone when kicking the ball.
c. Blocking by Team B players before they are eligible to touch the ball on an onside kick.
d. The number of players on the field for either team during a live ball.
e. Illegal touching of a forward pass by an originally eligible receiver who has gone out of bounds.
f. Player who is out of bounds touching a free kick that had not been touched inbounds.
g. Forward pass that becomes illegal as a second pass after an on-field ruling of a backward pass is reversed.
h. A clear, obvious and egregious targeting foul.

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSport. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSport Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Seven of the eight on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS

*For the 2016 season, the SEC will utilize the new experimental rule that allows personnel in a separate secure location identified by the conference to assist the Instant Replay Official at the stadium in making decisions. The SEC will locate 3 Instant Replay Officials in the SEC Video Center each week to collaborate with the onsite Replay Official during any replay stoppage. The 3 Replay Officials in the Video Center will have real time video and communications with the Replay Official in the stadium to aid in this collaboration. The goal of this process will be consistency in decision making and to help avoid incorrect out-

- * Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.
- * If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;

- 2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
- 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

Each SEC member institution uses the new multi-view HD Replay System developed by DVSport. The replay systems are maintained by the home institution with technical support from DVSport.

SEC BOWL SUCCESS

NATIONAL CHAMPIONS SINCE 1992

Since the first SEC expansion in 1992, the SEC has the most national championships (AP, USA Today) with 15. During that time, the SEC has had more teams with national titles than any other conference (5). Here is a breakdown:

SEC (15) Florida (2008, 2006, 1996), LSU (2003, 2007, 2019), Tennessee (1998), Alabama (1992, 2009, 2011, 2012, 2015, 2017, 2020), Auburn (2010)

Big 12 (5) Texas (2005), Oklahoma (2000), Nebraska (1994, 1995, 1997)

ACC (5) Florida State (1993, 1999, 2013), Clemson (2016,18)

Big Ten (3) Ohio State (2002, 2014), Michigan (1997)

Pac-10 (2) Southern California (2003, 2004)

Big East (1) Miami, Fla. (2001)

The SEC was the first conference to claim four consecutive Associated Press (first poll - 1936), National Football Foundation and College Hall of Fame (first poll - 1959), Football Writers Association of America (first poll - 1954) and USA Today or UPI Coaches Poll (first poll - 1950) national championships.

SEC IN BOWL GAMES

• Since 2006, the SEC has accrued more bowl wins (90) and appearances (143) than any other conference. The conference's .629 bowl winning percentage is first among FBS leagues during that time.

SEC SUCCESS SINCE 2006

During the last 14 seasons (2006-20), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in major bowl games, including the National Championship Game
- · Non-conference success in regular season and bowl games
- · Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- · Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL and NFL Draft

SEC IN THE CFP/BCS ERA (Since 1998)

- The SEC has won 11 of the last 15 national championships, 13 of the 23 BCS/CFP-era National Championships, five runner-up finishes and 27 overall national titles (AP, BCS, FWAA, coaches poll) in SEC history. The SEC has appeared in 14 of the last 15 National Championship Games and in 10 of the 16 BCS Championship Games, winning nine.
- Four different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012, 2015, 2017, 2020; Florida, 2006, 2008; LSU, 2007, 2019). Five programs have advanced to the national championship game since 2008 as Georgia met Alabama in the 2018 CFP Championship Game. Tennessee (1998) and LSU (2003) have also won the former BCS crown. Auburn appeared in the 2013 BCS Championship Game, as did LSU in 2011. A team from the SEC Western Division had advanced to five consecutive national championship games prior to the 2014 season, when Alabama lost in the CFP semifinals. The ACC (Clemson, Miami and Florida State) has had three schools win titles since 1998, while the Big 12 (Texas and Oklahoma) has had two.
- Since 2006, over half of the slots in the National Championship Game have been taken by SEC teams (17 of 32). The ACC and Big Ten have four during that time, while the Big 12 and Pac-12 have two.
- The SEC has had more teams ranked in the BCS/CFP standings for the most times than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games.
- Since 2006, the SEC has posted 26 wins in BCS now New Year's Six/Access bowls more wins than
 any other conference.
- Three of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Alabama defeated Michigan State soundly 38-0 in a CFP National Semifinal in 2015, while defeating Washington 24-7 in 2016 semifinal contest. Alabama dominated Clemson in the 2018 Sugar Bowl Semifinal, holding Clemson to just 188 yards, well short of their average 448 yards per game.
- The SEC has now won 47 games in the last six postseasons. With 12 teams advancing to bowl games in 2016, the SEC became the first conference to send at least 10 teams to postseason bowls in four consecutive seasons. The SEC also sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last 13 seasons. The SEC established a national-record with nine postseason victories in 2015 and owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014.
- The SEC is 97-55 (.638) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and more than 30 wins than the next closest conference.

