Much special thanks to Todd Van Emst, Kathy Harker and Scott Scroggins.

"My style is based around one word, that's pressure. We're going to oppose pressure to our opposing team for 40 minutes starting on the defensive end of the floor. That's where you win and compete for championships, on the defensive end of the floor. I believe in a man-to-man, hard-nosed, in your face, 40 minutes full-court selectively, when you can, (defense). I want to create a lot of our offense off of our defense. We'll play an up-tempo style that's fun and exciting for the team to play, fun and exciting for the fans to watch, but it's not helter-skelter."

-- Coach Tony Barbee

Building a Winner

Recruiting the Nation's Best

"We are going to go after and attract the best players in the country - the best that fit with me, Auburn University, with the Auburn Family and what it stands for.

"We are not going to be afraid of going after the best players in the state of Alabama.

"We are not going to be afraid of going after the best players in the Southeast region.

"We are not going to be afraid to go after the best players anywhere in the country. I promise you that."

-- Coach Tony Barbee

"I will never lose sight of our main goal, making sure every single one of these men walk out of Auburn University with a degree that is going to put them on track for long-term success."

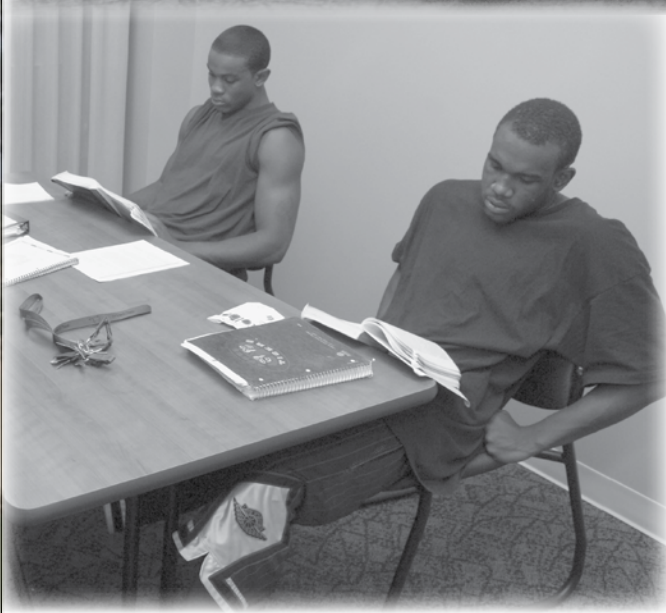

-- Coach Tony Barbee

Auburn Academic Support

Ralph B. Draughon Library

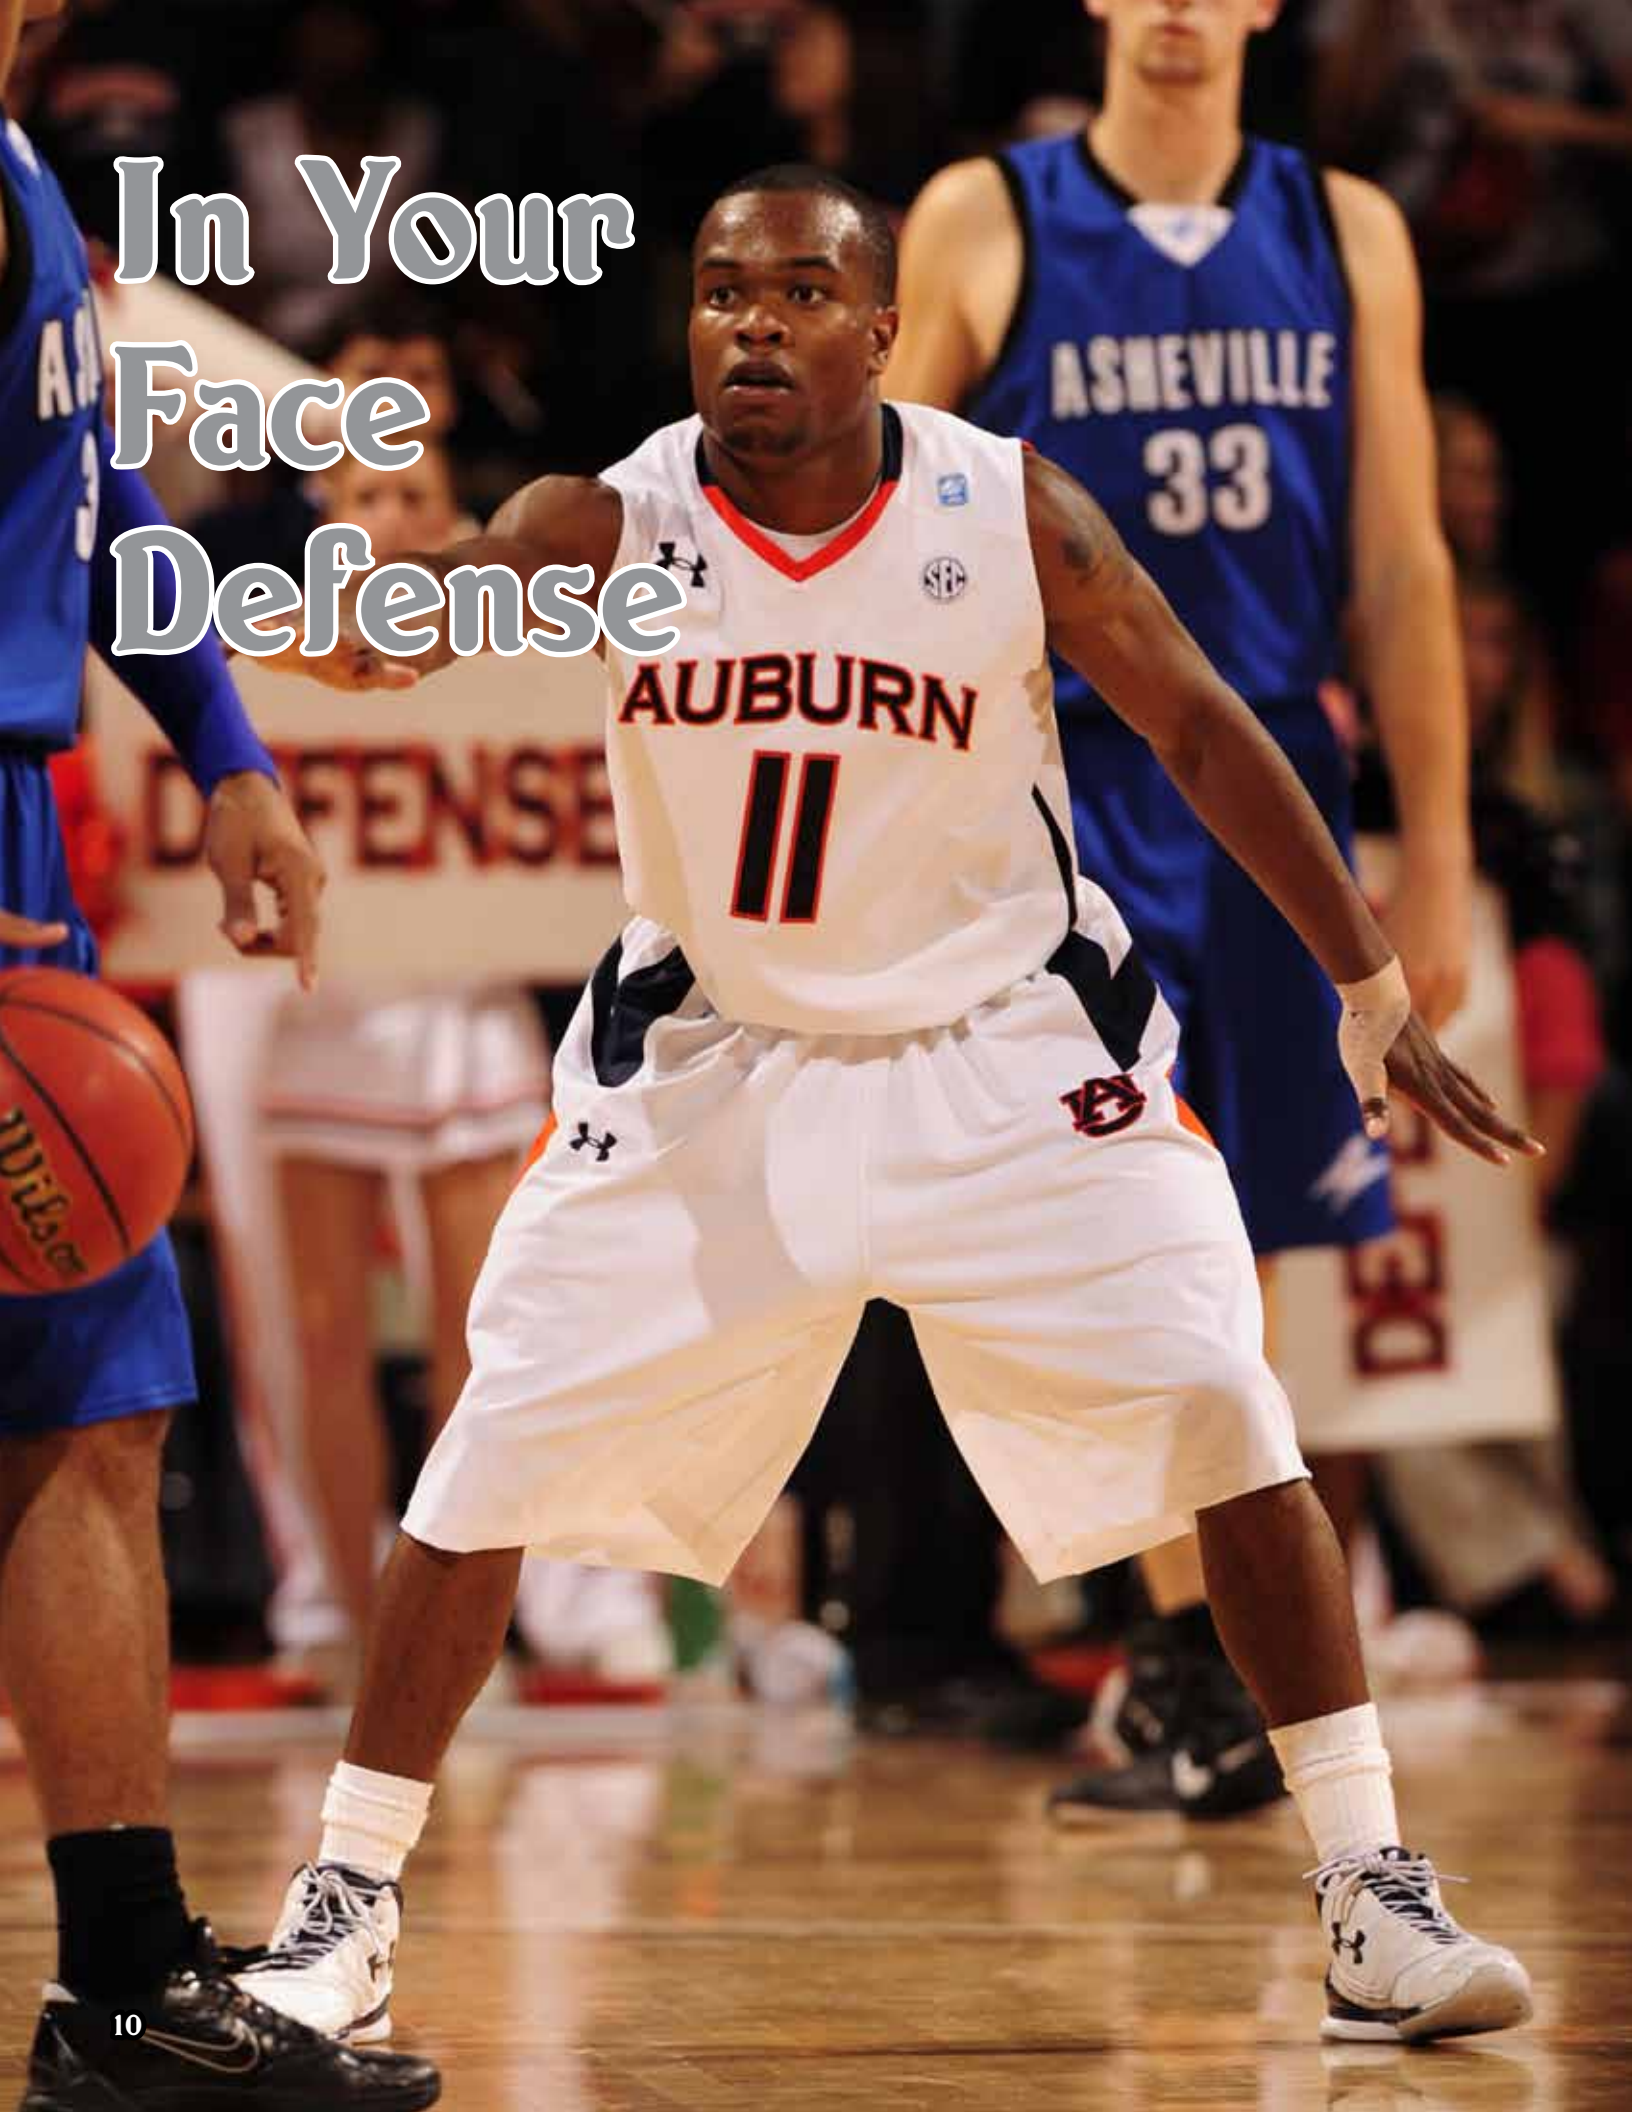

Dribble Drive Offense

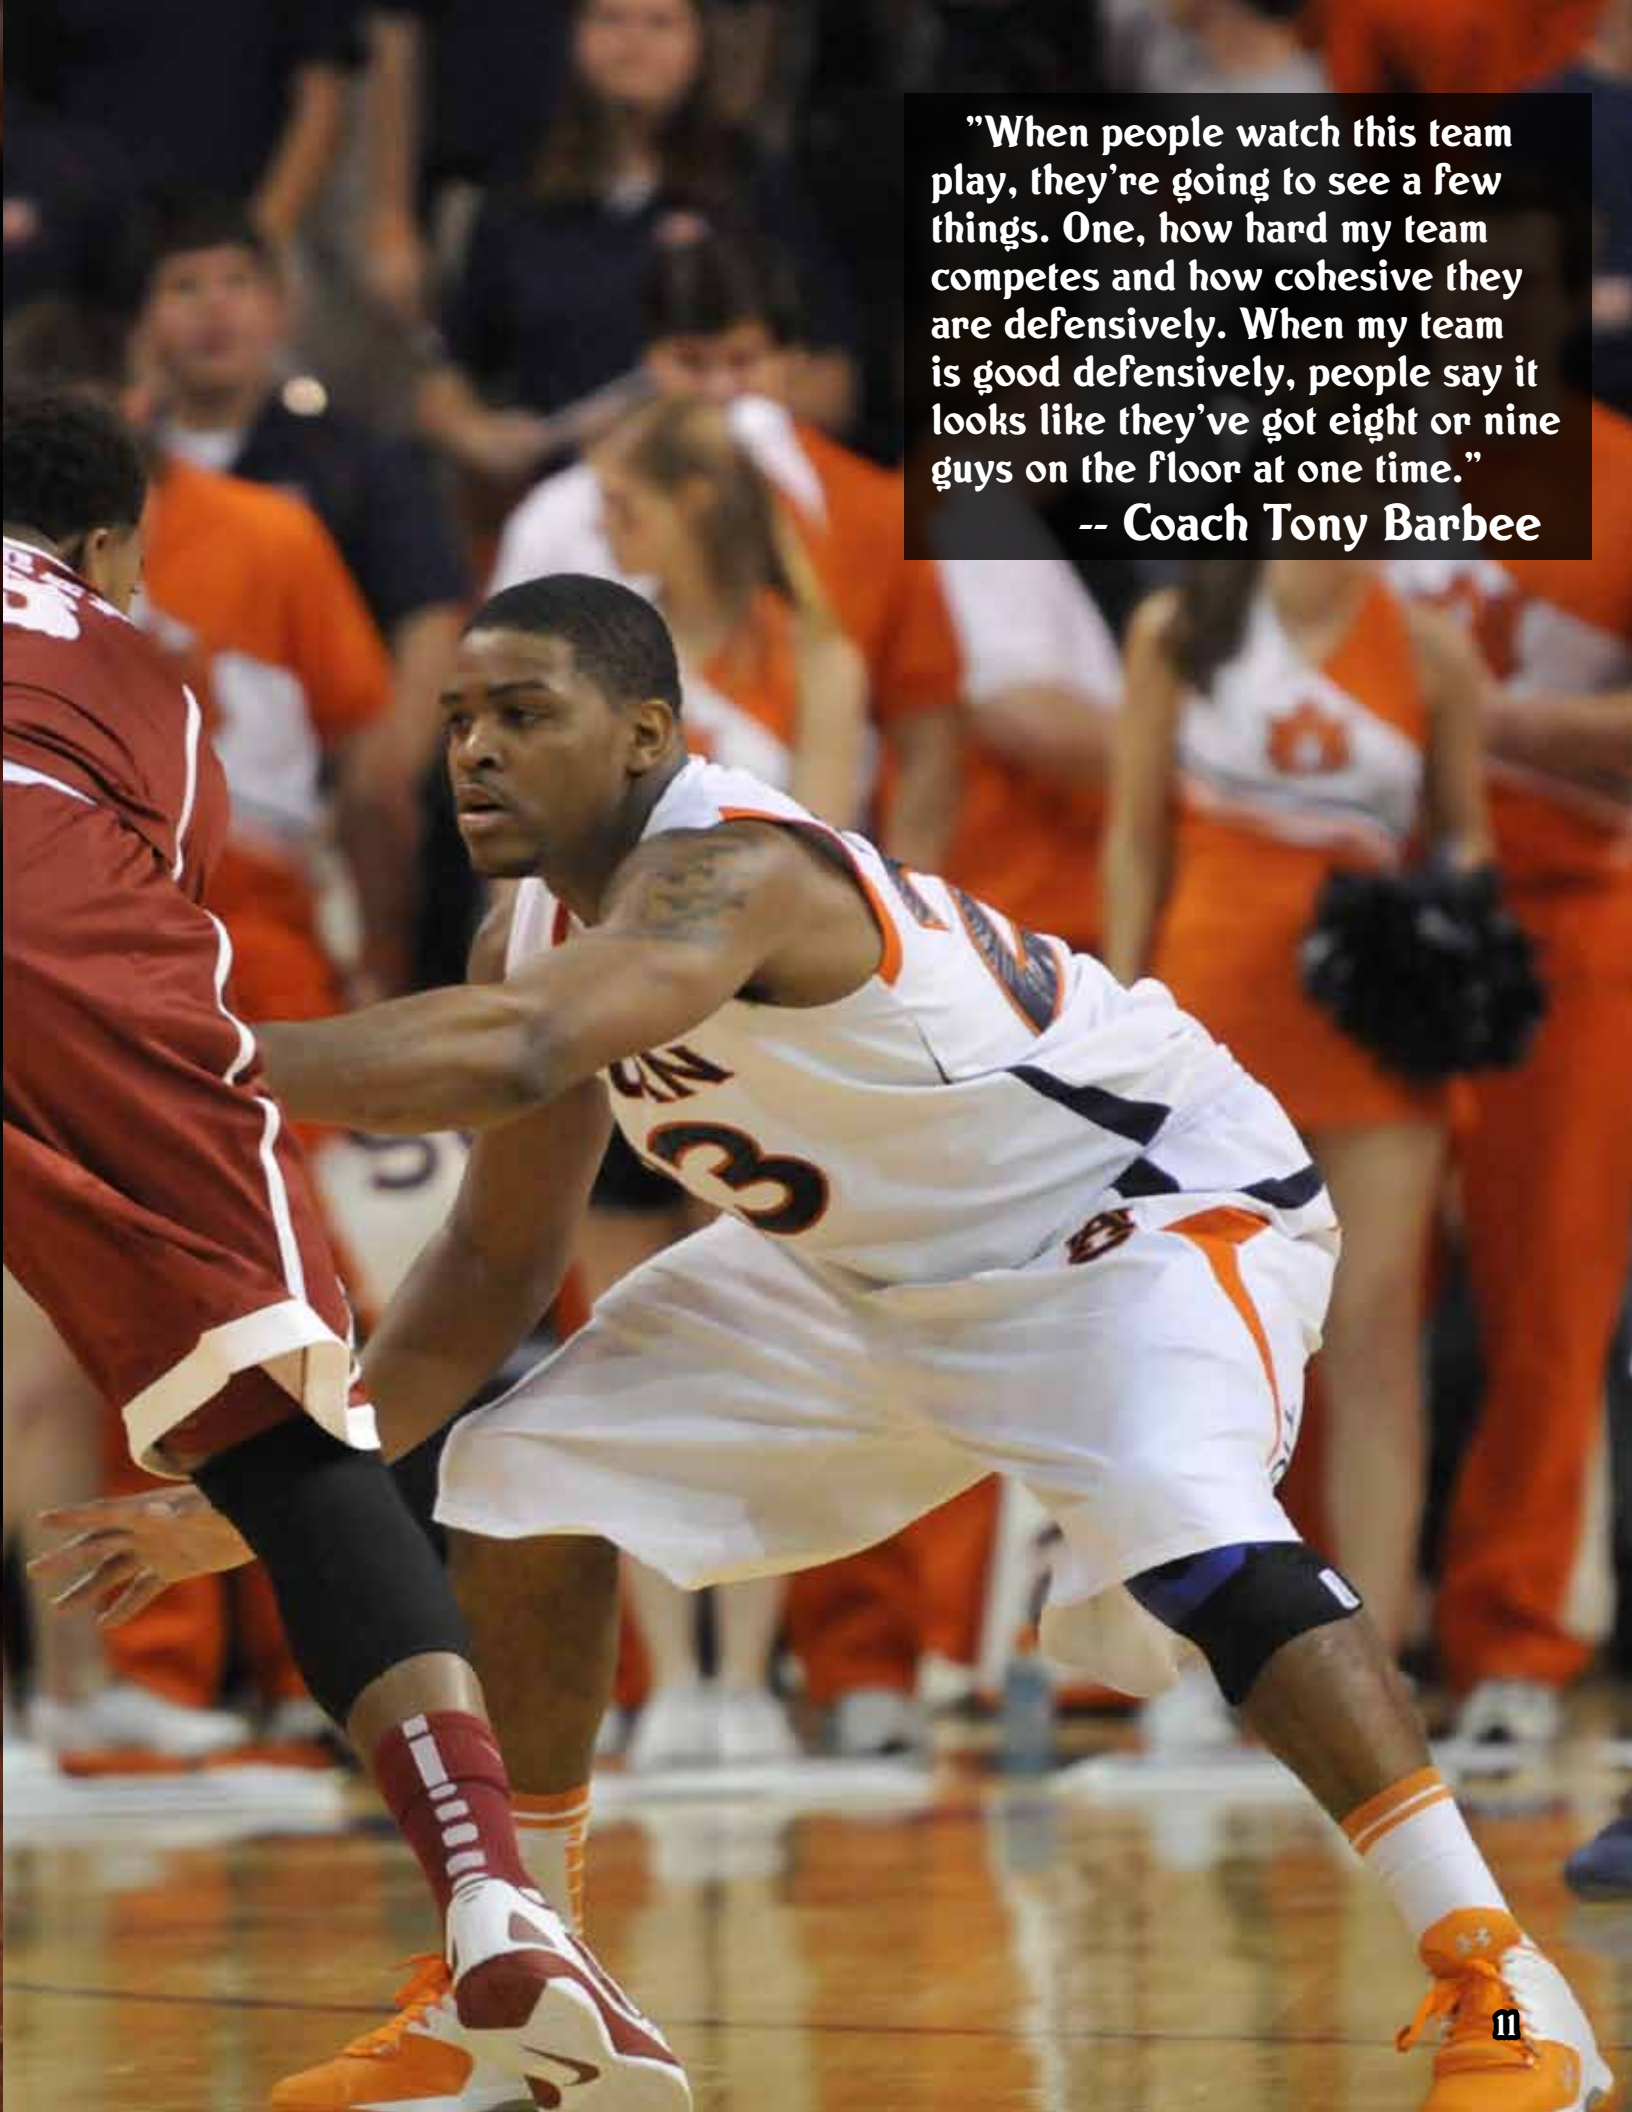

"It's a system where you get five guys on the floor at any one time using their talents individually for the collective unit of the team. It's that in a nutshell. It's about spacing. It's an evolving offense depending on the strengths of your team."

-- Coach Tony Barbee

In Your Face Defense

"When people watch this team play, they're going to see a few things. One, how hard my team competes and how cohesive they are defensively. When my team is good defensively, people say it looks like they've got eight or nine guys on the floor at one time."

-- Coach Tony Barbee

Be a Part of Something Special

"The excitement level is at an all-time high. The expectations to go along with that are very high."

