- 2013 National Runner-up (Mississippi State)
- 2001 National Champion (Birmingham-Southern)
- 2014 Baseball America/ABCA National Assistant Coach of the Year
- 2006 FCA Coach of the Year

• Recruited and coached 39 pitchers who were drafted out of college that weren't drafted out of high school

Butch Thompson enters his ninth season at the helm of the program in 2023, posting a record of 256-187-1 in his first eight seasons. He has led the program to the College World Series in two of the last four postseasons.

Butch Thompson was named Auburn's head baseball coach on October 22, 2015 and enters his ninth season with the Tigers in 2024.

Thompson has returned the Tigers to prominence in seven seasons on The Plains as he has guided the team to a 256-187-1 overall record and has advanced to the NCAA Tournament five of the last six postseasons, including three Super Regional appearances in the last five years and two trips to the College World Series in the last four postseasons.

Thompson, who spent three seasons as an assistant coach and recruiting coordinator at Auburn from 2006-08, returned to The Plains after seven seasons at Mississippi State as both associate head coach and pitching coach.

A native of Amory, Miss., Thompson has coached 33 Division I All-Americans and 46 all-conference performers. He has seen 21 of his former pitchers called up to Major League Baseball, including 15 since 2014. Thompson has also turned 39 pitchers who went undrafted out of high school into MLB draft picks.

Along with his pitching pedigree, Thompson is also considered one of the top recruiters in the country. Since 2003, he has secured 16 recruiting classes that were ranked in the top 10 by either Baseball America or Perfect Game, including the program record No. 4 class in 2017 and No. 5 class in 2022. His classes signed from 2006-08 at Auburn each ranked in the top 18 nationally.

In 31 years of coaching at the collegiate level, including 22 in the Southeastern Conference, Thompson has coached nine College World Series participants, including leading the Tigers to the program's first trip to the College World Series in 22 years in 2019 and taking the team back for the second time in three postseasons in 2022. Thompson became one of five active SEC coaches who have taken their program to a pair of College World Series in a three-year span. Thompson has also coached one national champion and a national runner-up, won nine conference championships and made 19 postseason appearances.

Thompson was named the 2006 Fellowship of Christian Athletes SEC Coach of the Year while at Auburn and the 2014 Baseball America and American Baseball Coaches Association (ABCA) National Assistant Coach of the Year while at Mississippi State.

During his tenure with the Tigers, Thompson led the team to three straight NCAA Tournament appearances from 2017-19 for the first time since 2001-03, including back-to-back super regionals in 2018 and 2019 for the first time in program history, and has now hosted back-to-back regionals for the first time in program history.

Auburn's second straight regional host bid in 2023 came thanks to a secondhalf run for the record books, and the Tigers became one of five programs in the country and two in the SEC to host each of the last two seasons.

Auburn posted a league-best 12-3 record in the final five weeks of conference play and finished the SEC season with 17 wins, the most since winning the SEC West in 2010. The Tigers finished top five in the league in back-to-back seasons for the first time since 2002-03. The 12-3 stretch was the program's best since also going 12-3 in the final 15 games of the 2010 season and the nine-game SEC winning streak at the end of the regular season and first game of the SEC Tournament was the team's longest since 1995.

Auburn has finished six of Thompson's eight seasons in the top 25, including three in the top 10. The No. 5 national ranking to finish 2022 was tied for the second highest mark in program history.

In seven seasons at MSU, Thompson made four NCAA regional trips, two Super Regionals, won the SEC Tournament and advanced to the College World Series

finishing as NCAA runner-up in 2013. In three of his last four seasons in Starkville, the Bulldogs' staff ERA finished no higher than 3.06. Thompson's 2013 pitching staff was one of two nationally to finish in the top 15 in ERA, strikeouts per nine innings and hits allowed per nine innings.

In addition to his experience at Auburn and Mississippi State, Thompson also spent four seasons at Georgia from 2002-05, including a trip to the College World Series in 2004. While there, he guided the development of future Major Leaguers Josh Fields, Mitchell Boggs and Brooks Brown.

Thompson launched his coaching career as pitching coach and top assistant at Huntingdon College (Ala.) in 1993, before returning to his alma mater in Birmingham, where he helped lead the Panthers to back-to-back Southern States Conference Championships and in 1995 coached BSC to its first NAIA World Series berth.

