SEC SENDS NATIONAL RECORD-HIGH 12 TEAMS TO POSTSEASON IN 2016

BIRMINGHAM, Alabama (December 4, 2016) – Twelve Southeastern Conference football teams learned their post-season bowl destinations on December 4, including No. 1-ranked Alabama which will play No. 4 Washington in the Chick-fil-A Peach Bowl on December 31 in a semifinal game in the College Football Playoff.

On Sunday, the College Football Playoff committee first selected teams for the national semifinal games, the Chick-fil-A Peach Bowl and the PlayStation Fiesta Bowl. The committee later announced the participants in the Allstate Sugar Bowl, Capital One Orange Bowl, Good Year Cotton Bowl and the Rose Bowl Game presented by Northwestern Mutual.

From the SEC, Auburn will play Oklahoma in the Allstate Sugar Bowl as the highest ranked SEC team in the CFP rankings not included in the national semifinals.

Next, the Buffalo Wild Wings Citrus Bowl selected LSU from the SEC to play an opponent from the ACC.

This marks the third year the conference assigned league schools to a "Pool of Six" bowls that include the Belk Bowl in Charlotte, the AdvoCare V100 Texas Bowl in Houston, the TaxSlayer Bowl in Jacksonville, the AutoZone Liberty Bowl in Memphis, the Franklin American Mortgage Music City Bowl in Nashville and the Outback Bowl in Tampa.

Texas A&M will play a Big 12 opponent in the AdvoCare V100 Texas Bowl, Arkansas will play an ACC opponent in the Belk Bowl, Georgia will play Big 12 opponent in the AutoZone Liberty Bowl, Tennessee will play a Big Ten opponent in the Franklin American Mortgage Music City Bowl, Kentucky will play an ACC opponent in the TaxSlayer Bowl and Florida will play a Big Ten opponent in the Outback Bowl.

The selection process for the Pool of Six bowls was based on preferences expressed by the SEC's bowl eligible schools, input from the SEC's affiliated bowls, travel considerations, attention to previous matchups and additional relevant factors.

"The Pool of Six participants are determined after conversations with bowl partners and discussions with school personnel in order to create a lineup of compelling bowl games for our schools and their fans," said SEC Commissioner Greg Sankey. "This process provides an opportunity to create intriguing matchups, consider potential attendance factors and variations of assignments to help prevent repetitive postseason destinations."

Following the Pool of Six bowls, the Birmingham Bowl selected South Carolina to play an opponent from the American Athletic Conference and the Camping World Independence Bowl selected Vanderbilt to play an ACC opponent. In addition, Mississippi State qualified for the St. Petersburg Bowl with a 5-7 record by virtue of how its Academic Progress Rate ranked among other schools with a similar record.

2016 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards and the coach's high end zone and high 50 yard line cameras. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Scoring Plays

Reviewable plays involving a potential score include:

- a. A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]
- b. Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

Passes

Reviewable plays involving passes include:

- a. Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- b. Forward pass touched by a player (eligible or ineligible) or an official.
- c. Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
- d. A forward pass or forward handing after a change of team possession.
- e. Pass ruled forward or backward when thrown from behind the neutral zone.
 - 1. If the pass is ruled forward and is incomplete, the play is reviewable only if the ball goes out of bounds or if there is clear recovery of a loose ball in the immediate continuing action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 - 2. If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- a. Loose ball by a potential passer ruled a fumble.
- b. Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
 - 1. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.

2016 SEC Football

2. If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.
- c. Live ball not ruled dead in possession of a ball carrier.
 - d. Loose ball ruled dead, or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing action.
 1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.
 2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.
 - e. Ball carrier's forward progress, spot of fumble, or spot of out of bounds backward pass, with respect to a first down.
 - f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.
 - g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.
 - h. Catch, recovery or touching of a loose ball by a player in bounds or out of bounds.
 - i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.
 - j. Catch or recovery of a loose ball in the field of play or an end zone.
 - k. Forward fumble that goes out of bounds with respect to a first down.

Kicks

Reviewable plays involving kicks include:

- a. Touching of a kick.
- b. Player beyond the neutral zone when kicking the ball.
- c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.
- d. Scrimmage kick crossing the neutral zone.
- e. Blocking by Team A players before they are eligible to touch the ball on an on-side kick.

Targeting

- a. All targeting fouls shall be reviewed. The review includes all aspects of the targeting foul to ascertain whether there is at least one indicator of targeting action.
- b. The Replay Official may create a targeting foul, but only in egregious instances in which a foul is not called by the officials on the field. Such a review may not be initiated by a coach's challenge.

Miscellaneous

Situations that may be addressed by the replay official:

- a. The number of players on the field for either team during a live ball.
- b. Clock adjustment and status when a ruling is reviewed.
- c. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
 2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);
 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.
- d. Correcting the number of a down.
 1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.
 2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.
- e. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).

Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and -e and 12-3-5-a).

