

# GreenLine™ Fiber Optic Laryngoscope Sets

## American & English Profiles

## MACINTOSH/MILLER FIBER OPTIC SETS

### FEATURES

The GreenLine™ Fiber Optic System is compatible with the following brands: Welch Allyn, Propper, Rusch, Heine and AMS. This compatibility factor is important when you consider purchasing fiber optic laryngoscopes.

- Convenient
- High impact plastic case - for ease of transport
- MacIntosh - Miller sets are available
- Complete sets of most popular laryngoscope blades
- Medium handle and extra lamp included
- Kits supplied with chrome plated handle (stainless steel also available)
- 5 year warranty (excludes lamp)

All above blades are made from 303/304 surgical stainless steel and are provided with 4mm, replaceable fiber optic bundles. GreenLine® blades and handles are fully compliant with ISO standard 7376-3 and interchange perfectly with companies conforming to the "Green System". (i.e. Anesthesia Associates, AMS, Heine, Propper, Rusch and Welch Allyn)