Thompson left BSC briefly to serve as head coach at Jefferson State Community College in Birmingham in 1997. While at JSCC, he was honored as the Regional Tournament Coach of the Year, the ABCA Alabama Junior College Coach of the Year and the Southeast Region Coach of the Year after guiding JSCC to a 39-21 mark, the AJCAA Region 22 State Championship and a thirdplace finish in the NJCAA Division II World Series.

He returned to Birmingham-Southern as top assistant the following season, beginning a four-year run during the most successful span in BSC baseball history. The Panthers won 196 games and four TranSouth Conference Championships and made three-consecutive appearances in the NAIA World Series. BSC's 2001 team posted a school-best 55-11 mark and captured the NAIA National Championship.

In 2002, Thompson joined the SEC baseball coaching fraternity as a pitching coach and recruiting coordinator at Georgia and has been a part of the league for the past 22 seasons.

Thompson currently serves as the large-school representative for the Alabama Baseball Coaches Association and is an All-American committee member representing the South region for the American Baseball Coaches Association.

Thompson prepped at Amory (Miss.) High School and later starred as a pitcher at Itawamba (Miss.) Community College from 1989-90. He is a member of both the ICC Athletic Hall of Fame (Class of 2014) and MACCC Hall of Fame (Class of 2021).

Thompson earned a Bachelor's Degree in History at BSC in 1992 and completed a Master's Degree in Sports Administration at UAB in 1996. He is married to the former Robin Ashe of Birmingham, Ala., and they are the parents of three daughters -- Anna, Olivia and Madelyn Gail -- and the grandparents of Mary Gail Moreman.

THE FUTURE OF PLAINMAN PARK

Auburn Athletics finalized plans for the previously approved \$30 million Plainsman Park renovation project last summer.

The renovations are highlighted by the additions of three new premium experiences – the Hall of Fame Club, First Base Club, and Home Plate Club – as well as a unique general admission space atop the War Eagle Wall in left field.

HALL OF FAME CLUB

A tribute to Auburn, Southeastern Conference and Major League Baseball great Frank Thomas, the Hall of Fame Club will add approximately 100 premium seats at field level and is open for the 2024 season. Divided between two tiered rows, these high-end leather seats will offer a dynamic field-level view behind home plate. Club members will have access to a 3,000-square foot climate-controlled club space featuring food, drinks, televisions, restrooms, and indoor seating.

FIRST BASE CLUB

A new three-story structure that will complement Plainsman Park's classic ballpark architecture, the expanded Plainsman Patio and First Base Club will provide a variety of new fan experience offerings, including indoor and outdoor viewing areas, new concession offerings, expanded restrooms, and more. The space will be completed for the 2025 season.

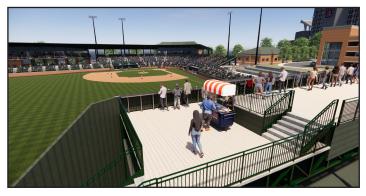

At inner-concourse level, the new covered Plainsman Patio space will provide expanded standing room space, while offering access to an all-new walk-in concession market.

The third level will feature an all-new upscale ballpark experience with the First Base Club. This area is expected to include approximately 200 new seats ranging in type from cushioned chairback seats to outdoor loge seating options, and will offer elevated food and beverage options, a climatecontrolled indoor space, as well as private restrooms.

HOME PLATE CLUB

By relocating the existing press box to a new location on the third level of the First Base Club structure, a new high-end club experience will be developed atop the home plate grandstands. With one of the best views in the ballpark, this area is expected to include approximately 50 high-end seats and a climatecontrolled environment with access to food, drinks, restrooms, and more premium amenities. This space will be completed prior to the 2025 season.

WAR EAGLE WALL

The experience Auburn fans love within the Tiger Terrace along the third base line will soon be expanded to provide access to a unique experience atop the War Eagle Wall in left field. A general admission space that will be completed for the 2025 season, this project will add a two-tiered terrace atop the wall to provide a one-of-a-kind experience in college baseball.

ENHANCED STUDENT EXPERIENCE

As Auburn University students continue to pack Plainsman Park, the first phase of renovations prior to the 2024 season will provide an enhancement to the current standing room area beyond the right-center field fence. This portion of the project will provide a multi-tiered, elevated platform to bring students closer to the action while providing expanded standing room capacity.

EXPANDED AND RENOVATED TEAM SPACES

The third phase of the project will include upgrades to the student athlete experience through renovated and expanded team spaces. These upgrades include a renovation and expansion of the Tim Hudson Locker Room, a new bullpen and pitching lab, new weight room and nutrition area, new team meeting room, and new coaches' offices. This phase of the project is scheduled to be completed throughout 2025-26.