-- Coach Tony Barbee

Auburn & Coach Tony Barbee:

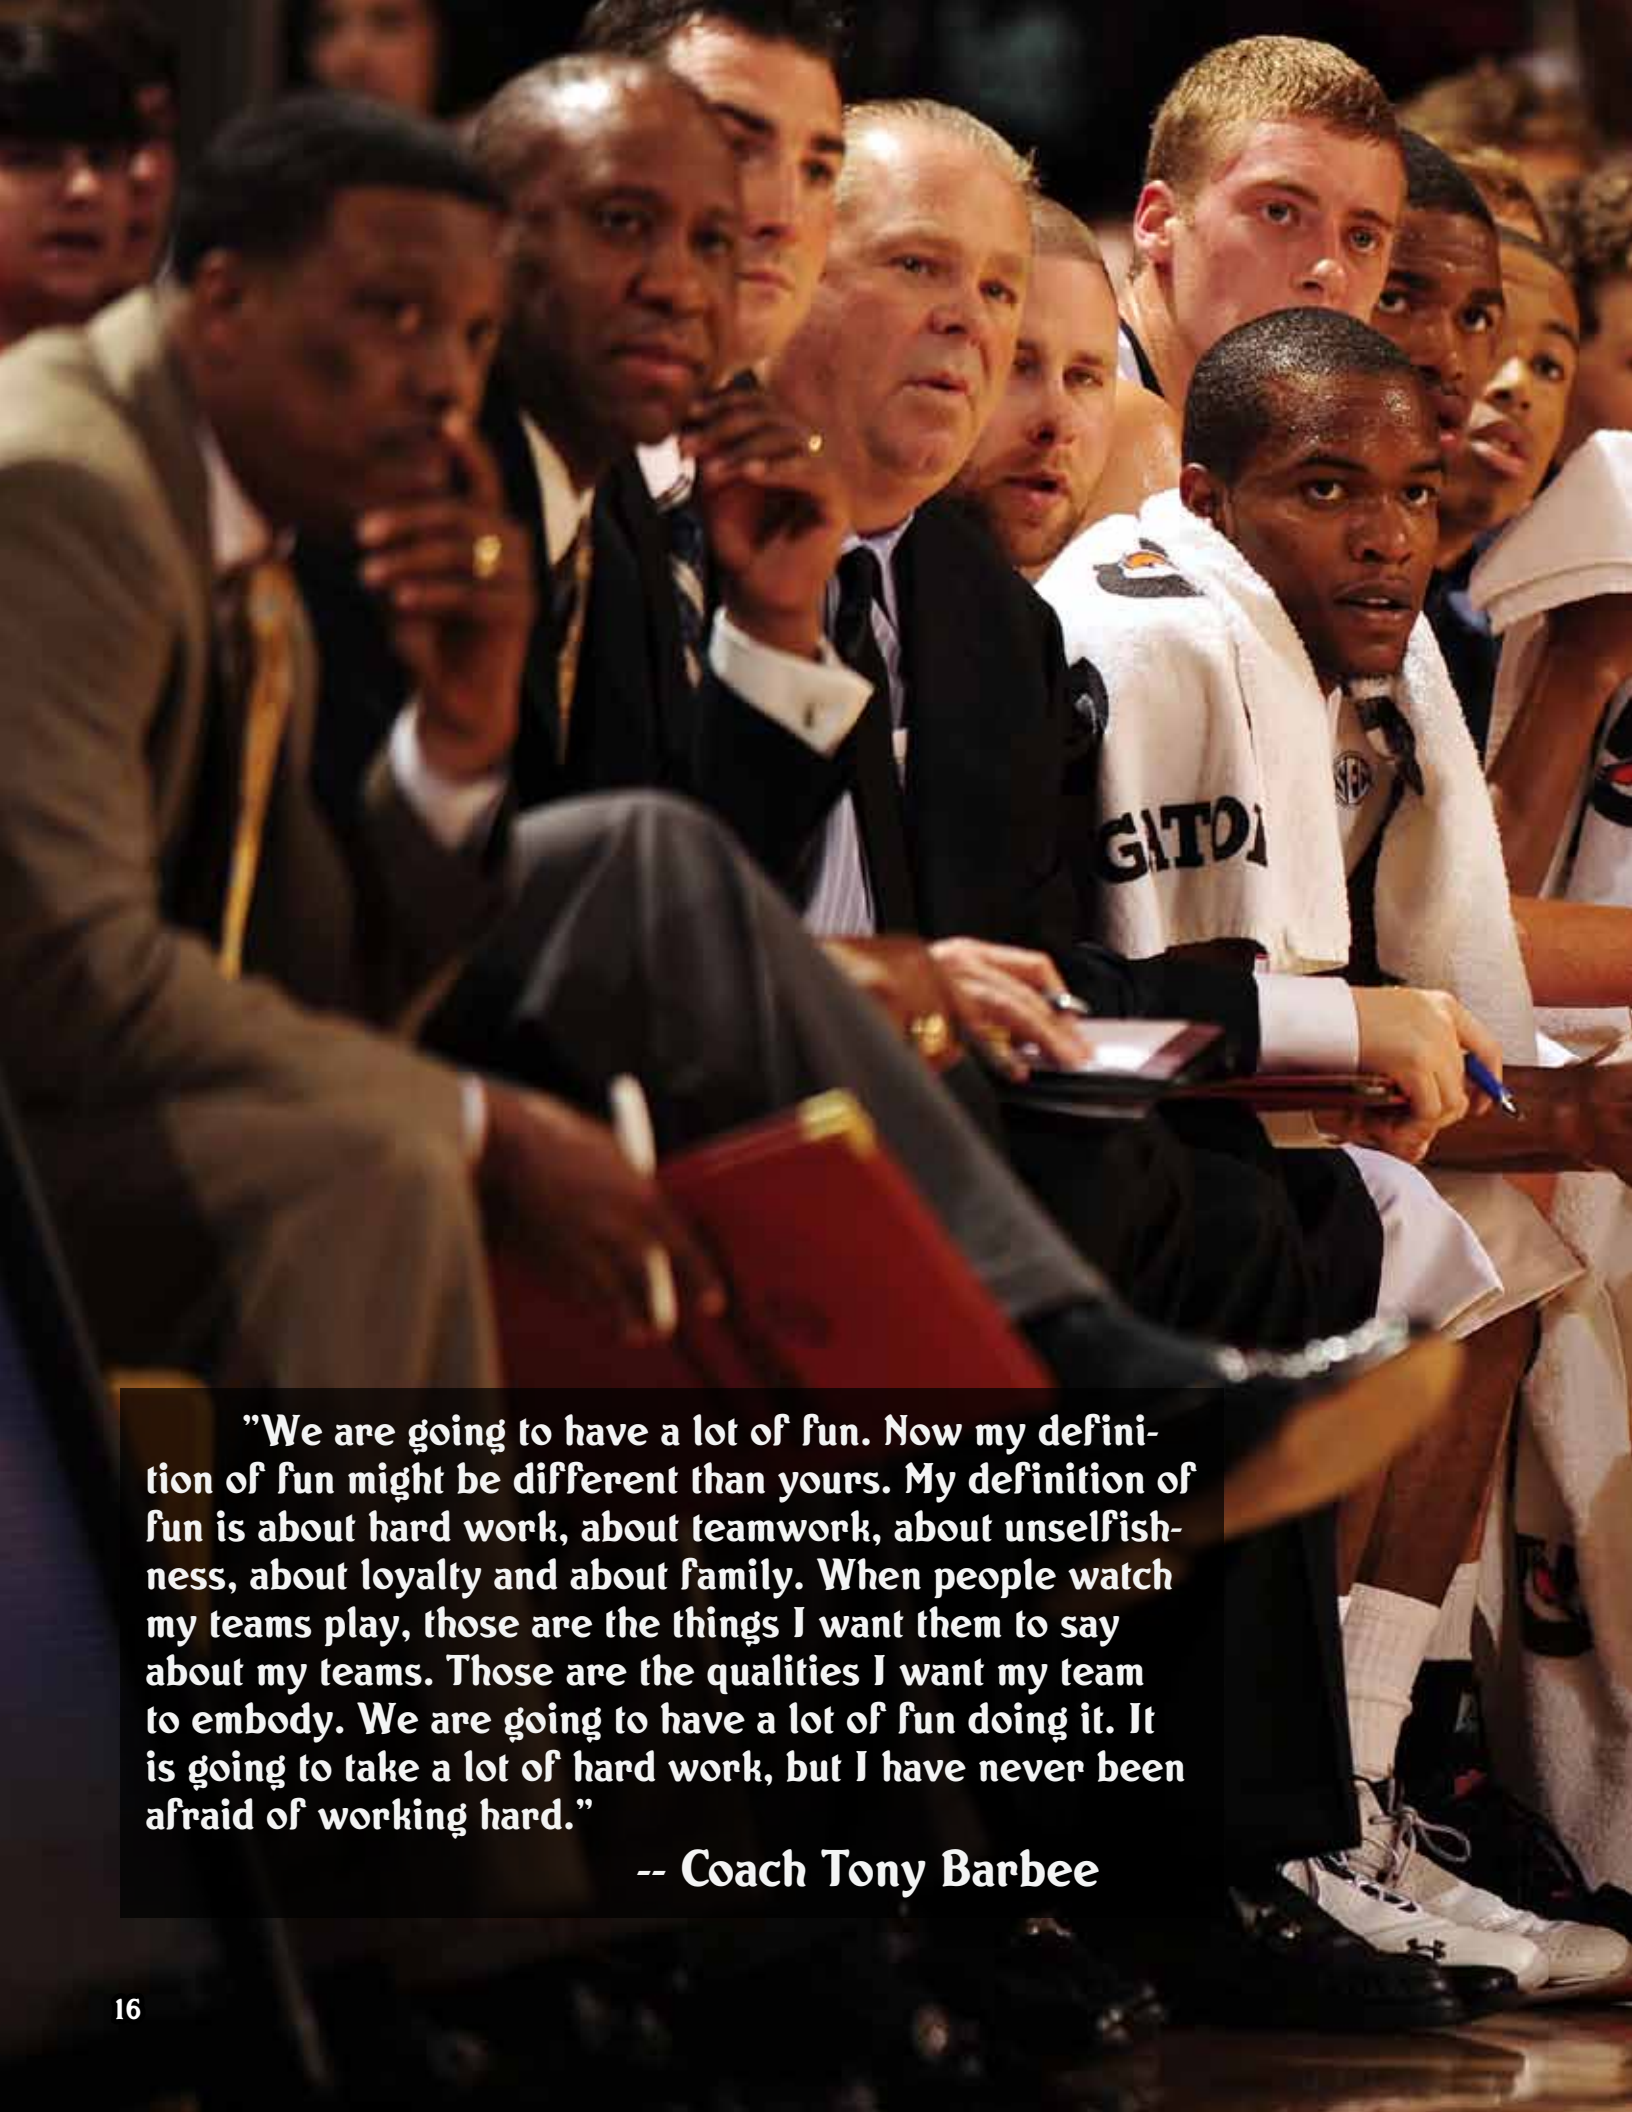

A Brand New Beginning

"War Eagle! It is a great day to be an Auburn Tiger! This unbelievable university, the community, the history of this program, and now when you add this arena on top of that has been made. The commitment I make to you is to take this men's basketball program to heights it has never been before. That is my commitment to you. We will play an exciting style of basketball. It will be fun for the fans. It will be entertaining. It will be fun for the players. In my 21 years in college basketball, I have been in post-season play 18 of 21 years. And I am madder than heck those three years we missed it."

-- Coach Tony Barbee

"We are going to have a lot of fun. Now my definition of fun might be different than yours. My definition of fun is about hard work, about teamwork, about unselfishness, about loyalty and about family. When people watch my teams play, those are the things I want them to say about my teams. Those are the qualities I want my team to embody. We are going to have a lot of fun doing it. It is going to take a lot of hard work, but I have never been afraid of working hard."

-- Coach Tony Barbee

The Auburn Family

AUBURN UNIVERSITY

Auburn's beautiful main campus--graced by greenery and open spaces and highlighted by historic Samford Park--is made up of 375 buildings spread across 1,875 acres. Buildings in the main campus area are within walking distance of each other. Residence halls are only a short walk from classrooms, dining and athletic facilities. Auburn is located in the Southeastern United States in east-central Alabama about 30 miles from the Georgia border.

One of the state's fastest growing cities, Auburn has a population of about 47,000. An adjacent twin-city, Opelika, has a population of about 30,000. Atlanta, Ga., is only 100 miles to the northeast via Interstate 85; Birmingham is 100 miles to the north via U.S. 280 or I-85/65; Montgomery is 50 miles to the west via I-85; and the Gulf beaches are about 200 miles away. The university enjoys the advantages of security, seclusion and clean air and water. Auburn is a clean city with a mild climate that offers many cultural opportunities.

- AU has been ranked in the top 50 of public institutions for the past 15 years by U.S. News & World Report, is among the top 15 percent of colleges ranked by the Princeton Review, and has academic programs that score high in national surveys.

- AU invests in extensive national assessments to obtain quality, data-driven information for measuring and continually improving instruction and student preparation.