SEC vs. OTHER CONFERENCES

• Since 2006, the SEC has posted the highest non-conference winning percentage (regular season & bowls) than any other conference. The league has a 705-174 record, an 80.2 winning percentage. The SEC has won no less than 43 non-conference games (regular season & bowls) during the last 14 seasons (2006-2019) prior to Covid-19. Last season (2020), the SEC was 7-2 (.778) in bowl games, the only non-conference competition of the season.

SEC IN FINAL RANKINGS

- Since 2006, the SEC has had the most teams ranked in the final USA Today Coaches Poll. The conference has had 81 teams ranked in the final USA Today rankings.
- The SEC has either led or tied for the lead with the most teams ranked in the USA Today Top 25 for 13 of the last 15 seasons.

THIS IS SEC FOOTBALL

- Fourteen times in the last 15 seasons, a team from the SEC has advanced to the national championship game. The SEC has won 11 of those contests, with two of the losses coming in the game's final seconds. The winner of the SEC Championship Game has advanced to the National Championship Game all but once since 2006
- The SEC finished 7-2 in the postseason in 2020 to lead the nation in bowl wins, with all seven wins coming against Top-25 competition the most in history for the conference. In the four bowl games where an unranked SEC team played a Top-25 opponent, the SEC went 3-1.
- Since Florida in January 2009, five different teams from the SEC have played for the national championship. Four of those five have multiple appearances and at least one victory since 2007.
- Not counting games versus each other, the SEC is 10-3 all-time in College Football Playoff games, playing in six of the seven CFP Championship Games (winning four of those six). Since 2006, the SEC has posted a 27-14 (.659) record in BCS/CFP games, more wins, appearances and winning percentage than any other A5 conference.
- More than 350 players from Southeastern Conference schools were listed on the initial 53-man NFL rosters to begin the 2020 season. Seven SEC schools were represented by at least 25 former players on active rosters, including Alabama with a league-high 57. In addition to the 53-man active rosters, more than 100 former SEC players are listed on reserve lists or practice squads for NFL teams. A total of 25 former SEC players were on active rosters of the Super Bowl between the Chiefs and Bucs.
- The SEC is 97-55 (.638) in bowl games since 2006, the only FBS league with a .600 or better winning percentage and 30 wins more than the next closest conference.
- The SEC has now won 47 games in the last seven postseasons and has sent no less than eight teams to post-season bowls in each of the last 14 seasons.
- In the seven seasons of the College Football Playoff era, only six programs nationally have been ranked No. 1 in the weekly CFP Top-25 Poll (which begins in late October each year) four of those six programs (Alabama, Georgia, LSU, Mississippi State) are from the SEC.
- Nine different SEC teams, including all seven from the SEC Western Division, have made BCS/New Year's
 Six bowl game appearances since 2006: Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss,
 Mississippi State and Texas A&M. Since the formation of the College Football Playoff in 2014, six of the
 seven schools in the Western Division have advanced to a New Year's Six bowl.
- With Georgia and Alabama both earning victories in the CFP Semifinals in 2017, the national championship game featured two SEC teams for the second time in the last nine seasons.

SEC INDIVIDUAL AWARDS AND ALL-AMERICANS

- In the 31 individual awards, the SEC has had at least one recipient in all but one of them since 2006. The SEC has only not had a winner of the Brian Burlsworth (walk-on) in the last 13 seasons.
- Since 2006, SEC football student-athletes and coaches have won 123 major individual awards, an average of nine per year. The league won 10 awards in 2008, 12 individual honors in 2020 and 2010 and an all-time high 15 in 2019.
- The SEC has won a national player of the year in the last 14 seasons with nine different players since 2007— Darren McFadden, Arkansas, and Tim Tebow, Florida; Tebow in 2008; Mark Ingram, Alabama, in 2009; Cam Newton, Auburn, in 2010; Johnny Manziel, Texas A&M, in 2012; Derrick Henry, Alabama, in 2015; Tua Tagovailoa, Alabama, in 2018; Joe Burrow, LSU, in 2019, DeVonta Smith, Alabama, in 2020. The SEC did not have a national player of the year in 2011, 2013, 2014, 2016 or 2017. Three of the Heisman finalists in 2013 were, however, from the SEC, as well as one of three in 2014.

