Dear Table Captain:

We appreciate your agreeing to help with our annual fundraiser. Tables of 8 will be reserved in the name of the Table Captain. We will prepare rosters by both individual guest name and by Table Captain to limit seating confusion at the event. Last minute changes or additions will be accommodated to the best of our ability. Please advise your guests to check in using either their name or the Table Captain’s name.

We ask that you provide us with your guest list no later than Wednesday, 10/26/2022.

If your guest is a dignitary, please provide their title so that they may be recognized.