- More than 92 percent of our students and more than 95 percent of our alumni say that if they could start college over again, they would choose Auburn.

- A 2005 Harvard survey ranked AU as one of the top six colleges and universities in the country as a place for young faculty to work, which has a lot to do with actively engaging students.

- AU is the only university in the country to offer an undergraduate degree in wireless engineering, and the first in the Southeast to offer degrees in software engineering.

- AU's Draughon Library is the largest library in the state, with 2.9 million volumes. The library subscribes to 19,000 journals and 256 electronic databases, provides library instruction and tours to students, prospective students and parents, and serves as an instructional resource for faculty.

Auburn People

Auburn faculty and alumni are world-class achievers in practically every arena. Here are just a few examples:

- AU has graduated more than 210,000 students since it began in 1856. Currently, we have more than 193,000 alumni living around the world.
- There are more than 94 Auburn clubs around the country who have raised more than \$220,000 for scholarships. Two clubs have endowments of more than \$100,000 and the Alumni Association Endowment stands at more than \$2.3 million.
- The Student Alumni Association, with membership of 2,700 students, recently established a student scholarship for it's rising senior members.
- The Auburn Alumni Association has more than 47,000 members and contributes more than \$95,000 each year toward professorships and other faculty awards.

A Diverse University

A photograph of a cheerleader in the foreground, wearing a black sequined top and holding black pom-poms, with a flutist in a blue and red uniform in the background. The cheerleader is looking upwards and to the left, with her mouth open as if cheering. The flutist is in the background, playing a flute. The scene is set at a sporting event, likely a football game, with a crowd of spectators visible in the background.

City of Auburn ...