SEC CHAMPIONSHIP GAME

2020 SEC CHAMPIONSHIP GAME

The Southeastern Conference's Eastern and Western Division winners met in Atlanta's Mercedes-Benz Stadium to battle for the league championship and the right to represent the conference in the College Football Playoff. The 29th-annual title game was set for December 19 and was televised nationally by CBS Sports.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game in 2020 are determined during a 10 game regularseason conference schedule as the teams with the best overall SEC winning percentage in each division.

The 2018 SEC Championship Game was the most-watched and highest-rated regular-season college football game on any network in seven years with a 10.1/23 rating/share and 17.5 million viewers. It also marked the second most-watched SEC Championship ever in 26 years since the game debuted in 1992. Nearly 14 million viewers watched the 2019 contest.

The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 26 capacity crowds in its 28-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), have an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2026. The new agreement allows the SEC the option of adding up to two successive five-year extensions.

The Georgia Dome hosted the SEC Championship Game for 23 years beginning in 1994, with capacity crowds in the last 21 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years.

- 98 combined points is the second highest in championship game history. Record is 101 in 2013 Auburn 59. Missouri 42.
- This is the fourth time a team scored 50+ points with Alabama doing it twice (54 in 2016, 52 in 2020)

2020 SEC Football

IT JUST MEANS MORE.

Scholars. Champions. Leaders. These are the pillars of the Southeastern Conference, and together they represent the vision for an 87-year-old intercollegiate athletic conference that continues to experience unparalleled success. Ranging from record-breaking accomplishments by student-athletes and administrators to significant growth in media, sponsorship, and branding, the SEC continues to prove on every front why it is SECond to None.

The Conference continues to deliver record financial distributions to its member universities, which makes it possible for the Conference to support scholars through and beyond graduation, win championships in every sponsored varsity sport, and ultimately prepare young people to change the world.

The SEC's leadership believes strongly that intercollegiate athletic conferences have an obligation to aid in Student-Athlete Development and Achievement, both academically and athletically. As such, the SEC was the first conference to establish a Student-Athlete Career Tour designed to prepare students for professions after graduation, and this year the Conference again welcomed 28 students to Atlanta for a multi-day series of meetings and development. And the SEC has integrated its student-athlete leadership councils into its annual meetings to provide its young people a greater voice in their own collegiate experience.

The SEC continues to strengthen its relationships in Media and Sponsorship. The SEC Network is now available on every major cable provider and every nationwide, multi-channel subscription streaming service in the marketplace. The SEC Network also reaches 140 countries outside the U.S.

The SEC is a place where Innovation and Leadership are expected and pursued. However, the pursuit extends beyond championship rings and trophies to include officiating, administration, and other initiatives. For example, on the heels of its football and men's basketball collaborative replay success, this year the SEC became the first collegiate conference to introduce centralized video review in baseball.

The SEC has also amplified its position relative to Branding and Celebration efforts. As SECU was renamed "SEC Academic Relations," it heightened its focus on programs and activities designed to highlight the teaching, research and service accomplished on SEC campuses. The Conference also executed Year Four of the "It Just Means More" branding campaign, continuing its presence on radio, TV and online while saturating national championship cities with digital outdoor exposure.

The SEC's Athletic Achievements have historically been—and continue to be— unprecedented. The SEC continues to win national championships in multiple sports, including six national championship match-ups since March 2017 that exclusively featured SEC teams (Women's Final Four, College World Series, College Football Playoff Championship and three times in Equestrian).

STUDENT-ATHLETE DEVELOPMENT AND ACHIEVEMENT

Student-Athlete Career Tour

A total of 28 current and former Southeastern Conference student-athletes participated in the third SEC Career Tour in Atlanta in November 2019. The group visited the headquarters and met with executives and talent acquisition staff at several corporations including Cox Communications, NCR Corporation, Winning Edge Leadership Academy, The Home Depot and UPS.

SEC Student-Athletes and Community Service

Each year the SEC awards a \$5,000 scholarship to a male and female nominee from each school for the Brad Davis SEC Community Service Award, and \$10,000 goes to the two student-athletes selected each year as the Brad Davis SEC Community Service Leaders of the Year. In 2019-20, Texas A&M University equestrian athlete Ann Elizabeth Tebow and Vanderbilt University football athlete Cody Markel were named winners of the prestigious award.

SEC in the NCAA's 2020 Today's Top 10

Kristin Quah of Vanderbilt University was among the 10 student-athletes from across the country named as recipient of the NCAA's 2020 Today's Top 10 Award, which recognizes former student-athletes for their successes in competition, in the classroom and in the community. Recipients completed their athletics eligibility during the 2018-19 academic year and were recognized at the NCAA Honors Celebration in January 2020 in Anaheim, Calif.