Reviewable Fouls

The following plays are reviewable and the replay official may create a foul when there is no call by the on-field officials:

- a. Player making a forward pass or forward handoff when beyond the neutral zone or after a change of possession.
- b. Player beyond the neutral zone when kicking the ball.
- c. Blocking by Team B players before they are eligible to touch the ball on an onside kick.
- d. The number of players on the field for either team during a live ball.
- e. Illegal touching of a forward pass by an originally eligible receiver who has gone out of bounds.
- f. Player who is out of bounds touching a free kick that had not been touched inbounds.
- g. Forward pass that becomes illegal as a second pass after an on-field ruling of a backward pass is reversed.
- h. A clear, obvious and egregious targeting foul.

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSPORT. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSPORT Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Seven of the eight on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS

* For the 2016 season, the SEC will utilize the new experimental rule that allows personnel in a separate secure location identified by the conference to assist the Instant Replay Official at the stadium in making decisions. The SEC will locate 3 Instant Replay Officials in the SEC Video Center each week to collaborate with the onsite Replay Official during any replay stoppage. The 3 Replay Officials in the Video Center will have real time video and communications with the Replay Official in the stadium to aid in this collaboration. The goal of this process will be consistency in decision making and to help avoid incorrect outcomes.

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of a half the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT

Each SEC member institution uses the new multi-view HD Replay System developed by DVSPORT. The replay systems are maintained by the home institution with technical support from DVSPORT.

SEC SENDS NATIONAL RECORD-HIGH 12 TEAMS TO POSTSEASON IN 2016

BIRMINGHAM, Alabama – Twelve Southeastern Conference football teams learned their post-season bowl destinations on December 4, including No. 1-ranked Alabama which played No. 4 Washington in the Chick-fil-A Peach Bowl on December 31 in a semifinal game in the College Football Playoff. The SEC has advanced to the College Football Playoff in each of the first three seasons, earning the No. 1 slot two of the three years.

The College Football Playoff committee first selected teams for the national semifinal games, the Chick-fil-A Peach Bowl and the PlayStation Fiesta Bowl. The committee later announced the participants in the Allstate Sugar Bowl, Capital One Orange Bowl, Good Year Cotton Bowl and the Rose Bowl Game presented by Northwestern Mutual.

This marks the third year the conference assigned league schools to a "Pool of Six" bowls that include the Belk Bowl in Charlotte, the AdvoCare V100 Texas Bowl in Houston, the TaxSlayer Bowl in Jacksonville, the AutoZone Liberty Bowl in Memphis, the Franklin American Mortgage Music City Bowl in Nashville and the Outback Bowl in Tampa.

The SEC has now won 22 games in the last three postseasons, also a national record.

With 12 teams advancing to bowl games this season, the SEC became the first conference to send at least 10 teams to postseason bowls in four consecutive seasons. The SEC also sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last ten seasons.

The SEC established a national-record with nine postseason victories in 2015 and owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014.

SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. **Two-Team Tie.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- A. Head-to-head competition between the two tied teams;
- B. Records of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;
- G. Best cumulative Conference winning percentage of non-divisional opponents; and

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2
 Western 2 Eastern Opponents: 12-4
 (Western 1 would be the representative)

H. Coin flip of the tied teams.

2. **Three-Team Tie (or more).** If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- A. Combined head-to-head record among the tied teams;
- B. Record of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall Conference record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- G. Best cumulative Conference winning percentage of non-divisional opponents (Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2
 Western 2 Eastern Opponents: 12-4
 Western 3 Eastern Opponents: 8-8
 (Western 1 would be the representative)

H. Coin flip of the tied teams with the team with the odd result being the representative (Example: If there are two teams with tails and one team with heads, the team with heads is the representative).

2016 SEC CHAMPIONSHIP GAME

The Southeastern Conference's Eastern and Western Division winners met in Atlanta's Georgia Dome to battle for the league championship and the right to represent the conference in the College Football Playoff. The 25th-annual title game was played December 3 and was televised nationally by CBS Sports.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations at the time, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

The 2016 SEC Championship Game was the highest rated championship game in the nation and second highest rated game of the entire 2016 season. Overall the SEC in on CBS had four of the Top 10 Most Watched College Football games this season and seven of the Top 20.

The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 23 capacity crowds in its 25-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), recently announced an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2026. The new agreement allows the SEC the option of adding up to two successive five-year extensions.

The Georgia Dome has hosted the SEC Championship Game for 23 years beginning in 1994, with capacity crowds in the last 21 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years. Mercedes-Benz Stadium is set to open in 2017, with 2016 set to be the final SEC Championship Game held in the Georgia Dome.

It was his senior season when he helped lead Georgia win its first SEC championship in 20 years, the same year he was named to the CoSIDA Academic All-America Team for the second year in a row. He also was one of 11 Division I players nationally to be named to the AFCA National Good Works Team for outstanding contributions to community service. A 2002 recipient of the National Football Foundation Post Graduate Scholarship, Stinchcomb was drafted by the New Orleans Saints in the second round of the 2003 NFL Draft, was recipient of the Saints Man of the Year Award for 2008, and was a starting offensive lineman on the Saints' 2010 Super Bowl Championship team.