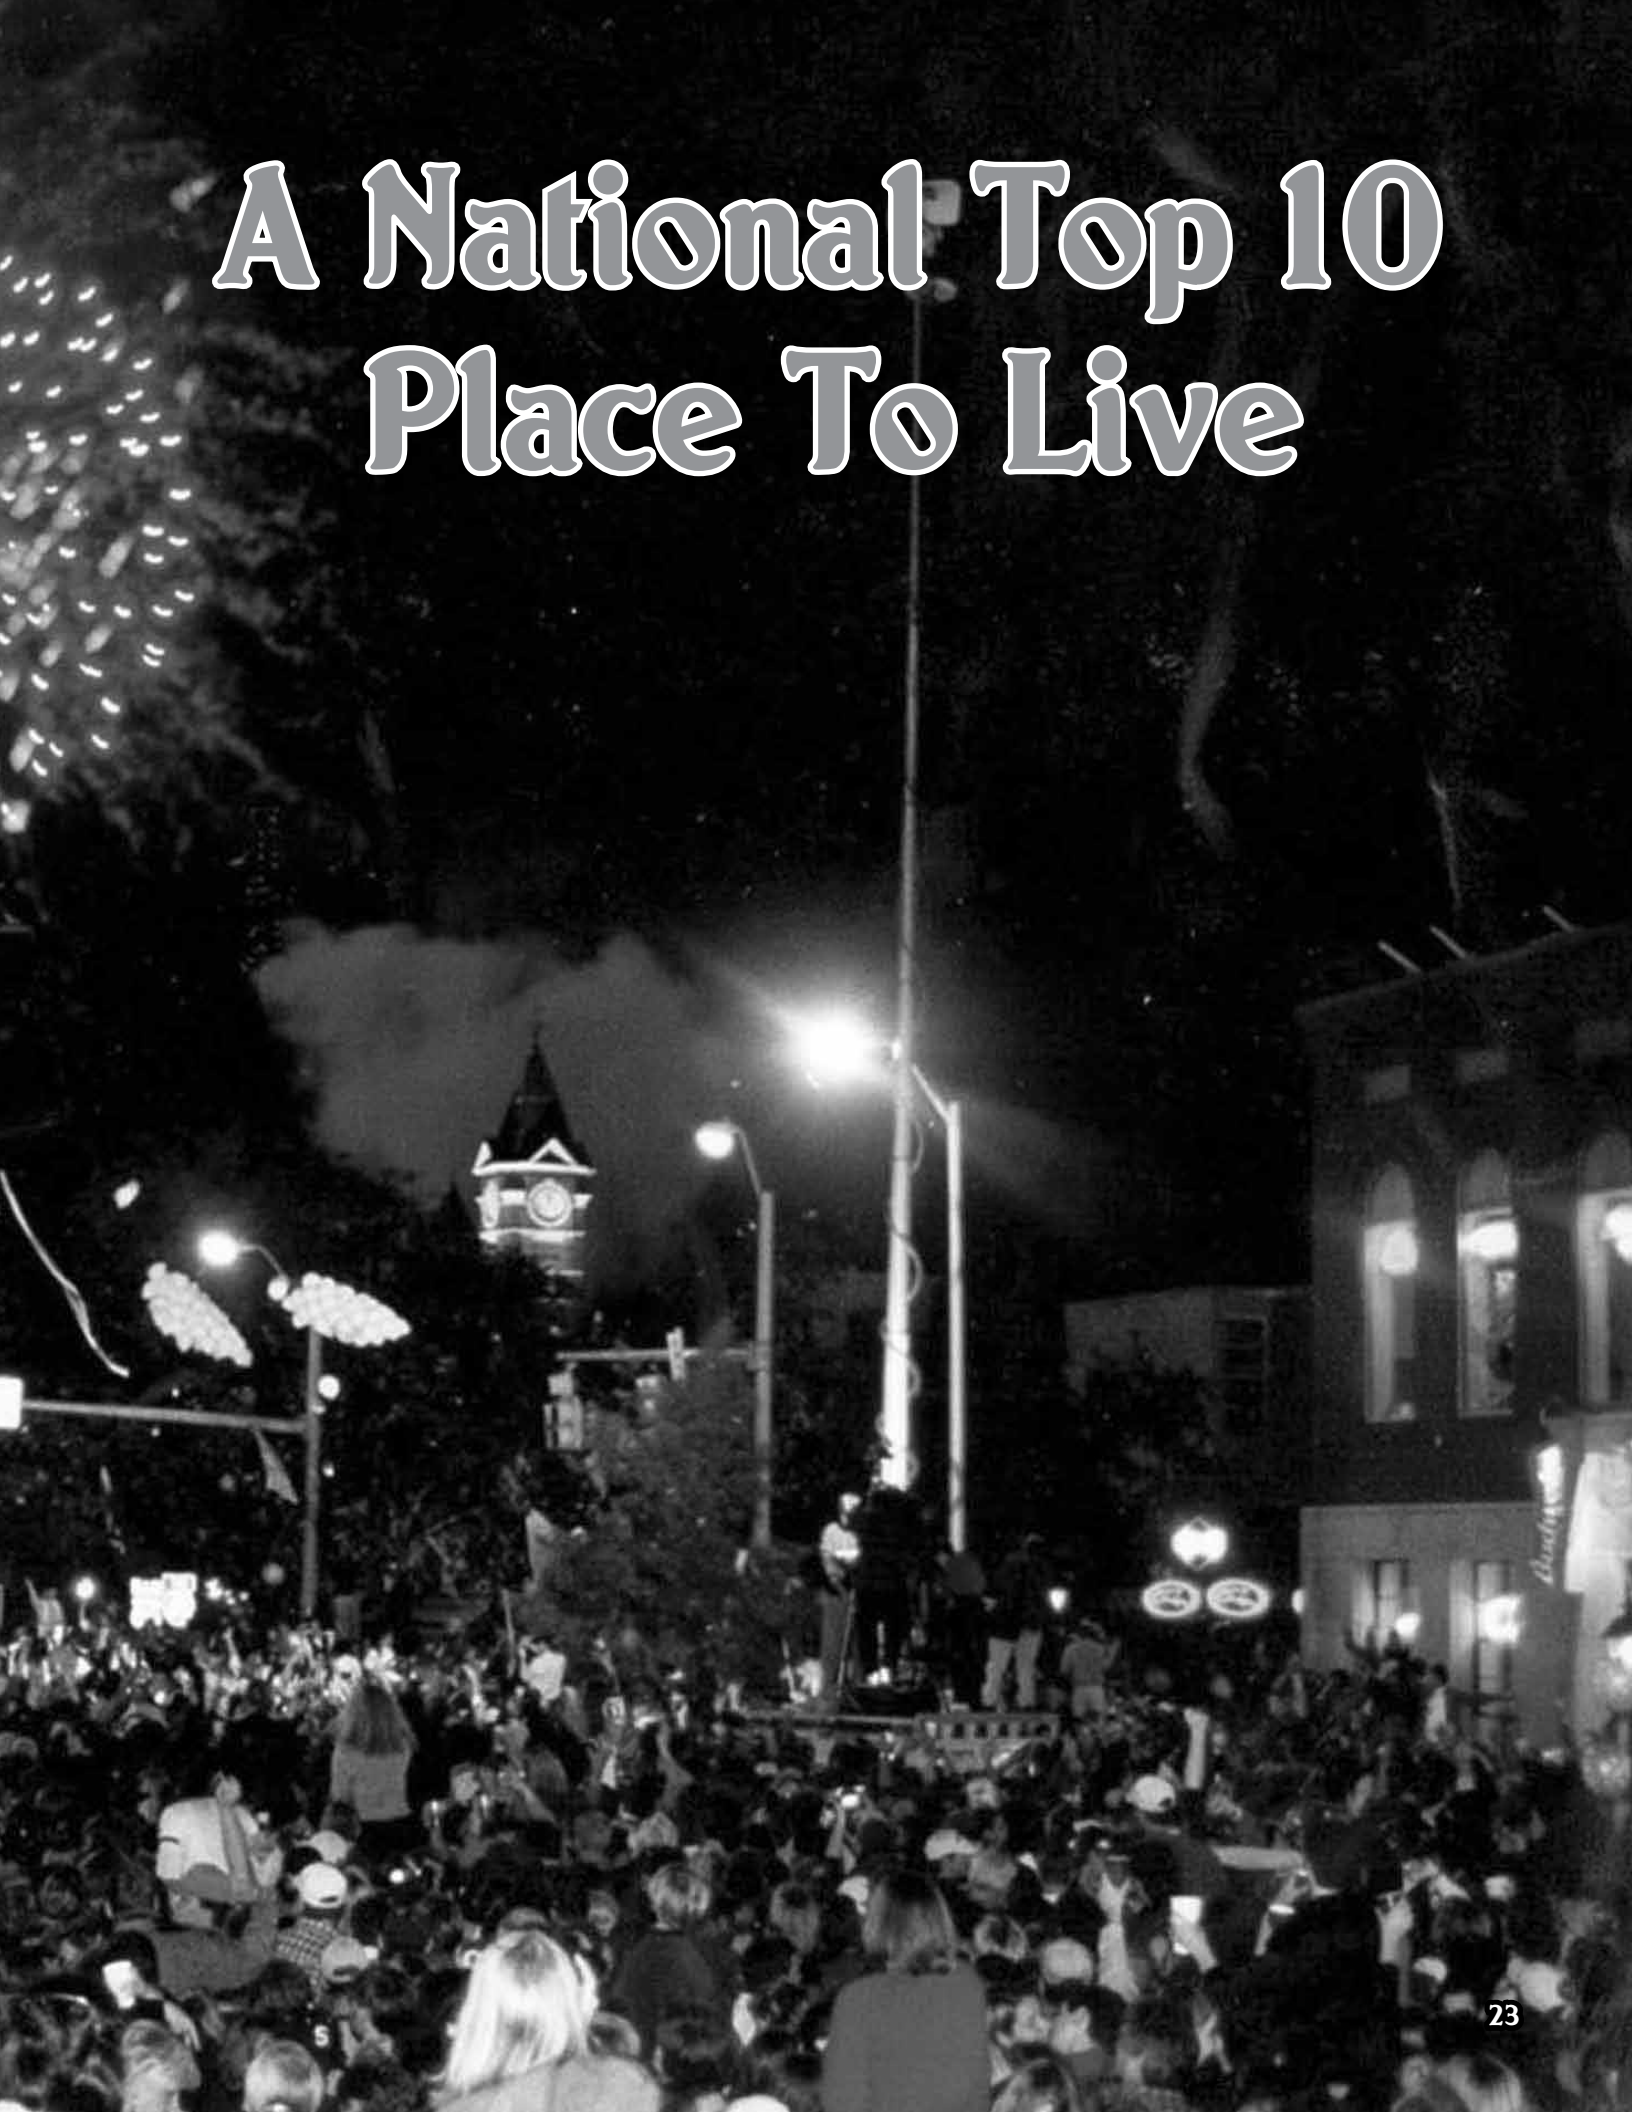

Did you know?

- Auburn was named a Top 10 best place to live by US News and World Report (2009)
- Auburn was named a Top 10 job growth market in the U.S. for 2010 by Business Week Magazine