SEC in the NFL Draft

The SEC led the nation's conferences in NFL Draft picks for the 14th consecutive year in 2020 with 63 selections, the second most in SEC history. The SEC finished the first three rounds with 40 selections, which ties the all-time record for the most selections by a conference through the first four rounds. This marked the sixth straight year for the SEC to see 50 or more players taken in the NFL Draft. Only once in the last 25 years has another conference other than the SEC seen 50 or more players drafted.

BRANDING + CELEBRATION

"It Just Means More" Campaign and Associated Branding

When the SEC kicked off its comprehensive "It Just Means More" marketing campaign, it set out to show the other side of the SEC: one of history, legacy, and an overall positive impact on our people, our communities, our state, and our nation. In addition to a series of television and radio spots, print advertisements, and a social media strategy, this year the SEC continued to expand the reach of its "It Just Means More" campaign through the utilization of outdoor digital signage in cities hosting significant events.

SEC ACADEMIC INITIATIVES

SEC Celebrates Academic Achievement with Graduate Patch

A total of 140 football student-athletes wore the SEC Graduate Patch in 2019 post-season football bowl games. In 2018-19, more than 350 student-athletes wore the patch in all sports. The SEC introduced the patch in 2016 for student-athletes in all sports who have graduated but have not exhausted their eligibility. The SEC logo patch on their uniforms is replaced with a special patch highlighting the word "Graduate" underneath the conference logo. The patch is similar in design for all conference schools, but it is school-specific in color.

Through its academic relations program, the SEC supports programs and activities designed to highlight the teaching, research and service accomplishments of SEC students, faculty and staff, including related successes within the Conference's intercollegiate athletics programs. Its goals include:

- \bullet Advancing the academic reputation of SEC universities beyond the traditional SEC region
- Highlighting the endeavors and achievements of SEC faculty, students and administrators
- Identifying and preparing future leaders for high-level service in academia
- Increasing the amount and type of education abroad opportunities available to SEC students
- Supporting collaboration between SEC faculty and administrators

Current SEC academic initiatives include:

- The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has three components, a university-level development program; two SEC-wide three-day workshops held on specified campuses for all program participants; and a competitive fellowship for former participants.
- The SEC College Tour occurs twice annually, once in the fall and once in the spring. Enrollment administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.
- The SEC education abroad focus includes a cooperative agreement that gives SEC students access to international programs offered at other SEC universities and an engineering exchange agreement with the Politecnico di Torino in Italy.
- The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and teaching. There is one winner per campus and one overall winner for the SEC.
- The SEC Faculty Travel Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals, conduct research and deliver artistic performances.
- The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.
- The SEC Student Pitch Competition provides a showcase for young entrepreneurs as it pits teams of SEC students against one another in an idea pitch competition. Students present their innovative business ideas to a panel of SEC alums to determine those most worthy of a funding investment. The top teams receive various awards and recognition.

EVERY GAME COUNTS

The College Football Playoff (CFP) is a four-team event to determine college football's national champion on the field, while emphasizing the significance of college football's unique regular season where every game counts.

FOUR TEAMS

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents to decide among teams that are comparable.

TRADITION

The New Year's holiday period belongs to college football, with two semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl and Sugar Bowl.

CHAMPIONSHIP MONDAY

The two winning teams from the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

UNIVERSAL ACCESS

Every Football Bowl Subdivision (FBS) team has equal access to the College Football Playoff based on its performance. No team automatically qualifies.

GOVERNANCE

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve as the board of managers and govern the administrative operations, with commissioners (the Management Committee) managing the event. A small staff in the playoff office in Irving, Texas, carries out the day-to-day responsibilities.

SELECTION COMMITTEE

A talented group of high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are Gary Barta (chair), Paola Boivin, Tom Burman, Joe Castiglione, Rick George, Ken Hatfield, Ronnie Lott, Terry Mohajir, Ray Odierno, R.C. Slocum, Todd Stansbury, Scott Stricklin and John Urschel.

SELECTION COMMITTEE RESPONSIBILITIES

- Rank the top 25 teams and assign the top four to semifinals sites.
- Assign teams to New Year's bowls.
 - Create competitive matchups.
 - Attempt to avoid rematches of regular-season games and repeat appearances in specific bowls.
 - · Consider geography.

PARTICIPANTS IN THE NEW YEAR'S BOWLS

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest-ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome the highest-ranked teams, any displaced conference champions, and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.
