

# Acuity 17x17 X-Ray Panel

## X-Ray Panel

### Provides an easy retrofit upgrade

The Acuity 17x17 X-Ray Panel features a “drop in” design that allows clinicians to easily retrofit existing x-ray technology, transforming conventional x-ray spaces into a modern radiology suite. The panel’s imaging area measures 17 x 17 inches and features a rugged design with comfortable grip.

### FEATURES

- › Slim, lightweight x-ray detector easily transforms conventional x-ray rooms into a modern digital radiology suite.
- › “Drop in” design allows clinicians to retrofit existing x-ray technology.
- › Panel features rugged design with comfortable grip.
- › Directly deposited CsI provides enhanced image contrast and sharpness with quick image acquisition in only seconds.
- › Auto exposure detection (AED) eliminates the need for a cable connection between the x-ray generator and detector for a truly “plug and play” system.
- › Includes 3-year hardware warranty.

### SPECIFICATIONS

**Weight:**  
9.9 lbs

**Dimensions:**  
18.1 x 18.1 x 0.6”

**Effective Imaging Area (HxV):**  
17 x 17”

**Power Supply:**  
DC + 12V 2A Max.

**Power Consumption:**  
12W

**Pixel Pitch:**  
140 µm

**Scintillator:**  
CsI (Cesium Iodide)

**Image Acquisition and Transfer Time:**  
< 3 sec

**Spatial Resolution:**  
Min. 3.5 line pair/mm

**Network Interface:**  
Giga Ethernet