KENTUCKY – James Whalen, Tight End, 1997-1999

Kentucky tight end James Whalen had a storybook rags-to-riches collegiate career. After first joining the Wildcats as a walk-on, he eventually became a mainstay in the Kentucky lineup and soon was recognized as one of the best in the country at his position. He earned first-team All-America honors from the Walter Camp Football Foundation, Associated Press, CNN/SI and CBS SportsLine in 1999. A sure-handed receiver who also earned consensus All-SEC honors, Whalen caught 90 passes his senior campaign, totaling 1,019 yards and 10 touchdowns as he led the nation's tight ends in all three categories. He was named the 1996 SEC Most Outstanding Lineman by the Birmingham Monday Morning Quarterback Club, and he finished his collegiate career ranked second among Ole Miss tight ends in passes caught and third in receiving yards. Mangum enjoyed a 10-year career in the NFL with the Carolina Panthers, retiring after the 2006 season as the fifth-leading receiver in franchise history with 151 catches for 1,424 yards and nine TDs and third in team history in games played with 126. Although he didn't start playing football until the tenth grade, he started all 24 games of his career at Mississippi State while earning second-team All-America honors by the Sporting News and second-team All-SEC accolades by the Associated Press as a senior. Thomas was selected in the second round of the 1999 NFL Draft by the New York Jets, becoming the highest drafted MSU offensive lineman since 1976 at the time. Thomas played 11 NFL seasons, starting 143 games from 1999-2009 that included stints with the Jets and Washington Redskins.

MISSOURI – Justin Smith, Defensive End, 1998-2000

Missouri defensive end Justin Smith was one of the top pass rushing defensive ends in Tiger history. Smith was a first-team All-American as a junior in 2000 before bypassing his final year of eligibility for the NFL. In his final season as a Tiger, he recorded 97 total tackles and 11 quarterback sacks, both Mizzou season records at the time. In just three years, he established the MU career sacks record with 22.5. Smith went on to become the highest-ever draft pick by a Mizzou Tiger when he was selected with the No. 4 overall pick of the 2000 NFL Draft by the Cincinnati Bengals. He turned in a stellar 14-year NFL career, becoming one of the league's most feared defenders in seven seasons with the Bengals and the San Francisco 49ers. He was selected for five consecutive Pro Bowls (2009-2013), and was named to the AP All-Pro Team in both 2011 and 2012. Sports Illustrated named him the NFL Defensive Player of the Year in 2011 and he helped lead the 49ers to Super Bowl XLVII.

SOUTH CAROLINA – Travele Wharton, Offensive Tackle, 2000-2003

A highly-decorated player during his career, Wharton earned Freshmen All-America honors from The Sporting News in 2000. As a senior in 2003, Wharton anchored an offensive line that allowed only 10 sacks the entire season. He was named a team captain as a senior and earned All-SEC recognition before he was chosen to play in the Senior Bowl. He was selected by Carolina in the third round of the 2004 NFL Draft, and logged a 10-year NFL career with the Panthers and Cincinnati Bengals, starting 111 of the 115 games in which he played.

Grant helped lead the Vols to the inaugural BCS National Championship in 1998. He remains the last Vol to intercept three passes in a game as he accomplished the feat on Oct. 2, 1999 vs. Auburn. Grant was selected in the second round draft of the 2000 NFL draft by the Carolina Panthers and played 12 seasons in the NFL for Carolina, Jacksonville, Seattle and the New York Giants. He earned a Super Bowl ring with the Giants in their win over New England in Super Bowl XLVI.

During his career at Texas A&M, the Aggies compiled a record of 41-6-1 and was 25-2-1 in the SWC. Mickens started 36 games at cornerback and with his help the Aggie defense ranked No. 3 in the country in total defense his senior season and in 1993 the Aggie pass defense led the country in pass efficiency defense. He was a third-round draft pick of the New York Jets in 1996 and played through the 2003 season for the Jets before suffering a torn ACL and missing the 2004 season. He finished his NFL career playing for the Cleveland Browns (2005) and New England Patriots (2006).

VANDERBILT – Chris Williams, Offensive Tackle, 2005-2007

Vanderbilt offensive tackle Chris Williams arrived on the Vanderbilt campus as an undersized and under-recruited offensive line candidate. He left as one of the greatest linemen in Commodore team history. After adding more than nearly 60 pounds of bulk during his first two years on campus, Williams quickly established himself in 2005, becoming a starter at left guard as a sophomore. Williams later developed into one of the nation's premier left tackles, earning first team All-Southeastern Conference honors as a senior in 2007. After graduating, Williams was selected as the No. 14 overall pick in the 2008 NFL Draft by the Chicago Bears, becoming the first Commodore offensive lineman in more than two decades to be taken in the first round of the draft.
